Debit card charges

If you use your debit card for sterling transactions in the UK, Isle of Man, the Channel Islands or Gibraltar, depending on where your account is

Barclays will not charge you for using your debit card for sterling transactions in the UK, Isle of Man, the Channel Islands and Gibraltar, depending on where your account is held, for making purchases, withdrawing cash, or for buying travellers' cheques or foreign currency. A small number of ATM providers may charge a transaction fee but they should tell you about this on-screen before you commit to any transaction (see table above).

If you use your debit card abroad or make a debit card payment in a foreign currency (either abroad or in the UK, Isle of Man, the Channel Islands or Gibraltar, depending on where your account is)

We will charge you a 2.75 per cent Non-Sterling Transaction Fee (increasing to 2.99 per cent from the 12 April 2021) for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

In addition to this fee, if you're making a cash withdrawal in foreign currency outside the UK the ATM provider may apply other charges.

(The Non-Sterling Transaction Fee was previously referred to as "commission" and "foreign exchange charge").

As we explain in our customer terms, we calculate our exchange rate using the reference exchange rate for the Visa card scheme.

Visa converts transactions into sterling using the Visa reference Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place so the rate may differ. You can find a comparison of our exchange rate for certain currencies as a mark-up against the rate published by the European Central Bank in the Barclays App or at the following website:

barclays.co.uk/travel/using-debit-card-abroad/ This is updated twice a day.

You can use our website to help you decide whether you do want to let the retailer or ATM provider undertake the conversion using their rate or if you'd like us to undertake the conversion using our rate.

When using your debit card abroad some merchant terminals or ATMs may offer you the choice of paying for your transaction in sterling. If you choose to pay in sterling the 2.75 per cent Non-Sterling Transaction Fee (increasing to 2.99 per cent from the 12 April 2021) will not apply, but you should always try to find out what the merchant or ATM provider's commission charges are and what exchange rate they are using, as overall it may be more expensive to pay in sterling.

* Some branches may require advance notice if you request cash over the counter which is above your daily cash machine withdrawal limit.

Overdrafts – sterling accounts

An overdraft limit is a borrowing facility which allows you to borrow money through your current account.

There are two types of overdraft - arranged and unarranged.

- An arranged overdraft is a pre-agreed limit, which lets you spend more money than you have in your current account. It can be a safety net to cover short-term outgoings, like an unexpected bill. It is not suitable for longer-term borrowing. We charge you for every day of the month that you use your arranged overdraft where you go beyond any fee-free limit you may have.
- An unarranged overdraft is when you spend more money than you have in your current account and you have not agreed an arranged overdraft limit with us in advance or you have exceeded an existing arranged overdraft limit.

Arranged overdrafts

If you have an arranged overdraft with us you will only pay interest on balances up to your arranged overdraft limit.

Interest is charged on any arranged overdraft you use (unless you are within any interest-free amount that applies to your account). It is calculated for each day that you are overdrawn and charged to your account monthly. You can find the rate of interest you have been charged for your arranged overdraft on your bank statement.

On the Premier World Account, no interest is payable on arranged overdrafts up to £100. Interest is charged when you go over your £100 interest free amount, up to your arranged overdraft limit.

Representative Example

0% interest (variable) payable on arranged overdrafts up to £100.

If you use an arranged overdraft above this amount, the annual rate of interest is 35.0% (variable).

31.8% APR Representative (variable), based on a £1,200 overdraft balance.

How does our overdraft compare?

A good way to compare the cost of our overdraft with other overdrafts or other ways of borrowing is to look at the APR. The APR shows the cost of borrowing over a year.

Interest charges for other account types can be found in the Barclays tariff for personal customers on [barclays.co.uk](https://www.barclays.co.uk).

Unpaid transactions

You can only make payments from your account if you have enough money in your account or through an arranged overdraft to cover them. Barclays will always attempt to return any transaction that could take your account into an unarranged overdraft position. Having enough money in your current account or having an arranged overdraft limit could help prevent payments such as priority bills from being returned unpaid.

We will not charge you if we refuse a payment due to lack of funds.

On very rare occasions we may be unable to return a payment (e.g. due to an offline transaction made on a flight) and the account may enter an unarranged overdraft. No additional charges will be applied in this situation.

Information regarding the conduct of your account may be sent to credit reference agencies. As with any debt or borrowing, this may affect your ability to get credit in the future.

