

**INDIAN SOCIETY FOR NON-DESTRUCTIVE TESTING**  
**Mumbai Chapter**  
**Online NDT Level III Training Programme**  
**November 2020 to January 2021**

Website: [www.isntmumbai.in](http://www.isntmumbai.in), Email: [info@isntmumbai.in](mailto:info@isntmumbai.in)

ISNT Mumbai Chapter announces **On-line Training** cum **Refresher** courses on various NDT Methods and BASIC. These courses are mandatory for ISNT NDT Level III certification as per IS: 13805-2004. These courses are helpful for the candidates planning to appear for ASNT NDT Level III examination.

**ISNT NDT Level III Training Course**

- a) It is mandatory to attend full duration of training in the NDT method to be eligible for taking the ISNT NDT Level III examination in that method
- b) Training for all the NDT methods, including BASIC will be conducted on-line on a virtual platform
- c) Candidates will be attending the training courses from the comfort of their home/office. Registered candidates will be sent the link for joining the virtual classroom
- d) Candidates who do not hold a valid ISNT NDT Level III certificate will have to appear for BASIC training course and examination. Those who are holding a valid ISNT NDT Level III certificate in any method need not appear for training and examination on BASIC
- e) The courses will be conducted to meet the syllabus of IS 13805:2004
- f) The schedule of training courses along with the applicable fees and due date for registration is given in **Annexure 1**.
- g) Details of ISNT Mumbai bank account for remittance of course fees from India or Abroad is given in **Annexure 2**
- h) The course registration form is given in **Annexure 3**

**ASNT Level III Refresher Course**

- a) Candidates can attend the refresher courses, which will help them prepare for ASNT NDT Level III examinations
- b) ASNT NDT Level III examination is conducted by ASNT and is an on-line examination
- c) Candidates shall meet ASNT published eligibility requirements for appearing in the examination
- d) Candidates attending BASIC course will be taught SNT-TC-1A and CP-189 to meet ASNT examination requirements
- e) The courses will be conducted to meet the syllabus of SNT-TC-1A:2016
- f) The schedule of refresher courses and bank details for remittance of course fees from India or Abroad are given in **Annexure 1, 2 and 3**

## **General Notes on Training/Refresher Courses**

1. All the lectures will be approximately of two hours duration. Online classes will start by 09.30 hrs. and will be completed by 19.30 hrs. with suitable breaks in between two lectures
2. The Course fee includes course material/class notes, which will be sent to the candidates through courier before the start of the course
3. ISNT Mumbai GST No. is **GSTIN 27AAAAI4749P2Z2**. In case you like to draw back GST then please indicate your GST No. in the Registration Form to prepare invoice accordingly
4. The course fee can be paid to ISNT Mumbai bank account by NEFT or by wire transfer. Please email the advance copy of registration form along with transaction details once the payment is done to [info@isntmumbai.in](mailto:info@isntmumbai.in)
5. Registration for the course is confirmed only on receipt of registration form and realization of full payment towards course fees
6. For any query on training/refresher courses, please write an email to [info@isntmumbai.in](mailto:info@isntmumbai.in) or call Ms. Kartika on +91 98205 03631

