

Isagenix Pak Options

(with script)

- The pak for **Business Builders** is our **ULTIMATE PAK**, which costs approximately \$40 per day.
- The **Best Pak** is the **Value Pak**, approximately \$20 per day.
- The **Better Pak** is the **30-DAY PREMIUM Pak**, approximately \$14 per day.
- The **Good Pak** is the **30 Day Weight-loss System**- (highly suggested to add IsaDelights) approximately \$11 per day. (without IsaDelights is approximately \$9 per day)

When discussing the Pak options use this easy script for optimum success. Always start someone on one of these Paks and then use one of the "custom paks" for their autoship.

You can follow this exact script or use it as a guide.

*(*IF YOU ARE TALKING TO SOMEONE INTERESTED IN THE BUSINESS...)*

use this script:

*"After seeing all of the posts in Amplified Health, I know you will ask, "How should I get started?" I always recommend the **ULTIMATE PAK** because it gives you everything you need for the very best transformation, including meal replacements, all of the adaptogenic drinks, everything for the **Bedtime Belly Buster**, along with **Brain & Joint Support**. Plus, it is a tax write off, so you pay for it with pre-tax money instead of post-tax money."*

(THIS IS THE SCRIPT TO USE FOR PEOPLE INTERESTED IN THE PRODUCTS)

Script:

**"After seeing all of the posts in Amplified Health, I know you will ask,
"How should I get started?" I always recommend the VALUE PAK because it
gives you everything you need for the very best transformation**

**Our best pak ~ the VALUE PAK will assist you in reinventing your relationship with food as
you begin your journey to recapture your health.**

It contains 3 essential systems in a single box.

- **One system replaces 2 out of your 3 meals per day (for an entire month!)**
- **The next system addresses your need to have healthy snacks throughout your day.**
- **The third system addresses your mineral and vitamin needs. In order to have our bodies function at their maximum capability, we need to be sure it is nourished with vitamins and trace minerals that are found in our Complete Essentials and missing from our grocery foods.**

Our 2nd Pak is the 30-DAY PREMIUM PAK which contains 2 essential systems in a single box.

- **One system replaces 2 out of your 3 meals per day (for an entire month!)**
- **The next system addresses your need to have healthy snacks throughout your day.**
- **It does not contain the 3rd system which addresses your mineral and vitamin needs. It does not contain the vitamins.**

Our 3rd pack is the 30-Day Basic Pak

- **this Pak has only 1 of the 3 essential systems ~ the 2 meal replacements per day for the entire month. It does not include the IsaDelight chocolates... I highly recommend adding the IsaDelights to this Pak if it is your choice as they help during cleanse days.**

***You can add individual items to any Pak and receive a discount if you are set up on Autoship**
