## OHIO Honors Program

---

Ohio University offers a rich array of honors and scholars opportunities for engaged students through the OHIO Honors Program (OHP) and OHP-designated honors and scholars programs, including the following:

- Appalachian Scholars (requires FAFSA submission)
- Connavino Honors in the Patton College of Education
- Copeland Scholars in the College of Business
- Cutler Scholars Program
- Rankin Scholars
- Scripps Innovation Scholars
- Templeton Scholars Program
- Urban Scholars (requires FAFSA submission)

Find more information about these programs and their unique offerings at [www.ohio.edu/scholars](http://www.ohio.edu/scholars).

### Application Process

All applicants are considered automatically for these programs. For best consideration, students should submit a full and complete application, including an activities list, one or more letters of recommendation, and at least one personal essay. For the essay, you may respond to any one of the Common App Personal Essay prompts, which can be found at [www.commonapp.org/apply/essay-prompts](http://www.commonapp.org/apply/essay-prompts), or you may respond to the following question. Recommended essay length: 250-500 words.

**OHP Question:** Describe an outside-the-classroom experience in which you learned something new or came to understand something familiar in a new way.

Some honors and scholars programs require interviews, and eligible students will be invited to selection days held in early spring semester.

## Honors Tutorial College

---

The Honors Tutorial College (HTC) offers a nationally distinctive undergraduate education based on the British tutorial model developed at Oxford and Cambridge universities. Tutorials consist of courses taught either one-on-one with a student and a professor or a very small seminar consisting of several HTC students and a professor. In general, HTC students take one tutorial per academic semester along with a mix of traditional courses. An education grounded in this approach provides for exceptional faculty mentoring, heightened intellectual development, and experiential learning opportunities. Success in a tutorial program also requires a high degree of maturity, self-motivation, and curiosity. To learn more about HTC, applicants should visit [www.ohio.edu/honors](http://www.ohio.edu/honors) and read the information in the Future Students section.

### Application Process

HTC has an application submission deadline of November 15, 2019, for all materials. On the Ohio University application form, be sure to check the box indicating that you are applying to the Honors Tutorial College and use the major codes specifically designated for HTC degree programs. The College is highly selective, typically enrolling only 75 students each year across all of its programs of study. For best consideration, applicants should follow the OHP application instructions above and answer the following two HTC questions, resulting in at least three essay submissions. Complete the following two Honors Tutorial questions for each Honors Tutorial major you selected. Recommended length is 500 words each.

**HTC Question 1:** Please explain why you have chosen your particular program(s) of study.

**HTC Question 2:** We expect that one reason you seek a tutorial education is for the one-on-one interaction with faculty, but other than that, what interests you about pursuing a tutorial-based undergraduate education? What aspects of your education and life experience have prepared you for a tutorial education with its emphasis on research and creative activity?

Complete applications received by November 15 will be reviewed by Undergraduate Admissions and HTC to determine whether the application will be forwarded to the Director(s) of Studies (faculty members responsible for administering each program of study) for further review. After November 15, 2019, Directors of Studies will select candidates for required on-campus interviews. Applicants who do not receive an invitation to interview for an HTC program automatically will be reviewed for admission to the appropriate OHIO college. Because of the nature of a tutorial education, an on-campus interview with Directors of Studies and faculty tutors is required. Interviews will take place during Honors and Scholars selection days, which are tentatively scheduled for January 24-25, 2020, and January 31-February 1, 2020. Applicants will be assigned an interview date. Applicants interviewing in HTC music, dance, or performance theater will audition on Honors and Scholars selection days. After interviews are completed, offers of admission will be sent to selected applicants by mid-February. Interviewees who are not offered admission to an HTC program will automatically be reviewed for admission to the appropriate OHIO college.

### Recommended Additional Admission Material

Historically, applicants have been able to provide better insight into their abilities by choosing to submit the optional materials below. Applicants who do not submit additional materials by November 15 may be contacted and asked to submit them at a later date. Applicants should not send original artwork or other "one-of-a-kind" materials. Because of the number of applications received, it will not be possible to return materials.

Honors Tutorial College (HTC) applicants: Although the standard Ohio University application allows application to only one program, HTC applicants may apply for two programs of study. If you are applying to a major in HTC and wish to apply for a second HTC major, please select your second major. Note: Only apply for a program if you are seriously interested in pursuing that field of study. Applying for more than one program does not increase your chances of being accepted into HTC. HTC does not offer an undecided option. All applicants must apply and be admitted to a specific program of study. For best consideration, HTC applicants should follow all HTC application instructions on page 4.
