Jack Links Donates \$30k to Laurens-Marathon Community School District

On Thursday, April 21 at the Laurens-Marathon Middle School track meet, Jack Links Distribution Center made a \$30,000 donation to the Laurens-Marathon Community School.

At Jack Links Protein Snacks, we want to be good community partners in the places where we operate. One of our top priorities in that effort is giving back to local schools.

Today's youth deserve a chance to receive a high quality of education, develop leadership skills, experience music and the arts, access technology and participate in the variety of sports and extracurricular activities that are offered.

Each year Jack Links Protein Snacks holds a charity golf tournament to raise money to support local schools. Employees, Vendors and supporters all participate. To date, we have raised over One Million dollars towards this support.

Our ultimate goal is that these contributions create more opportunities for local students. We hope our support will provide the district with improving and implementing reading and instructional materials for staff and students.

Jack Links is very excited to support the Laurens-Marathon Community School District again this year. Laurens has been home to Jack Links first ever Distribution Center for the past 11 years and we have been honored to give back to support the school since we have been a part of the community.

Steve Berry, Manager of the Laurens Distribution Center, presented a check in the amount of \$30,000 dollars to Laurens-Marathon Community School District Principal Troy Oehlertz.

We enjoy being a part of this community and are proud to support education. Remember to FEED YOUR WILDSIDE!

Connie Dallenbach Receives “Excellence in Education” Award from ISEA Uniserv Unit 10

On Wednesday, April 27 at the Uniserv Unit 10 Spring Assembly, Excellence in Education Awards were presented to educators and volunteers in the area. Connie Dallenbach received an award for her countless volunteer hours at Laurens-Marathon.

Nominated by retired LM teacher Nancy Kunickis, Connie was recognized for “The hours she gives to the community and school are worth more to the lives she touches, than the community or school could ever pay her. Connie always has a smile on her face, and most often is found in the background, where she prefers to be.”

Connie spends her volunteer time at LM with the speech and drama department, music programs, is a Partner in Education, and in conjunction with her work at the Pocahontas County Historical Society Museum. “Connie does all these things with no pay; she does it because she cares about the students and programs at school.”

Do you need to come up with a gift idea for Mother's Day? It's around the corner on May 8th. Or maybe you have the "I just don't know what to get them" feeling for a special occasion or a memorial? Because it was Mom who drug most of us to swim lessons we thought we would share this message from the family of Laurens native Joan (Reimers) Gethmann, sister of Helen Caskey, aunt of Alice Pomeroy. It combines a memory of a mother and the inspiration of giving as a memorial.

I suggested Laurens Swimming Pool Project for one of moms memorials as mom never learned how to swim and had a fear of the water, she made sure we learned to love the water and how to swim when still in diapers. I think she would want every child to learn to swim and have a love of the water and with Laurens being her home turf and seeing your post last year on all the fund raising efforts I thought what a perfect memorial for mom. Hopefully we can get you some good funds in Mom's memory.

So whether it's in honor of your Mother, or in her memory, a donation to the Pool Fund is the perfect gift!

At the Library with Glenda Mulder May 4, 2016

Our reading program pairing community volunteers with L-M Elementary age readers

has been amazing! I'm not sure who enjoys it more, the kids or the adults! We have been keeping two volunteer readers/listeners busy each weekday for "one on one" reading with students after school. We logged right at 4,000 minutes of student reading time for the month of April – and we didn't start until the 13th! I'm looking forward to seeing how many minutes we can read in May! If you'd like to volunteer to help us make a difference in a child's life, please contact the Library.

Tuesday, May 10th local retailer Julie Wurr will present, "Get Ready to SELL!" Our local retailer saw this need because so many crafters have come to her to sell their wares and were totally unprepared for many of the details. She will give us a first-hand account on the best way to approach craft shows, stores and even etsy. She will also share tips on how to price your products. Come, learn how to turn your hobby into a business. This casual presentation will be tailored to the audience, so come with your questions at 7 p.m. Tuesday, May 10th.

Also on our May calendar is an

author talk with Ruth Steinkoenig about her book, *"Fasten Your Seatbelts This Is Going To Be A Bumpy Ride! Stories of life travels and praises to God who sent two guardian angels to ride along."*

Many chapters in Ruth's book were written or tweaked as she was inspiring our Writers Free for All group at the Library. Join us Monday, May 16 at 7 p.m. for this visit with Ruth!

Oops – I forgot to tell you about our new materials last week! New fiction includes: *Apartment* by Danielle Steel, *Girl from Summer Hill* by Jude Deveraux (Audiobook too!) *Robert B Parker's Slow Burn* by Ace Atkins, *14th Colony* by Steve Berry, *Everyone Brave is Forgiven* by Chris Cleave, *One with You* by Sylvia Day, *Glory over Everything* by Kathleen Grissom, *Redemption Road* by John Hart, *Imagine Me Gone* by Adam Haslett, *Buccaneer at Heart* by Stephanie Laurens, *Fast and Loose* by Fern Michaels, *15th Affair* by James Patterson, *Eligible: a modern retelling of Pride & Prejudice* by Curtis Sittenfeld and *Extreme Prey* by John Sandford.

In nonfiction we received this interesting sounding selection: *Rise of the Rocket Girls: The women who propelled us, from missiles, to the moon, to Mars* by Nathalia Holt.

May's Book Club choice is "Ordinary Grace" by William Kent Krueger. We chose this author

because it was time to read a mystery and because he uses the Boundary Waters of Minnesota for a setting in most of his books. Join our discussion Monday, May 23rd at 7 p.m.!