## **ISNT NDT Level III Certification Examination**

- a) National Certification Board (NCB), ISNT will be conducting paper based (*not on-line*) written examination for ISNT NDT Level III certification in accordance with IS 13805:2004
- b) Candidates will have to physically visit the examination centre for taking the examination
- c) Candidates, who do not hold valid ISNT NDT Level II certificate in the method for which NDT Level III certification is sought, need to pass ISNT NDT Level II practical examination before they are certified to ISNT NDT Level III
- d) Candidate can take up the practical examinations at any of the examination centres authorized by ISNT before they appear for ISNT NDT Level III examination. Candidates are advised to write an email to [ncb@isnt.in](mailto:ncb@isnt.in) to schedule their practical examination
- e) Candidates need to choose specific sector(s) for the method(s) they are appearing. Selection of at least one sector for examination is mandatory to get certified in a method. Candidates are encouraged to choose both the specific sectors when they appear for examination. The specific sectors for all the NDT methods are given in **Annexure 4**
- f) Candidates shall meet the NDT working experience requirements and submit supporting documents along with the application form. Work experience requirements to be eligible for appearing in ISNT NDT Level III examination are given in **Annexure 5**
- g) Details of examination fees to be paid to National Certification Board, ISNT depending on the method and specific sector for which NDT Level III certification is sought along with bank details for remittance of examination fees from India are given in **Annexure 6**
- h) Candidates are required to visit the examination centre on the day of examination. Currently, examinations are planned at: Mumbai, Chennai, Kolkata, New Delhi, Bengaluru, Pune and Hyderabad. Additional examination centres may be announced later if there are sufficient number of candidates from a particular city/region. The schedule of examinations is given in **Annexure 7**
- i) The application form for examination is attached as **Annexure 8**. Candidates are required to send the application form to NCB, ISNT at the following address:

Indian Society for Non-Destructive Testing  
Modules 60 & 61, 3rd floor, Garment Complex,  
SIDCO Industrial Estate, Guindy,  
Chennai - 600 032. Tamilnadu, India

The advance copy of the application form along with proof of payment made towards the examination fees must be sent to [ncb@isnt.in](mailto:ncb@isnt.in) prior to the due date. The due date for submission of application form is given in **Annexure 7**.

- j) NCB, ISNT will be issuing the Admit Card to the candidates who are found to be eligible to take the examination after scrutiny of application form and on receipt of full payment towards the examination fees. No candidate will be allowed to take the examination who has not been issued Admit Card
- k) Candidates will have to sign a Self-Declaration Form regarding their health and the risk associated while taking the examination under the prevailing conditions. The Self-Declaration Form is attached as **Annexure 9**. Candidates will have to submit this form on reporting to the examination centre. Candidate not meeting the requirements given in the Self-Declaration Form will not be allowed to appear in the examination
- l) For any query related to certification examination, please write an email to [ncb@isnt.in](mailto:ncb@isnt.in) or call Ms. Shaveetha on 044 2250 0412 / 4203 8175

Samir Choksi  
Hon. Secretary  
ISNT Mumbai

## Schedule and fee in Indian Rupees for NDT Level III Training Courses/Refresher Courses

Sr. No	Method	Duration	From	To	Fee	GST	Total	Register Before
1	Magnetic Particle Testing (MT)	4 Days	23-11-2020 Monday	26-11-2020 Thursday	14000	2520	16520	16-11-2020 Monday

**2. Work Experience & Position**

Sl. No.	Employers' Name and Address	Position	From	To	Duration		Job Description (Specify also the NDT methods used)
					Year	Month	

**3. Minimum Experience Requirements – Level -III**

Minimum Experience Requirements —Level III

- 1) If the individual is being qualified directly to level III, with no time at level I/II, the experience shall consist of the sum of the times required for level I, II and level III.
- 2) Experience duration may be reduced by up to 50 percent but shall not be less than one month when the certification sought is limited in application (for example, automated testing).
- 3) Credit for work experience may be gained simultaneously in two or more of the NDT methods covered by this standard, with the reduction of total required experience as follows: Two testing methods — reduction of total required time by 25 percent. Three testing methods — reduction of total required time by 33 percent. Four or more testing methods — reduction of total required time by 50 percent. In all cases the candidate shall be required to show that, for each of the testing methods for which he seeks certification, he has at least half of the time required.
- 4)The maximum possible reduction in duration of experience shall be limited to 50 percent. 6) Minimum educational qualification is X standard (with Science and Maths)

**4. Experience in NDT** (Attach reference letter from employer)#

Organisation (with address)	Designation	Period	Nature of Work

# attach additional sheets if necessary

**5. Results of previous NDT examination(s) passed/appeared (ISNT Certificates)**

Method	Level	Cert. Number	Year of passing	Validity of the certificate

I hereby certify that the above information is correct in all respects.

