INTERFAITH
CALENDAR

DID YOU KNOW?

THE ST. LOUIS COMMUNITY CELEBRATES HUNDREDS OF DIFFERENT RELIGIOUS HOLIDAYS.

Diversity Awareness Partnership's Interfaith Calendar is distributed annually and features observances celebrated across 26 religious traditions. Take one with you to meetings, keep it in your office, bring it to your class, or just have it handy at home. Please use this calendar as a guide to better understand, acknowledge, and respect friends', neighbors', employees' and co-workers' holidays.

To be more accommodating, please consider the following:

FOOD

Halal and Kosher restrictions may apply. Consider vegetarian, non-alcoholic, and non-caffeinated options. During some holidays, individuals will be fasting.

HOURS

Consider allowing flexibility in work/school hours, as some holidays may require individuals to attend their place of worship during the day.

ABSENCE

Some individuals may request to use vacation or personal days for holidays that are not recognized as company or school-wide days off.

DEADLINES

Consider allowing flexibility for deadlines around important holidays, as some individuals may be participating in celebrations or fasting, which could cause decreased stamina.

PRAYER

Consider designating a space for employees or students to pray, as some holidays may require increased prayer throughout the day / evening.

NOTES:

This calendar aims to be as inclusive as possible. Please contact us if you would like the 2018 Interfaith Calendar to include a holiday that is not currently listed.

All content in this calendar is based on information available at the time of production. To the greatest extent possible, holidays based on

lunar phases or other variables that change yearly have been factored into observance dates. The spelling of certain observances may vary as well.

The length of some holidays and the extent to which they are observed may vary according to denominational affiliations or regions.

All Baha'i, Jewish and Muslim holidays begin at sunset the previous day.

We encourage all places of worship to be accessible to persons with disabilities by making necessary accommodations. Contact DAP for additional information.

BUDDHISM

Buddhism is a religion to about 300 million people around the world. The word comes from 'budhi', 'to awaken'. It has its origins about 2,500 years ago when Siddhartha Gotama, known as the Buddha, was himself awakened (enlightened) at the age of 35. There are many different types of Buddhism, because the emphasis changes from country to country due to customs and culture. However the essence of all Buddhist teaching is the Four Noble Truths: 1) Suffering exists 2) Suffering arises from attachment to desires 3) Suffering ceases when attachment to desires cease 4) Freedom from suffering is possible by practicing the eightfold path. The Eightfold Path includes: right view, right thought, right speech, right action, right livelihood, right effort, right mindfulness, right contemplation.

Muhammad, it is claimed was the last of the great prophets which included Adam, Noah, Moses, Jesus and others.
