# INSTRUCTIONS GOVERNING EXPENDITURE PLANS AND ALLOTMENTS FISCAL YEAR 2021

Instructions for Expenditure Plans and Allotments for FY 21 contained in this document are generally similar to those issued for FY 20, including transactions necessary to reflect Act 5, SLH 2019, as amended by Act 7, SLH 2020, and Act 9, SLH 2020; and including appropriation and position ceiling transfers from other departmental budget acts as approved by the Governor pursuant to Section 44 of Act 5, SLH 2019, as amended by Act 7, SLH 2020, on June 19, 2019 (to be referred to as "Act 5, SLH 2019, as amended, including transfers"), for operating. These transfers will be reflected differently on the Operational Expenditure Plan (OEP) and on the Request for Allotment (**Form A-19**).

For the OEP, the appropriation amount for each appropriation account shall generally be the total from Act 5, SLH 2019, as amended, including transfers, for the respective program and means of financing (MOF). <u>Please note, however, that OEPs will not be required at this time; thus, these instructions should be referenced after you have been notified that OEPs should be prepared.</u>

For the Request for Allotment (**Form A-19**), the appropriation amount must reflect the amount from Act 5, SLH 2019, as amended, <u>not including transfers</u>, as the transfers that were done pursuant to Section 44 of Act 5, SLH 2019, as amended by Act 7, SLH 2020, and Act 9, SLH 2020 (to be known as "Act 5, SLH 2019, as amended"), via journal voucher (by the Department of Budget and Finance (B&F)) must be reflected as transfers on the A-19.

Each department shall submit the following:

- 1. An OEP for each appropriation account authorized by Act 5, SLH 2019, as amended, including transfers, and a separate narrative page indicating program objectives and activities as related to the OEP.
- 2. A Request for Allotment (**Form A-19**) for each appropriation account from the OEP and for each general fund appropriation account authorized by Act 5, SLH 2019, as amended, including transfers.
- 3. A Request for Transfer of Funds (**Form A-21**) for all transfers proposed in the department's OEP, as applicable.

# I. Operational Expenditure Plans

Each department shall submit an initial expenditure plan for each program for which funds have been appropriated pursuant to Act 5, SLH 2019, as amended, including transfers. B&F shall review the expenditure plans, and allotment requests shall generally be approved based on such plans.

For FY 21, as an exception, OEPs do not need to be submitted and reviewed prior to processing of allotment requests, provided allotment requests are within allocated amounts. Be aware, however, that FY 21 OEPs will be due at a later date. Expenditure plans for specific appropriations are not required.

A. Expenditure plan submissions shall consist of the following:

- 1. One copy of the expenditure plan, which shows the quarterly outlay of funds for the appropriation account by personal services, other current expenses, equipment, motor vehicles, and financing agreements (see Sample 1).
- 2. A separate narrative page indicating program objectives and activities. The initiation of any authorized new programs or the improvement of existing services shall be identified separately in the narrative.

This narrative should include data indicating what is to be done, how much is to be done, and other pertinent information relating to activities in each quarter. Utilize measures of work units wherever possible.

The narrative should support and be consistent with the OEP. B&F may request any supplemental information that it deems necessary to properly review and evaluate departmental plans (see Sample 2).

- B. Operational Expenditure Plan format
  - 1. **Appropriation** Show the amounts by cost element in Act 5, SLH 2019, as amended, including transfers, and as reflected in your department's operating budget details.
  - 2. **Current Restriction** Indicate the portion of departmental restriction assigned to the program. Enter restriction amounts by cost element.
  - Net Transfers Reflect the net result of any transfers in or out of the program based on anticipated or approved Requests for Transfer of Funds (Form A-21) and transfers between cost elements in the program (see Sample 3). Use minus signs to show transfers out (do not use plus signs to indicate transfers in).

The transfers should be reflected only in Columns 3 (net transfers) and 4 (current allocation). Do not show transfers in the Appropriation column.

4. **Current Allocation** – In total, the figures in this column should equal your net allocation (i.e., if all your department's OEPs were summarized, the Allocation column total should equal your net departmental allocation).

Any difference between the Allocation and Planned Expenditure Program Total columns is assumed to be departmental savings or deficits.

