Jabra Elite Active 65t earbuds

On-the-go charging case

2.1 Included accessories

EarGels

Micro-USB cable

3. How to wear

Insert the earbud into your ear and rotate to fit comfortably. Ensure the microphone is pointing towards your mouth.

3.1 Changing EarGels

For the optimal audio experience, it is recommended to try each of the different EarGel sizes. The fit should feel tight and secure in your ear. The medium EarGel is pre-mounted on the earbuds. Ensure the EarGel is firmly attached.

4. How to charge

With up to 5 hours of battery in the earbuds, and 2 recharges in the charging case, the Jabra Elite Active 65t offers up to 15 hours of playtime.

4.1 Opening the charging case

Firmly hold the charging case and press the small tab on the lid while opening the lid.

4.2 Charging the earbuds

Place the earbuds in the charging case and close the lid. The battery LED inside the charging case will flash red, yellow or green when the lid is opened to indicate the earbuds current battery status.

It takes approx. 2 hours to fully recharge the earbuds. If the earbuds are at low battery, you will get up to 1 hour of playtime by charging them in the charging case for 10 to 20 minutes.

4.3 Charging the charging case

Plug the charging case into a USB power supply or certified wall charger. It takes approx. 2 hours to fully charge the earbuds and the charging case.

Cradle is designed to charge using standard USB voltage. (5v +/- 0,25v). It is not recommended to charge product using power supplies/sources with higher voltage.

Note: non-certified chargers may take longer to charge.

4.4 What the LEDs mean

EARBUD STATUS

- High battery/On
- Medium battery
- Low battery/Off
- Pairing
- Resetting

EARBUD BATTERY STATUS

- High battery
- Medium battery
- Low battery

CHARGING CASE STATUS

- High battery
- Medium battery
- Low battery
- Firmware updating

5. How to pair

5.1 Pairing with a smartphone

1. Ensure the right earbud is turned off and not in the charging case. To manually turn off the earbud, hold the **Multi-function** button until the LED flashes red.
2. Next, hold the **Multi-function** button on the right earbud for 5 seconds until you hear the connection instructions in the earbud and the LED flashes blue. Release the button, and follow the voice-guided instructions to pair to your smartphone.
3. You may need to hold the **Volume down** button for 1 second on the left earbud to turn it on.

6. How to use

6.1 Turn the earbuds on/off

Place the earbuds in the charging case to turn them off, or remove them from the charging case to turn them on.

The earbuds can be turned on or off individually by holding the **Multi-function** button on the right earbud, or the **Volume down** button on the left earbud, until the LED flashes green (on) or red (off).

6.2 Calls & music

Right earbud	Calls & music	
	Play/pause music	Press the Multi-function button
	Answer/end call	Press the Multi-function button
	Reject call	Double-press the Multi-function button when there is an incoming call
	Voice assistant ((Siri, Google Assistant, Alexa))	Hold (1 sec) the Multi-function button when not on a call
	HearThrough on/off	Double-press the Multi-function button when not on a call

Left earbud	Calls & Music	
	Adjust volume	Press the Volume up or Volume down button
	Skip track	Hold (2 secs) the Volume up or Volume down button when listening to music
	Battery status	Press the Volume up or Volume down button when not on a call or listening to music

6.3 HearThrough

HearThrough utilizes the built-in microphones to enable you to pay attention to your surroundings and engage in conversation without needing to remove the earbuds.

HearThrough settings can be configured using the Jabra Sound+ app.

Right earbud	HearThrough	
--------------	-------------	--

HearThrough
on/off

Double-press the
Multi-function button
when not on a call

6.4 Sidetone

Sidetone enables you to hear your own voice when you are on a call.

Sidetone settings can be configured using the Jabra Sound+ app.

6.5 Auto-pause music

When you remove an earbud from your ear while listening to music, the music will automatically pause.

To unpause the music, place the earbud back into your ear within 60 seconds. After 60 seconds (or when mono playback is preferred) the music can be unpaused by pressing the **Multi-function** button.

Auto-pause music settings can be configured using the Jabra Sound+ app.

6.6 Auto power off

To conserve battery the right earbud will automatically power off when it is out of range of your smartphone for 15 minutes and is not in the charging case, or when it has been inactive for 1 hour.

The left earbud will automatically power off when it has not had a link with the right earbud for 15 minutes and is not in the charging case.

To power the earbuds on, place them in the charging case, or hold the **Multi-function** button on the right earbud, and/or the **Volume down** button on the left earbud, until the LED flashes.

6.7 Mono earbud use

The right earbud can be used alone for mono playback or for calls. For volume and/or skip track controls, please use your connected smartphone.

When both earbuds are turned on and within 20 centimetres (8 inches) of one another, they will automatically relink.

6.8 Multiple call handling

The earbuds can accept and handle multiple calls at the same time.

Right earbud	Multiple call handling	
	End current call and answer incoming call	Press the Multi-function button
	Put current call on hold and answer incoming call	Hold (2 secs) the Multi-function button
	Switch between held call and active call	Hold (2 secs) the Multi-function button
	Reject incoming call, when on a call	Double-press the Multi-function button

6.9 Multi-use

The earbuds can be paired to two smartphones at once, and can accept multiple incoming calls from either smartphone.

To pair to two smartphones, use the normal pairing process separately for each smartphone (refer to section 5).

6.10 Voice guidance and languages

Voice guidance can be turned on/off and the language can be changed using the Jabra Sound+ app.

The following languages are available: English, French, German, Japanese, Chinese.

6.11 Voice assistant

To activate your smartphone's Voice assistant (e.g. Siri, Google Assistant, Alexa) hold the **Multi-function** button when not on a call.

To change Voice assistant, download the Jabra Sound+ App and go to the Voice assistant settings.

Voice assistant settings can be configured using the Jabra Sound+ app.

6.12 Update firmware

The Jabra Elite Active 65t can be updated to the latest firmware version using the Jabra Sound+ app.

If notifications are enabled in the Jabra Sound+ app you will receive an automatic notification when a firmware update is available.

6.13 How to reset

Resetting the earbuds clears the list of paired devices and resets all settings.

8. Support

8.1 FAQ

View the FAQs on Jabra.com/help/eliteactive65t.

8.2 How to care for your earbuds

- Always store the earbuds in the charging case and safely protected.
- To prevent the depletion of the battery lifetime or capacity, avoid storing the earbuds in hot or cold environments, such as a closed car in summer, or in winter conditions.
- It is recommended to keep the earbuds between 15°C and 25°C (59°F and 77°F).
- Do not store the earbuds for extended periods of time without recharging them (max. three months).
- If the earbuds or the charging case become dirty, it is recommended to clean them with a soft, lint-free cloth that has been dampened with clean water.
- Cradle is designed to charge using standard USB voltage. (5v +/- 0,25v). It is not recommended to charge product using power supplies/sources with higher voltage.

8.3 Replacement accessories

Replacement or additional accessories can be purchased online at jabra.com/accessories.

M

L

8.4 Using the replacement earbuds

The replacement earbuds cannot be used with your old earbuds.

1. Place the replacement earbuds into the charging case and close the lid.
2. Open the charging case lid and remove the earbuds.
3. Wear the earbuds and follow the voice instructions to pair to your smartphone.
4. Update the earbud firmware using the Jabra Sound+ app.

8.5 Using a replacement charging case

Before using a replacement charging case for the first time, it will need to be synced with your current earbuds and charged for 1 hour.

To begin syncing, place your current earbuds inside the replacement charging case, and close the lid. The LED on the charging case may flash purple to indicate that the firmware is being updated. Please wait until the LED stops flashing purple before opening the charging case.
