- Nylon/fabric (optional)
- Embellishments (optional)
- Yarn needle

## SKILL LEVEL

Intermediate

## SIZES/FINISHED MEASUREMENTS

7" x 12"

## GAUGE

Gauge is not critical to this project, but stitches should be tight enough stuffing doesn't show through.

## NOTES

1. Similar #4 weight yarns may be substituted; please check gauge. Yarn substitutes include Hobby Lobby I Love This Yarn! (acrylic or cotton), Loops & Threads Capri, and Lion Brand Feels Like Buttah.
2. This pattern is worked in amigurumi style, in a spiral without slip stitching or turning chains, unless indicated. Use a st marker or waste yarn to keep track of the 1<sup>st</sup> stitch of each round.
3. This amigurumi is made from multiple pieces sewn together. Some of the pieces are made incrementally from other pieces. To avoid confusion, make pieces in order.
4. Pin pieces in place before sewing together to find the perfect position and avoid pieces moving.

5. Use preferred method of securing plastic pellets; they should not be left loose inside body. Designer used an old sock, but nylons or sewn fabric pouches are great options as well.
6. Only a small amount of colors C-F are used; use scrap yarn if possible.

## SPECIAL STITCHES

**rev sc** (reverse single crochet) = *sc worked from left to right*; insert hook from front to back under top loops of next to right, yo, pull up loop, yo, pull through 2 loops

## SPECIAL STITCHES

**small bobble** = yo, insert hook in indicated, yo, pull up loop, yo pull through 2, [yo, insert hook in same, yo, pull up loop, yo, pull through 2 loops] 2 times, yo, pull through 4 loops on hook

**large bobble** = yo, insert hook in indicated, yo, pull up loop, yo pull through 2, [yo, insert hook in same, yo, pull up loop, yo, pull through 2 loops] 3 times, yo, pull through 5 loops on hook

## NOTES

1. Similar #3 weight yarns may be substituted; please check gauge. Loops & Threads Joy DK, Bernat Softee Baby, and Yarn Bee Sweet Delight.
2. 3.0mm crochet hook was used by designer. Closest hook size was used in this pattern. Adjust as needed.
3. This pattern is worked in amigurumi style, in a spiral without slip stitching or turning chains, unless indicated. Use a st marker or waste yarn to keep track of the 1<sup>st</sup> stitch of each round.

4. This amigurumi is made from multiple pieces sewn together. Some of the pieces are made incrementally from other pieces. To avoid confusion, make pieces in order.
5. When decreasing, use the invisible decrease technique.
6. Pin pieces in place before sewing together to find the perfect position and avoid pieces moving.
