## PRINCIPAL ANNUAL REPORT

We in The SamhitaAcademy, strongly believe that every individual has a lot of potential and we inculcate in students the right education with the values of R CARE through which we can build a strong nation.

I consider it a proud moment to give you glimpses of all the activities and programmes that we have done it in the academic year 2019-2020. We are happy to inform you all that we were given the affiliation in the month of September 2019 after the completion of CBSE inspection.

CBSE curriculum is child centric and enables our students to take part in various activities. Learning, Speaking, Reading & Writing, in short, LSRW is given more importance.

In TSA all round development of a student is focussed right from KG.

INTELLECTUAL, PHYSICAL, EMOTIONAL & SPIRITUAL are the necessary ingredients in the growth of every student.

**Intellectual** - In our school, learning goes beyond the classrooms. Students are motivated and encouraged to expand creativity through diversified CO CURRICULAR ACTIVITIES (CCA) like literary club, Eco club, culinary club.

**Physical** - Development of the physical self is of utmost concern. We are having Karate, Skating apart from indoor & outdoor games. Students were divided into four houses namely - JAL, PRITHVI, AGNI & VAYU. Students learnt the art of coordination & team spirit through this. Sports & games are integral part of education without which education is in-complete.

**Emotional** - Emotional aspect plays a major role in student's development, especially in today's world. In TSA one to one interaction between a teacher and a student has helped them in their emotional development.

**Spiritual** - Various religious and cultural festivals are celebrated through which certain values like sharing, caring, involving and bonding is developed. Various festivals and celebrations take place throughout the year.

**Professional development for our staff:** We had conducted programs like.....INCLUSIVE EDUCATION wherein child harassment & cyber safety was given importance. Workshop on Life enriching education was conducted for our teachers. Under Transactional Analysis, developing competency in teaching-learning environment was dealt with. As we are following the XSEED curriculum, coordinators of XSEED trained our teachers for their enhancement.

We strongly believe that investing in teachers and taking them through the training program is very important as learning is a continuous process for teachers too. We conduct various workshops for teachers in the month of May.

We have well equipped labs for Science, Math, Language & computer labs – Hands on training in the labs will help the students to retain the concept in their subjects.

### **Innovation:**

We had the Investiture ceremony for the student leaders and trained them to take up responsibilities. This helped them to become more patient, diplomat and composed to handle any situation.

Various religious and cultural festivals are celebrated through which certain values like sharing, caring, involving and bonding is developed. Various festivals and celebrations take place throughout the year. Also National festivals were celebrated depicting its importance through songs, dance & roleplay.

Apart from this, certain important days like Van Mahotsav day, Grandparents day, Thanks Giving Day were also inculcated in our students. We had MEET THE PARENTS DAY for all the students. Parents had one to one interaction with their respective teachers.

### **Overall Percentage:**

All the children were promoted to the next academic year.

Result: 100%

THE SAMHITA ACADEMY		
Overall Performance Percentage Grade- 1 - 6 [2019-20]		
Class	Number of Students	Average Performance of Students in Scholastics Subjects

Grade-2	10	77.6 %
Grade-3	10	70 %
Grade-4	10	69 %
Grade-5	7	59 %
Grade-6	5	67 %

### PTA Activities

Yearly once meeting with parents conducted to appraise them of the activities done in school and future plans. Parent's feedback also collected.

**Field trips** were organized for all the students to Gee Dee Museum and Traffic Park where they learnt the traffic rules, signals & symbols. Students were interested to see the various scientific objects and the current trend in making the cars.

As part of our community development program, a POTTER was invited and students got hands on experience in making clay pots and lamps.

### SMC:-

**SMC Meeting was conducted on the month of February.**

**The following are the decisions taken in the meeting.**

1. Ongoing process-Extension for CBSE Affiliation.
2. Full working day for KG classes from the academic year 2021-2022.

### **Class 1-to 5<sup>th</sup> Grade Circular**

Dear Parents,

We hope that this email finds all of you and your families safe and healthy. At Samhita, Student's well-being has always been the first priority. We understand that students are missing their routines, familiar spaces, interactions with their peer group and teachers.

Given the reality of the current times and uncertainty on when the schools will be able to reopen, we intend to give our students the opportunity to learn from home and still have a sense of belonging with their classmates and teachers through Online classes. The online classes will begin from – 29<sup>th</sup> May (Gr 3 to 5) and 1<sup>st</sup> of June (Gr 1 and 2). We request you to orient and guide the students about Google meet and Google classrooms and teachers will also be guiding them in their classes.

Online classes can never replace regular classes, however the teachers have prepared with a lot of enthusiasm to make the learning experience interesting for our students while we wait for the normal situation to return.

Looking forward to seeing our students back in the classrooms through virtual for the time being.

## ACADEMIC ACHIEVEMENTS

Our students wrote the International Olympiad Exams in all subjects and won Gold & Silver medals. Kiddies Talent Quest was the most awaited day for our students. Various competitions were held through online and all the students participated & exhibited their individual talents. Our students were encouraged to participate in Young World Quiz conducted by The Hindu. These activities will facilitate the student to compete for the inter school and intra mural competitions and showcase their talents.

### **Sports Achievement:**

Our Annual Sports Meet is held every year. It gives more enjoyment for the students to showcase their talents in various sports & games. I feel elated to share that our students excel in sports field also. They participated in interschool tournaments in Skating/Karate/Cricket & Tennis. They have won medals, cups & certificates and made our school proud. This motivated us to bring in specialised coaches for Cricket, Football, Badminton & athletic.
