# Precision performance for your business.

---

Introducing the new professional range of monochrome laser printers from Brother. Simply watch them perform and you'll see they mean business.

Brother's new range offers everything you expect from a professional printer, including high quality output, print and scan speeds of up to 50ppm, superb reliability and low total cost of ownership.

It also offers something you won't expect - the ability to fit in virtually anywhere and get to work fast.

That's because this range has been developed with the flexibility to adapt to the different requirements of virtually any size office, and the capability to be customised via open interface software to integrate with any type of network.

With printers this adaptable on your team, the possibilities are endless.

---

# Designed to perform in every department.

---

We believe that technology should meet the changing needs of businesses. To help us achieve this, we've listened to what our customers want and developed new products to not just meet, but exceed their requirements.

Within this monochrome laser range from Brother, you'll find solutions designed to work at every level of your organisation.

#### **More control for IT Departments**

With Brother Solutions Interface (BSI) on board, the range allows bespoke software solutions to be easily implemented and is server-run for easy deployment across a range of devices. It also allows customisation of device user interfaces, granting full control of print, scan and other functions for complete integration.

#### **Better economy for the Finance Department**

Enterprise-level office technology is now available without the enterprise-level price tag. Near Field Communication (NFC) gives you better document security and improved user authentication for pull printing without expensive card readers. Plus, cost per page is lowered thanks to longer-lasting toner and more efficient design.

#### **Improved business efficiency for CEOs**

With fast A4 print and scan speeds of up to 50ppm, long waits for the printer become a thing of the past. And, the large 12.3cm touchscreen (MFC models), featuring a more intuitive user interface, helps to speed things up too.

Additionally, options such as extra paper input trays, mailbox with sort and stack function, and up to four output trays also help to reduce time spent loading paper and collating output.

#### **Excellent print quality and reliability for everyone**

Of course there's no point employing a professional print solution that doesn't deliver exceptional results. So another thing you can rely on is a crisp, sharp monochrome print quality that's amongst the best you'll find in a printer in this class – plus reliability levels that mean it delivers day in day out, month after month.

---

# Built to deliver at every level.

---

Brother's monochrome laser range isn't just packed with features. It's loaded with benefits designed to take your business to the next level.

- User-friendly 12.3cm touchscreen makes operation both intuitive and easy<sup>†</sup>.
- Fast Gigabit Ethernet network speed to keep data flowing.
- Less time waiting for prints with output speed of up to 50ppm.
- Impressive print volumes of up to 10,000 pages per month to keep up with the busiest workgroups.
- Paper input options flexible enough to adapt to the most demanding requirements with optional 520 x 2 / 250 x 3 / 520 x 4 Tower Tray<sup>†</sup>.
- Install the optional 4 bin mailbox unit and gain an additional 4 paper output trays for fast, convenient document collation<sup>†</sup>.
- Advanced paper output options including 250 standard output tray, output sensor and optional mailbox.
- Advanced colour scanning capabilities with 80 Sheet ADF to handle up to 50ppm and up to 100ipm 2-sided scanning to get large volume documents scanned fast.
- Large memory of 1GB\*\* handles multiple documents from various users for minimum disruption to workflow.
- Toner cartridges go further with economical up to 8k page inbox toner with optional up to 20k page ultra high yield cartridges\*<sup>†\*\*\*\*</sup>

\* Approximate cartridge yield is declared in accordance with ISO/IEC 19752

\*\* MFCL6900DW Only

# Thinking big with Brother.

---

At Brother, our customers' business is our business. We're dedicated to overcoming obstacles to productivity and creating new solutions to print problems.

That's why choosing us as your print partner can make a big difference all round.

Built on Brother's proven track record in monochrome laser printers, this range is designed to provide improvements in four key areas:

## 1. Reliability

This range is built to perform, with up to 150,000 maximum monthly duty cycle (up to 10,000 recommended monthly volume) to meet the demands of high output workgroups. Units have also been enhanced - they are more resilient and can handle the knocks and bumps of busy workspaces.

