## GATOR MATHLETES : Math Club

High school tutors team up with students to tutor them in Math, whether that is helping them in weaker areas or advancing ahead of current grade level. Mathlete test can be administered, if explicitly requested by parent. This club is a way for young students to become engaged in Math with higher level students, and hopefully realize that Math is fun and interesting. We will also have a separate group this year for 5 <sup>th</sup> graders planning to take the Math placement test in middle school (test run year)