By Signature to this application I agree to abide by the code of ethics of the Indian Society for Non-Destructive Testing.

I understand that the certificate if granted on successful completion of the examination is valid only for five years.

I understand that the certificate may be suspended or revoked by the Indian Society for Non-Destructive Testing in case it is abused.

I understand that the certificate is not a license in any form.

I undertake to abide the decision of the Indian Society for Non-Destructive Testing in all matters connected with certificate and the decision of the Society in this respect will be final.

Having applied for certification as NDT Level-III, the undersigned does hereby and forever discharge the Indian Society for Non-Destructive Testing from any and all liabilities, claims, demands etc. which may arise on account of the undersigned's working as NDT Level-III.

**CODE OF ETHICS FOR LEVEL III PERSONNEL****1. Purpose**

The essential character of Non Destructive Testing and evaluation is to certify a product or a structure that it is conforming to the designer's requirements. The responsibility on the part of the personnel issuing such a certificate is immense and hence this pledge.

**2. Responsibility**

- 2.1 To direct NDT operations through established techniques, honestly, sincerely and impartially by the method in which he / she is qualified.
- 2.2 To safeguard the environment, safety and general well being of the public in the discharge of his / her professional duties. Whenever and wherever he / she finds deficiencies, which are likely to impair the safety, health and welfare of the public he / she shall bring these cases to the notice of the appropriate authority.
- 2.3 Not accept responsibility for the design or their report or statement involved and if the situation warrants, disassociate his / her involvement with the situation.
- 2.4 Accept duties only in the technical fields wherein he / she possess adequate knowledge by training and experience.
- 2.5 To be unbiased and unambiguous in reporting, stating or giving testimony, by taking care to exclude situations that can give rise to scope for misinterpretation.
- 2.6 To express an opinion as a technical witness before any court, commission or tribunal only when such opinion is founded upon adequate knowledge of the facts in issue, upon a background of technical competence in the subject matter and upon honest conviction of the accuracy and propriety of the testimony.

**3. Code of Ethics**

- 3.1 When employed by a client, he / she shall not undertake to subcontract the work to another company in which he / she has business interest.
- 3.2 Shall present to the prospective employer details about him / her in a factual manner without exaggeration and seek employment based only on the qualification and experience.
- 3.3 Shall not have business relationship with those who practice fraudulent methods.
- 3.4 Withdrawal of certificate by any other professional body, of which he/ she is a member, will be a ground for disciplinary action.

**4. Non compliance**

Non compliance of this code of ethics by any ISNT Level III certificate holder will lead to disciplinary action against him / her and may lead to withdrawal of the certificate by NCB.

**5. National Certification Board** requires that a certified person signs an agreement for the following reasons:

- a) to comply with the relevant provisions of the certification scheme;
- b) to make claims regarding certification only with respect to the scope for which certification has been granted;

- c) not to use the certification in such a manner as to bring the **National Certification Board** into disrepute, and not to make any statement regarding the certification which the certification body considers misleading or unauthorized;
- d) to discontinue the use of all claims to certification that contains any reference to the **National Certification Board** or certification upon suspension or withdrawal of certification, and to return any certificates issued by the **National Certification Board**;
- e) not to use the certificate in a misleading manner.

6. "I will not use the logos of ISNT, NCB and ICN in any of my personal communications or other documents without the explicit permission of NCB-ISNT"

7. I shall, without delay, inform NCB any matter that can affect my capability to continue to fulfill certification requirements.

**8. Disclosure of information :**

The Candidate's information related to his/her certification activities obtained during certification process will be disclosed where statutory/law requires such information.

**9. Non-Disclosure Agreement :**

- (i) Do not ask the Monitor/Examiner or any of your fellow colleagues for any clarifications.
- (ii) Candidate should not disclose any of the questions from the given exam paper.

**Note: Code of Ethics to be filled and signed.**