Overdrafts – euro and US dollar

Arranged overdrafts

If you have a US dollar or euro arranged overdraft you will only pay interest at the arranged rate on the overdrawn balance.

You can overdraw up to your agreed limits at any time but you should not be permanently overdrawn by the whole amount. We are entitled to withdraw your arranged overdraft at any time and require you to re-pay the amount outstanding under it.

Overdraft charges

Account	Interest rate	Equivalent annual rate typical (variable)
\$ Premier World Account overdrawn up to arranged overdraft limit	8% per annum	8.2%
\$ Premier World Account overdrawn without arranged overdraft limit or beyond arranged overdraft limit	0% per annum	0%
€ Premier World Account overdrawn up to arranged overdraft limit	9% per annum	9.3%
€ Premier World Account overdrawn without arranged overdraft limit or beyond arranged overdraft limit	0% per annum	0%

Other information

Charging dates (applicable to sterling bank accounts)

We will apply our fees and interest charges as follows:

- Debit interest is calculated on the daily statement balance.
- You will be notified of any debit interest charges that you incur during a month in your next monthly statement.
- The monthly charging period always closes two days before the statement issue date.
- You will be given at least 14 days from the date of your statement before any debit interest charges that you have incurred during the preceding month are debited from your bank account.

Barclays is a responsible lender, and when considering your application for borrowing, your financial circumstances will be appraised. Remember, should you run into any difficulties please contact us immediately. For credit facilities a written quotation can be requested from your Barclays International Banking Centre.

Cheque clearing

What is the cheque clearing cycle and how long does it take?

When you pay a cheque into your account it has to be sent to the drawer's bank for payment, for that bank to decide if it will honour the cheque. It may not if, for example, the person who gave you the cheque hasn't enough money in their account. This process is known as the cheque clearing cycle and normally takes two working days. You will start to earn interest on any cheque credit from day 1 after the cheque has been deposited (Day 0), and will also be able to withdraw funds by 23:59 the following working day after deposit.

Many branches have a cut-off time, after which cheques paid are processed the following working day. Cut-off times are available in branches. Working days are Monday to Friday (excluding bank holidays).

Days which are only bank holidays in Scotland are treated as working days for cheque clearing purposes throughout the UK. However, for cheques deposited in Northern Ireland, days which are bank holidays in Northern Ireland are not treated as working days. Available funds can be withdrawn on a Saturday or Sunday, either from branches which are open or from cash machines.

Unpaid cheques

If a cheque is returned unpaid, the value of it will be debited from your account even if you have withdrawn the money in the meantime. However, you can be certain that an unpaid cheque will not be debited from your account later than two working days after deposit without your permission or unless there is a suspicion that a fraud has been committed.

Building Society cheques are treated like any other cheque and take the same amount of time to clear. They can also be returned unpaid for a variety of reasons.

If you pay in cash or cheques at the Post Office to your Barclays account, it takes two working days longer to clear than if you paid them in at a Barclays branch.

Direct debits

A direct debit is an instruction from a client to their bank or building society authorising an organisation to collect varying amounts from their account, as long as the client has been given advance notice of the collection amounts and dates.

Direct debits are used for collecting a variety of regular and occasional bills, including utility payments, insurance, council tax, mortgages, loans and subscriptions. The Direct Debit Scheme protects you and your money by means of the Direct Debit Guarantee.

This Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own bank or building society. If the amounts to be paid by direct debit or the payment dates change, the organisation collecting the payment will notify you normally ten working days in advance of your account being debited or as otherwise agreed.

If an error is made by the company or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid. You can cancel a direct debit at any time by writing to your bank or building society. Please also send a copy of your letter to the originator/company. Further information can be obtained from www.directdebit.co.uk

Faster Payments Service (FPS)

FPS is an electronic payments clearing scheme for sending money within the UK. It will allow participating banks to provide their customers with a service to send low value electronic payments that will reach beneficiaries' accounts the same day, with the majority of payments being completed within two hours. FPS will run alongside the existing CHAPS payment scheme in the UK and will operate 24 hours a day, 7 days a week, and 365 days a year.

The Service is available within Barclays International Banking for telephone, internet, written, faxed and face-to-face payment instructions.

- Where the receiving organisation operates on a collection account basis e.g. credit card accounts or utility companies, the payment may not be credited to a specific account on the same day.

