

Irene Ransom Bradley School of Nursing 2022 BSN Application

Dear Applicant:

Thank you for your interest in applying to the upper division major in our baccalaureate nursing program. The faculty and staff of the Irene Ransom Bradley School of Nursing are proud of the quality of our nursing programs, which is reflected in our exceedingly high student outcomes. Pittsburg State University's pre-licensure BSN pass rate on the national board examination (NCLEX) is consistently higher than the State of Kansas average and our attrition rate is the lowest of BSN programs in Kansas. In addition, we have the highest percentage of full-time faculty in a BSN program in Kansas.

Please note that the deadline for application and transcript submission for Fall 2022 is December 1, 2021.

It is the responsibility of the applicant to be sure all items on the check sheet are completed by the December 1st deadline. Applications, which are incomplete on December 1, 2021, will not be considered by the BSN Committee in the first round of selection for a seat in the Fall 2022 junior cohort. Completed application packets received after the December 1st deadline will be considered if spaces become available.

If you have any questions about our program, or the application process, please feel free to contact us at 620-235-4431 or you may e-mail the school administrative associate at beccat@pittstate.edu.

Sincerely,

Cheryl Giefer, PhD, APRN, FNP

Written requests will only be accepted per registered mail. The request must be accompanied by a written explanation to assist in arriving at a fair decision. Granted or denied waivers or exceptions will be made in writing in formal letter and will be sent per registered mail. The School of Nursing assumes no responsibility to grant waivers or exceptions that are not made according to this protocol. - Applicants who receive conditional acceptance into the program will be required to communicate acceptance of their space in the program by completing and returning, by the specified deadline, the “Hold My Space” form that is included with the Admit with Conditions letter the student applicant receives. At the time the “Hold My Space” form is due to be returned to the School of Nursing, partial payment of the BSN Standardized Testing Package cost is due. The partial payment of \$400.00 will be due at that time. This is necessary so that the School of Nursing can order student testing packages used by each student throughout the program. Failure to submit the partial payment will result in forfeiture of one’s seat in the program.

- Applicants who are granted conditional acceptance into the program will be required to meet in person with a PSU Nursing advisor by the end of April. Failure to do so could result in the applicant forfeiting their seat.
- One or more orientation sessions will be required prior to starting classes.
- After conditional admission to the School of Nursing, but prior to beginning fall nursing classes, you will be required to submit to a State of Missouri fingerprint search.

COVID-19 Vaccination Statement for Nursing Program Applications

Although the COVID-19 vaccine is not currently mandated by Pittsburg State University and the Irene Ransom Bradley School of Nursing, **the majority of our clinical contracts with health care agencies are now requiring proof of vaccination for students and faculty**, temporary employees, volunteers, and others who work or engage in clinical experiences in their hospitals and clinics.

Applicants to the pre-licensure BSN program will be expected to provide vaccination status, including the COVID-19 vaccine, prior to Junior Orientation, which is held annually during the first week of June. In the event that a student chooses to decline the COVID-19 vaccine, it is their responsibility to notify the Director of the School of Nursing prior to this date.

It should also be noted that while there are few hospitals currently not requiring students to have proof of COVID vaccination, the requirements for vaccination could change at any time.

The Irene Ransom Bradley School of Nursing adheres to guidelines for national accreditation and approval by the Kansas State Board of Nursing and these guidelines require students to complete a specific number of clinical hours for graduation. Without proof of COVID-19 vaccination, it may not be possible to complete the required number of clinical hours in the nursing curriculum. **Thus, declining the COVID vaccine may prevent the student from completing the necessary clinical hours and may delay or prevent completion of the pre-licensure BSN program.**

If circumstances allow the student to be placed at a hospital not requiring COVID-19 vaccination, but requiring weekly COVID testing prior to a clinical day, the cost of the COVID testing will be the responsibility of the student.

By my signature below, I acknowledge that I have read and understand the COVID-19 Vaccination Statement for Nursing Program Applicants
