# LISTOPAD 2014

Vážení přátelé,

E-day se blíží, den E nastane již příští víkend. Připomínám, že areál bude připraven k instalaci vašich stánků v pátek 27. září. E-day ovlivní i expedici novinek. Novinky na říjen budou k dispozici od 18. září, a to včetně modelu 1189 PRVNÍ DOMA. Budeme se snažit vyexpedovat většinu objednávek, nejlépe všechny, ještě před odjezdem týmu obchodního oddělení na E-day, což bude v pátek 27. září dopoledne.

Pokud jde o novinky na listopad, bezesporu nejvýznamnější z nich je model 8256 Siemens-Schuckert D.III v měřítku 1/48. Jde po několika letech o nový model letadla 1. světové války v našem sortimentu. Spolu s modelem vydáváme i dvě Brassinové sady pro model určené, 648166 SSW D.III ENGINE, což je motor Siemens-Halske Sh.III a 648177 SSW D.III GUNS, což jsou kulometry SPANDAU LMG 08/15. Celkem vydáváme v listopadu rekordních 10 nových Brassinových sad, mezi nimiž je několik netradičních položek. Mám na mysli kola pro Hawker Typhoon Mk.Ib od Airfixu v měřítku 1/24, kulomet Bren v měřítku 1/35 a kanon ráže 105mm pro německé ponorky Typ IX v měřítku 1/72. Rád bych upozornil také na položku 648185 MiG-21PFM interior – grey, kterou zařazujeme do produkce na přání zákazníků. Tato varianta interiéru řeší korektní zbarvení cockpitů MiGů-21PFM z rané produkce.

Co se fotoleptů týče, i v tomto sortimentu najdete položku vztaženou k novému SSW D.III, jde o látkové pásy 49070 SSW D.III seatbelts FABRIC. Dalšími zajímavými položkami jsou kupříkladu sady pro C-47 a Blenheima v měřítku 1/72 od Airfixu, nebo dvě sady pro Spitfira Mk.V 1/48 od stejné firmy, interiér a vztlakové klapky. Jistou výjimku představuje i pěťice BIG Edů. Mezi ZOOMy si povšimněte sady pro La-7 1/72, určenou pro rovněž v listopadu vydávaný model 7425 La-7 Weekend. Tím se jistou oklikou dostávám zpět k modelům, z nichž zatím nebyl zmíněn jediný, reedice Bf 110E v měřítku 1/48. V edici Profipack, nutno dodat.

Pokud jste dosud neodeslali své objednávky na říjnové novinky, neváhejte a objednávejte. Těším se na viděnou na E-day!

Vladimír Šulc