A list of banks that participate in the FPS can be found on

www.ukpayments.org.uk/faster_payments_service

SEPA Credit Transfer (SCT)

The Single Euro Payments Area (SEPA) is a major initiative to create a single integrated payments system for euro payments across the SEPA countries (EU countries and their territories (including UK Crown Dependencies), Iceland, Liechtenstein, Norway, Monaco, San Marino and Switzerland) to allow you to make domestic and cross-border euro payments within Europe.

The SEPA Credit Transfer service is available to customers from our London, Jersey, Guernsey, Isle of Man, Gibraltar, Switzerland and Cyprus centres. To send payments by SEPA Credit Transfer(SCT) the payment must:

- be in euros
- be sent to a bank in a SEPA country which is a member of the SCT scheme
- include a valid IBAN for the beneficiary's account
- include a SWIFTBIC if the payment is to a non-EEA country

If you request a SCT and we are unable to route it via SEPA we will send it as an international payment

Standing orders

With a standing order you make the request for a regular payment, rather than the organisation taking the payment. If you want to amend or cancel your original instruction you can do so at any time by contacting us up to the working day before the payment is due to be taken from your account. Payments made by standing order are subject to a payment limit of £100,000 and will normally arrive the same day providing the recipient's account accepts Faster Payments.

Cut-off times

We'll always try to be clear with you about how long it's going to take for us to do what you ask. Our working days are generally Monday to Friday except public holidays. We'll start work on your instruction to make a payment on the same working day we receive it, except if it is after the cut-off time for accepting new instructions for that day. In that case, we'll process it the next working day. Different types of payment instructions have different cut-off times.

If we receive your payment instruction on a public holiday or at the weekend, we'll usually process your instruction on the next working day, unless we can process it as a Faster Payment. In that case, we'll process it on the same day.

The table below gives you information on the timings of your payment.

- It shows the cut-off time for you asking us to make a payment.

Glossary of terms

To make it easier for customers to understand what fees apply for services they use, Banks and Building Societies are using 'standardised terms'. These are intended to help customers compare the cost of service more easily. The standardised terms and their meaning are set out below.

Term	Definition
Maintaining the account	The account provider operates the account for use by the customer.
Arranged overdraft	The account provider and the customer agree in advance that the customer may borrow money when there is no money left in the account. The agreement determines a maximum amount that can be borrowed, and whether fees and interest will be charged to the customer.
Unarranged overdraft	The customer borrows money when there is no money left in the account (or when the customer has gone past the arranged overdraft limit) and this has not been agreed with the account provider in advance.
Refusing a payment due to lack of funds	The account provider refuses a payment from the customer's account because there is not enough money in it (or it would take the customer past their arranged overdraft limit).
Allowing a payment despite lack of funds	The account provider allows a payment to be made from the customer's account although there is not enough money in it (or it would take the customer past their arranged overdraft limit).
Direct debit	The customer permits someone else (recipient) to instruct the account provider to transfer money from the customer's account to that recipient. The account provider then transfers money to the recipient on a date or dates agreed by the customer and the recipient. The amount may vary.
Standing order	The account provider makes regular transfers, on the instruction of the customer, of a fixed amount of money from the customer's account to another account.
Sending money within the UK	The account provider transfers money, on the instruction of the customer, from the customer's account to another account in the UK.
Sending money outside the UK	The account provider transfers money, on the instruction of the customer, from the customer's account to another account outside the UK.
Receiving money from outside the UK	When money is sent to the customer's account from an account outside the UK.
Cash withdrawal in pounds in the UK	The customer takes cash out of the customer's account in pounds at a cash machine, bank or Post Office in the UK.
Cash withdrawal in foreign currency outside the UK	The customer takes cash out of the customer's account in foreign currency at a cash machine or, where available, at a bank outside the UK.
Debit card payment in a pounds	The customer uses their direct debit to make a payment in pounds. This can be in a shop, online or over the phone.
Debit card payment in a foreign currency	The customer uses their debit card to make payment in foreign currency. This can be in a shop, online or over the phone.
Cancelling a cheque	The customer asks the account provider to cancel a cheque that the customer has written.

Additional information

Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a saving account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names.

Barclays Bank UK PLC also trades under Barclays, Barclays Business Banking, Barclays Premier Banking and Barclays Wealth Management. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained at [fscs.org.uk](https://www.fscs.org.uk)

Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St. Botolph Street, London EC3A 7QU, Tel: 0800 678 1100* or 020 7741 4100,* email: ICT@fscs.org.uk.

It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2023; and within seven working days from 1 January 2024 onwards; save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within seven working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within five working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained at fscs.org.uk

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
