Commodore's Letter

Dear fellow LYC Members:

First I would like to thank those members that volunteered their time at the Greater Cleveland Boat show in January. Especially to Larry Orłowski for putting together the power point presentation that ran at the booth. Visitors filled out additional information cards and the membership committee will be contacting those people to invite them to LYC to visit the clubhouse, view the docks, pool and grounds. We hope these people will fill out membership applications and decide to join us at LYC and to call LYC their future boating home.

Please watch your weekly updates from the Club regarding weekly lunch and dinner specials. Remember that Thursday is Prime Rib night with the rolling jackpot which grows by \$20.00 per week if there is no winner. Members must be present to win the jackpot! Plus you get a great meal and a chance to catch-up with friends.

Your Board is reviewing our LYC Constitution and Rules, based upon comments and concerns we have gathered this past year. Most of these are minor, there is an emphasis on pool rules and their enforcement. These are in place for the safety and enjoyment of our members and guests. Besides the Member Rules there are rules for our valued employees and their employment handbook to be followed. These are in place for both the employees and members benefit and the operation of the Club. Lastly, if you have concerns regarding LYC please address them to me either at LYC, by phone or e-mail.

Sincerely,

Mark Carrabine
Commodore
