XT ENDURO SERIES™ LAWN AND GARDEN TRACTORS

INCREDIBLE STRENGTH MEETS ULTIMATE COMFORT

Where you make your lawn the center of your home.

When you look at your yard, you see what it could be. And the XT Enduro Series™ from Cub Cadet® delivers the performance to help you bring those possibilities to life. Our lawn tractors have been designed to give you unmatched strength and durability, all with the comfort and command you expect. And with breakthrough cutting and bagging performance, responsive handling and exceptional versatility, the XT Enduro Series can be tailored for the job. Because we know the reason you put so much into your lawn is that you get more out of it.

BUILT IN AMERICA SINCE 1961

For more than half a century, Cub Cadet lawn and garden equipment has been proudly Built in America. Established in 1961, Cub Cadet continues to be designed, engineered and built using the highest-quality components sourced locally and globally. Cub Cadet is a brand that represents American ingenuity at its best. Based in Valley City, Ohio, Cub Cadet is sold worldwide.

XT ENDURO SERIES™ ADVANTAGES

- ▶ **Incredibly Responsive Handling**
Steering system delivers optimized command and control.
- ▶ **Standard in Comfort**
Refined ergonomics and bold, new styling.
- ▶ **Advanced Technology**
Our AeroForce decks use advanced aerodynamics to give you the best cut. By optimizing airflow and maximizing suction, we have eliminated clumping during discharge and created a mower with a more thorough bagging performance. (Available on all fabricated XT 46", 50" and 54" decks.)
- ▶ **Advanced Cutting Performance**
Muscular cutting system for durability and breakthrough bagging performance.
- ▶ **Corrosion Defense System with E-coat**
Best-in-class protection for amazing durability and appearance.
- ▶ **Smooth and Simple Operation**
Hydrostatic transmission — no shifting, just push a pedal and go.
- ▶ **Exclusive Mobile App**
Easy tractor maintenance via smartphone.
- ▶ **Strongest Support in the Industry**
Dedicated personal owner support 7 days a week.
- ▶ **Strongest Warranty**
Unlimited hours/5-year chassis and front axle/3-year and 4-year powertrain.

What It Means to Have a Cub Cadet-Certified Engine

Every engine used in our products must pass a rigorous certification process to ensure it is built to the Cub Cadet standard of strength, high performance and premium quality.

XT1. ENDURO SERIES™

- ▶ Hydrostatic transmission
- ▶ Adjustable seating
- ▶ Comfort-grip steering
- ▶ LED headlights
- ▶ Cub Connect™ Bluetooth® technology (select models)
- ▶ 3-year unlimited hours (including powertrain) + 5-year chassis and front axle unlimited hours/limited lifetime fabricated deck shell

XT2. ENDURO SERIES™

- ▶ Cub Cadet® EFI, Kohler® V-twin engine
- ▶ High-output battery
- ▶ Keyless engine start (select models)
- ▶ Heavy-duty front wheel bearings
- ▶ Multi Trac tire tread standard
- ▶ Front bumper and armrests standard
- ▶ 3-year unlimited hours (including powertrain) + 5-year chassis and front axle unlimited hours/limited lifetime fabricated deck shell

XT3. ENDURO SERIES™

- ▶ Automotive-style beltless direct-drive shaft
- ▶ Cast-iron transmission and front axle
- ▶ Fully welded steel frame
- ▶ Adjustable high-back seat with armrests
- ▶ Automatic transmission and cruise control
- ▶ Advanced-grip tires and heavy-duty steel front bumper (select models)
- ▶ 4-year unlimited hours (including powertrain) + 5-year chassis and front axle unlimited hours/limited lifetime fabricated deck shell

STRENGTH BUILT INTO EVERY DETAIL

XT1 ENDURO SERIES™

INCREDIBLE STRENGTH AND COMFORT FROM THE GROUND UP

As the next generation of lawn tractors, the XT1 Enduro Series™ sets a new industry standard with category-leading strength, comfort and versatility for the ultimate experience. XT1 tractors are loaded from the start — ideally equipped for mowing, hauling and using a variety of popular attachments.

- **Hydrostatic Transmissions**
 No shifting — just push a pedal and go.
- **Stronger Options**
 Choose from extra-tough fabricated and stamped decks.
- **Adjustable Seating**
 Angled to accommodate all operators and provide all-day comfort.
- **Comfort-Grip Steering**
 Effortless turning that's easier on the hands.
- **LED Headlights**
 Advanced lighting for extended life and maximum visibility.
- **Cub Connect™ Bluetooth® App**
 Keep your tractor operating at peak performance through your smartphone. Available on select models.
- **Strongest Warranty**
 Forward-thinking engineering and the highest-quality standards for strength you can trust.

