<https://www.indiamart.com/indian-sewing-machines/>

We are trader, supplier, wholesaler & Service Provider of Sewing Machines, Stitch Machines and Button Holding Machines. We provide Sewing Machine Repair & Maintenance Services to our clients. Our products are known for their best quality.

## About Us

We, **Indian Sewing Machine** established in the year **2010**, are engaged in trading, supplying and wholesaling variety of Sewing Machines, Stitch Machines and Button Holding Machines, Safety Stitch Machines, Chain Stitch Machines, Button Holding Machines & many more. These products are available for our clients at industrial leading price and are of best quality. We also provide Sewing Machine Repair & Maintenance Services. We have our head office in Bengaluru, Karnataka.

All the important activities of our organization are conducted under the guidance of **Mr. Inayath M.** He conducts various training and motivational programs for the people working in the organization to keep them updated with the latest trends emerging in the market and to create a sense of commitment for the organization. Mr. Inayath is a big example of self made man and he treats his employees and co-workers as a family and always motivates all of them to work with more and more sincerity, integrity and give the best and fruitful results.

Whenever a new member joins our Indian Sewing Machines family he/she undergoes an induction program which helps him/her to know and get adapted to the environment of the organization. We always help our employees to get well versed with our working culture and our motto of customer satisfaction for which we are well known in the market. We deliver the best to our customers. Our products go through the checking program...