- 5. Collective Bargaining No collective bargaining (CB) allocations have been provided at this time. However, should CB allocations be issued, enter the allocations from CB acts on Lines 2 (All CB, Other Salary Adjustments) and 5 (Other Cost Items - All) in the Allocation and Planned Expenditure columns, as applicable. It is not necessary to separate the CB amounts by included and excluded on the OEP; however, the breakdown by bargaining unit and by included and excluded must be shown on the back of the full-year A-19.
- 6. Financing Agreements Enter on Line 3 (Financing Agreements) of the OEP all funds for financing agreements as defined in Executive Memorandum (E.M.) No. 96-17. If the funds were budgeted (i.e., submitted in the budget request process on Tables BK), the amounts should be entered in the Appropriations, Allocation, and in the appropriate Planned Expenditure columns (see Sample 1).

If the funds for the financing agreement are unbudgeted (i.e., not submitted on Tables BK in the budget process), enter the amount in the Net Transfers column to indicate movement from the appropriate cost element, the Allocation column, and the affected fiscal quarter columns. Do not enter the amount in the Appropriation column (see Sample 3). A financing agreement may be unbudgeted if: 1) the financing agreement was not anticipated as the vehicle to acquire a budgeted item; or 2) an unbudgeted item is being funded through program savings and is being acquired through a financing agreement.

Regardless of the cost element of the item being acquired through the financing agreement, all amounts should be combined on Line 3 and included in the Total Appropriation lines and on Line 9. Do not include financing agreements on any other line of the OEP.

C. Amended expenditure plans are not required with each revised allotment request, unless requested by the B&F analyst assigned to your department. Only initial and fiscal year-end expenditure plans must be submitted.

Circle the line number of each line of data on your amended expenditure plan that has been changed since the last submittal. A change means: 1) a change to any of the amounts on the line; 2) adding data on a line that was previously blank; or 3) deleting an entire line of data (see Sample 4).

## II. Request for Allotment (Form A-19)

Each department shall submit a Request for Allotment (**Form A-19**) for all funds appropriated or authorized that reflects anticipated expenditures by program; by quarter; by "10" Personal Services or "20" Other Current Expenses (including Financing Agreements); and by fund type and MOF (see Samples 5 and 8). The breakdowns for Personal Services and Other Current Expenses (including Financing Agreements) must match the program's operating budget (BJ and BK) details, unless transfers (not including transfers pursuant to Section 44 of Act 5, SLH 2019, as amended) were identified in the respective OEP. Amendments may be submitted as necessary to reflect changes in anticipated program expenditures.

- A. Request for Allotment submissions shall consist of the following:
  - 1. Original Form A-19 shall be submitted via email in color PDF format from the department's designated email account to B&F at <u>DBF.DOCS@hawaii.gov</u>.
  - 2. Additional information (e.g., CB breakdown) should be noted on the back of the Form A-19 and submitted in color PDF format or submitted as an attached PDF file (e.g., Governor's approval), as applicable, and included in the same email as the Form A-19 (see Sample 6).
- B. Requirements for Request for Allotment (Form A-19) forms are as follows:
  - 1. **Department** Indicate department name.
  - Appropriation Symbol Each A-19 should reflect a single appropriation account.
  - 3. **Appropriation Title and Act No. or Law** Provide the appropriation title, act number, and year of authorization (e.g., Supplemental Appropriations Act, Act 5, SLH 2019, as amended by Acts 7 and 9, SLH 2020) in the space provided. The appropriation title is optional.
  - 4. **Program I.D. No. and Title** Indicate the program ID and title associated with the appropriation symbol.
  - 5. **Fund** Indicate fund type (general, special, bond, or trust).
  - 6. **Means of Financing** Indicate MOF (A for general funds, B for special funds, N for federal funds, etc.).
  - 7. **Comptroller's No. and Date** To be completed by the Department of Accounting and General Services.
  - 8. **Dept. No.** To be completed by the requesting department.
  - 9. **Original or Amendment No.** Indicate if the Request for Allotment is the original (first A-19 for the fiscal year); if not, indicate the amendment number.
  - 10. **Signature** Signature of the authorized preparer.
  - 11. **Appropriation** Reflect only the amounts appropriated or authorized by Act 5, SLH 2019, as amended, <u>not including transfers</u>, or other specific

appropriation. Transfers that were done pursuant to Section 44 of Act 5, SLH 2019, as amended, shall be included in the Allocation column to allow for allotment.

