The Aline Card— the better way to get your pay and manage your money

The Aline Card by ADPSM is a pay card that makes every payday a faster, easier experience for you. Your employer offered the Aline Card as an option for how you get paid (instead of a paycheck). When you opt in, you'll receive your personalized Aline Card in the mail. All you have to do is activate the card and you can begin using it right away. Besides being a better way to receive your pay, the Aline Card also gives you more options for managing your money and simplifying your life.

GET YOUR PAY INSTANTLY ON PAYDAY

If you choose the Aline Card, your pay will be direct deposited electronically onto your card by your employer every payday, so it's instantly available to you on that day. That means, for example, that you can withdraw money surcharge-free from an ATM on payday.

SAVE TIME AND CUT OUT HASSLES

Since your money is deposited directly onto your Aline Card, you don't have to come into work to pick up your paycheck when you're sick, on vacation or taking a day off. Plus you can:

- Pay bills online or by phone, which means you don't have to stand in line and pay bills in person
- Make purchases at millions of locations worldwide wherever Visa Prepaid cards are accepted
- Get cash back at the register at many retail locations
- Pay by check with Aline Check by ADPSM where cards are not accepted
- Access cash at over 60,000 ATMs, including Allpoint, MoneyPass, PNC Bank locations nationwide*

LOAD ADDITIONAL MONEY ONTO YOUR CARD

You can load money onto your card at thousands of retail locations by purchasing a Green Dot MoneyPak[®].** Visit mycard.adp.com to learn more.

MANAGE YOUR MONEY WITH EASE

The Aline Card helps you track your spending and stretch your dollars because it lets you:

- Check your account balance online via your own secure account at mycard.adp.com
- Get account balances via email and text message alerts
- Transfer money to other accounts

You can also request a second Aline Card for a trusted user such as a spouse or other family member.

Remember, easy access to your account balance helps you avoid spending more than you have.

BE SAFE AND SECURE

With your money safely on your Aline Card, you can avoid carrying around large sums of cash, which can be risky. But remember that since your money is always on your pay card, it's always available to you. Plus, if your Aline Card is lost or stolen, Visa's Zero Liability policy protects your funds from unauthorized purchases.***

KEEP MORE OF YOUR MONEY

Your Aline Card helps you avoid paying fees to cash your paycheck, buy money orders or pay bills. The card also gives you access to brand name retail and restaurant discounts via Visa Rewards Online.

KEEP YOUR ALINE CARD—IT'S YOURS

Your Aline Card is not tied to a particular employer; it belongs to you even when you change jobs. So you can put money onto it from a new employer, as well as other sources, such as government benefits, other jobs, tax refunds or other forms of electronic payment.**

WHY SHOULD I CHOOSE THE ALINE CARD OVER A PAYCHECK?

Simply put, the Aline Card is the shortest distance between you and a better payday. Your money is available immediately. You don't have to pay a fee to get your money at a check-cashing store. You can get cash from ATMs and at the register. You can pay bills online instead of standing in line and waiting to pay in person. With a paycheck, your options are limited. So the question really is why wouldn't you choose the Aline Card?