## 3. Workflow

Design improvements include an 80-page auto document feeder that enables high speed 2-sided scanning straight into a document management system for less queuing and more doing. Along with a more intuitive interface, improved support for different media, and connectors to popular cloud-based services such as Microsoft SharePoint, it's just what your workgroups have been waiting for.

## 2. Productivity

With an impressively quick print speed of up to 50ppm, working fast comes naturally. They work harder too, with paper input of up to 2,650 and output capacity of up to 1,050 sheets using the optional mailbox with stacker and sorter functions.

## 4. Security

Savvy businesses should settle for nothing less than the highest levels of security. Active Directory integration, Secure Function Lock 3.0 and Internet Protocol Security (IPsec) ensure they are achieved. For added peace of mind, the range also features Print Archive, Secure Reset, Certificate Management and Near Field Communication (NFC) functionality for secure user access and authentication.

# Flexible hardware, adaptable software.

## Convenient paper handling options

To satisfy your business' document handling needs, you can configure your printer a number of ways that will in turn allow you to improve paper input and output collation.

These include:

### Input

- Maximum paper input level of 2,650 sheets with tower tray

### Output

- Mailbox assigns bins to users or groups using time-saving sorter and stacker features (up to a maximum of 1,050 sheets)

## Designed to integrate

This feature-rich range will fit seamlessly into any size network used by workgroups big and small thanks to its:

- Open interface for maximum software customisation potential
- Ultimate connectivity thanks to cloud connectivity and Brother Solutions Interface

## A low total cost of ownership

We've equipped this range with features designed to turn heads. We've also made sure the total cost of ownership gives you an even bigger advantage over the competition.

In fact, with new Brother ultra high yield cartridges, up to 20,000 pages can be printed before you need to replace the cartridge, keeping your running costs down.

# At your side

We're proud to have been consistently rated the #1 print brand for service and support by New Zealanders.\* Our commitment to businesses doesn't stop after they've purchased a Brother business machine. We see ourselves as an ongoing business partner, providing continued support so they can have peace of mind.

We know that businesses have unique demands, so we've introduced ongoing service and support, which is tailored specially for their needs. We offer **free delivery, installation and recycling** on the multifunction devices in our new mono laser business range, plus the top-of-the-line single function HLL6400DW. Even better, we can **remotely monitor toner levels** and make businesses aware when they're running

low, so they're never caught out. This means they can concentrate on the day-to-day running of their business.

When businesses purchase a Brother machine and our genuine inks or toners, we'll support them every step of the way with our **3-year onsite warranty commitment**, unrivalled by other print brands.\*\* If we can't solve their problem over the phone, we'll send an approved Brother Service Technician to repair their machine – free of charge.

We also have an **after-sales support team based right throughout New Zealand**. We're proud to be the only print brand with a **local helpdesk operating 7 days a week**. That means customers have convenient access to our service and support team and minimal wait time, no matter where they live.

# Business-centric printers built for high print volumes

With a wide range of versatile models to choose from, high-quality, high-volume monochrome printing is now within reach of businesses big and small.

## MFCL6900DW\*\*

Up to 50 ppm print and scan speeds, copy and fax capability plus paper tray upgrade options make the MFCL6900DW a key team member in busy offices.

- Print, Scan, Copy, Fax
- Up to 10,000 pages recommended monthly print volume
- Up to 50ppm (100ipm) Scan speed
- 520 Sheet Paper Input + 50 sheet Multi-purpose
- 250 Sheet Paper Output
- 80 Sheet ADF (Automated Document Feeder)
- 12.3cm Touchscreen
- NFC (Near Field Communication) for mobile print & card authentication
- USB, Wireless & Gigabit wired Network
- Up to 20k Toner (8k inbox)\*
- 2 x Optional 250 Sheet Lower Tray / 2 x Optional 520 Sheet Lower Tray / 520 x 4 Tower Tray

## HLL6400DW\*\*

Fast 50ppm print capability make this model a capable performer that's also versatile enough to handle extra paper trays and 4-bin mailbox if required.