BUILT TO LAST

“This is a great mower built to last, and well worth the investment.”
 Dvaneck | **XT1 LT42™**

CUSTOMER RATING ★★★★★

XT2
ENDURO SERIES™

POWER AND PRECISION FOR THE BIGGER CHALLENGES

The XT2 Enduro Series™ delivers even higher levels of power, control and durability. Dealer-exclusive XT2 tractors are ideal for more challenging terrain, hauling and all-season attachment use.

Performance Package

- Powerful engines: Cub Cadet® EFI, Cub Cadet-Certified Kohler® V-Twin engine
- High-output battery: optimal start in all weather
- Keyless engine start: easy push-button control on select models
- Enhanced durability: heavy-duty front wheel bearings
- Improved traction: Multi Trac tire tread standard; auto traction control on select models
- Added protection and comfort: front bumper and armrests standard

DEALER EXCLUSIVE

- Stronger Engine Choice**
The only tractors with the efficiency and maintenance benefits of electronic fuel injected engines. Or the option of engines with easy Smart-Choke™ technology — just turn the key or push a button and go.
- Differential Lock Control**
Locking rear differential for all weather conditions and cutting terrains. Available on select models.
- FastAttach™ Blade System**
A sharper blade is better, but it doesn't have to be a hassle. Our FastAttach™ blade system requires no tools, and blades can be changed quicker than ever.

VISIT CUBCADET.COM for more information.

VERY IMPRESSED
“It will turn on a dime and throw you 9 cents change. Love the hydrostatic throttle. This will haul the mail.”
Champ98 | **XT2 GX54" D**
CUSTOMER RATING ★★★★★

XT3
ENDURO SERIES™

MAXIMUM STRENGTH AND POWER FOR THE TOUGHEST TASKS

Heavy-duty construction and professional-grade engines plus ultra-tough components make the XT3 Enduro Series™ the ultimate garden tractors. XT3 has the strength to cut through tall, thick grass, haul larger loads and power hard-working, ground-engaging attachments.

▶ **Upgraded Power and Reliability**

- The only garden tractor with an automotive-style beltless direct-drive shaft.
- Cast-iron transmission and front axle, along with a fully welded steel frame.
- Advanced-grip tires and heavy-duty steel front bumper on select models.

▶ **Deluxe Features**

Adjustable high-back seat with armrests, automatic transmission and cruise control — all standard.

▶ **Stronger Options**

Choose from extra-tough fabricated and stamped decks (sold separately).

▶ **On-Demand Traction**

Premium driver-controlled locking rear differential for increased control (only on GSX).

▶ **Strongest Warranty**

Forward-thinking engineering and the highest-quality standards for strength you can trust.

DEALER EXCLUSIVE

LOVE THE FEATURES

“Built much stronger, and the features like power steering and power deck lift are very nice.”

AL538 | XT3 GSX

CUSTOMER RATING ★★★★★

ATTACHMENTS & ACCESSORIES

REMARKABLE VERSATILITY

Get more done season after season with a full line of attachments and accessories designed to make your XT Enduro Series™ tractor outperform all others. Here are a few popular choices.

Cub Cadet® Hauler

Featuring four collapsible sides, the hauler can be folded flat for larger loads. Side access allows for easy unloading, and 10 cubic feet offer plenty of space. When folded flat, it takes up 70% less space than a typical cart.

Bagger Systems

Enhance the Cub Cadet Signature Cut™ with breakthrough bagging performance. Twin and triple bagger options available to fit every tractor.

Sun Shade

Mow in comfort with the spacious sun shade that fits all XT1 and XT2 tractors. Durable tear-resistant fabric makes this shade last for years.

3X® 42" Three-Stage Snow Thrower Attachment

Tackles the most challenging, deepest snow falls. Quickly and easily removes up to 18" of snow 25% faster than a Cub Cadet 2X® two-stage snow thrower.

Snow Blade

Quick-adjust 46" snow blade easily changes from straight ahead to 25° for added versatility to clear snow and ice with ease.

Snow Cabs

Stay out of the cold with the spacious snow cabs that fit XT1, XT2 and XT3 tractors. This cab still has 360° visibility. And a strong powder-coated steel frame means it will last winter after winter.