- 12. **Restricted** Enter the amount of departmental restriction assigned to the program, as applicable, by cost element. The 5% restriction, the 5% contingency restriction, and other allocation adjustments, as applicable, should be broken out separately in the A-19.
- 13. **Financing Agreements** Enter all funds for financing agreements, as defined in E.M. No. 96-17, as a separate line item under Other Current Expenses in the Appropriation and other applicable columns.

Enter unbudgeted financing agreements in the Allocation and applicable quarterly allotment columns; do not enter them in the Appropriation column. See Item B.6 above for an explanation of budgeted and unbudgeted financing agreements (see Sample 7).

Do not consolidate financing agreement line items into the Personal Services or Other Current Expenses lines on subsequent amendments to the A-19.

 Allocation for Fiscal Year – Reflect transfers, including CB allocations, separately in the Allocation and applicable quarterly allotment columns. CB should be identified in the Allotment Category Description column as "CB – All, Other Salary Adjustments" and "CB – All, Other Cost Items."

All transfers should be identified as "Trf . . ." Transfers that were done pursuant to Section 44 of Act 5, SLH 2019, as amended, shall be reflected in the Allocation column.

- 15. Additional Fund Authorizations Additional fund authorizations provided in Act 5, SLH 2019, as amended, including transfers, or other specific appropriation acts are to be reflected in the Allocation and applicable quarterly allotment columns. The entry should be identified in Column 1 as "Addt'l. Auth."
- 16. Allotment for Quarter Indicate anticipated expenditures of the program's allocation for the fiscal year by quarter.
- 17. Estimated Balance June 30, 20XX Indicate the fiscal year and the estimated allocation balance at the end of the fiscal year.
- Reversion (Rev) Trust, federal, and other federal fund accounts authorized by Act 5, SLH 2019, as amended, including transfers, shall not be subject to reversion. An "N" should be placed in the reversion column of the Form A-19 for these accounts.

- 19. Departments must also complete the lower section of the A-19, below the Director of Finance signature area, which indicates the accounting transactions required.
- C. Full-Year Requests for Allotment Full-year requests must be accompanied by an OEP and necessary supplemental information. A Request for Transfer of Funds (Form A-21) may be concurrently submitted, as applicable. All required documentation must be submitted as a unit. At this time, only non-general fund programs may submit full-year requests for allotment.

Upon approval of the expenditure plans and Form A-21s, non-general fund allotments shall be made for all quarters subject to a quarterly review of the availability of funds.

D. **Amendments** – Each type of adjustment must be shown on a separate line when submitting an amended allotment request. Do not combine them into one adjustment item.

Each amendment request shall be submitted with written justification on the reverse side of the Form A-19 and any other information as required by B&F. Amended OEPs are not required with amended allotment requests, unless requested by the B&F analyst assigned to your department.

Amendment requests should use the end totals for Personal Services and Other Current Expenses from the latest approved Form A-19 as the starting amounts.

E. Federal and Other Federal Funds – A Federal Awards Management System Award Record ID number shall be noted on the Request for Allotment (Form A-19) for operating and referenced in the CIP allotment request involving federal funds.

Policies and procedures regarding the management of federal funds are posted on <u>federalawards.hawaii.gov</u>.

- F. Improperly prepared A-19s or incomplete submissions shall be returned without action. Departments should consult with the appropriate B&F analyst for further clarification of the required format.
- G. With the exception of the Department of Education and University of Hawai'i, pursuant to Chapter 37, HRS, all aspects of departmental allotment requests shall be reviewed, evaluated, and approved by the Director of Finance to ensure consistency with sound fiscal management practices.
- H. The Comptroller shall maintain control over departmental expenditures to ensure that expenditures shall not exceed the amounts allotted and shall not honor vouchers against program appropriations that have not been allotted.

Only trust, federal, and other federal fund allotments may exceed authorized appropriation levels with the Governor's approval. All other funds may only be allotted up to the authorized amounts in Act 5, SLH 2019, as amended, including transfers, unless otherwise provided by general law.