- Print
- Up to 10,000 pages recommended monthly print volume
- 520 Sheet Paper Input + 50 sheet Multi-purpose
- 250 Sheet Paper Output
- 4.5cm Touchscreen
- NFC (Near Field Communication) for mobile print & card authentication
- USB, Wireless & Gigabit wired Network
- Up to 20k Toner (8k inbox)\*
- 3 x Optional 250 sheet Lower Tray / 2 x Optional 520 sheet Lower Tray / 520 x 4 Tower Tray
- Optional 4-bin Mailbox

\*Approximate cartridge yield is declared in accordance with ISO/IEC 19752 \*\*Products shown with optional accessories

Model shown with optional tower tray, mailbox and stabiliser base.

**MFCL6700DW\*\***

With a 46ppm print speed and optional paper tray upgrades to serve larger workgroups, Brother's MFCL6700DW will make a sizeable difference to your business.

- Print, Scan, Copy, Fax
- Up to 5,000 pages recommended monthly print volume
- Up to 28ppm (56ipm) Scan Speed
- 520 Sheet Paper Input + 50 sheet Multi-purpose
- 150 Sheet Paper Output
- 70 Sheet ADF (Automated Document Feeder)
- 12.3cm Touchscreen
- USB, Wireless & Gigabit wired Network
- Up to 12k Toner (3k inbox)\*
- 2 x Optional 250 sheet Lower Tray / 2 x Optional 520 sheet Lower Tray

**MFCL5755DW\*\***

With a 40ppm print speed and scan, copy, fax and mobile print capabilities, Brother's MFCL5755DW monochrome laser printer offers increased business efficiency like never before.

- Print, Scan, Copy and Fax
- Up to 3,500 pages recommended monthly print volume
- Up to 24ppm (48ipm) Scan Speed
- 250 Sheet Paper Input + 50 sheet Multi-purpose
- 150 Sheet Paper Output
- 50 Sheet ADF (Automated Document Feeder)
- 9.3cm Touchscreen
- USB, Wireless & Gigabit wired Network
- Up to 8k Toner (2k inbox)\*
- 2 x Optional 250 sheet Lower Tray / 2 x Optional 520 sheet Lower Tray

**HLL6200DW\*\***

Transform your business thanks to 46ppm print speeds, a combined paper input of 570 sheets, and exceptional paper handling options.

- Print
- Up to 5,000 pages recommended monthly print volume
- 520 Sheet Paper Input + 50 sheet Multi-purpose
- 150 Sheet Paper Output
- 1 line LCD
- 256MB
- USB, Wireless & Gigabit Wired Network
- Up to 12k Toner (3k inbox)\*
- 3 x Optional 250 sheet Lower Tray / 2 x Optional 520 sheet Lower Tray

**HLL5200DW\*\***

Featuring fast print speeds of up to 40ppm and a 300 sheet paper input, Brother's HLL5200DW monochrome laser printer will meet, then exceed your expectations.

- Print
- Up to 3,500 pages recommended monthly print volume
- 250 Sheet Paper Input + 50 sheet Multi-purpose
- 150 Sheet Paper Output
- 1 line LCD
- 256MB
- USB, Wireless & Wired Network
- Up to 8k Toner (2k inbox)\*
- 2 x Optional 250 sheet Lower Tray / 2 x Optional 520 sheet Lower Tray

**HLL5100DN\*\***

Featuring 40ppm print speed and a combined paper input of 300 sheets with excellent paper handling options, the HLL5100DN meets your challenges and ensures seamless workflow.

- Print
- Up to 3,500 pages recommended monthly print volume
- 250 Sheet Paper Input + 50 sheet Multi-purpose
- 150 Sheet Paper Output
- 1 line LCD
- 256MB
