# PREDICTIONS FOR THE NEW YEAR with the Astro-Intuitive Panel

Antot Masuka, Joan Carra, Monty Taylor & Pamela Cucinell

In August 2017 we presented the Great American Solar Eclipse Astrologers' Panel to great reviews and a full house. The eclipse's influences are still affecting us with major upheavals in politics, the environment and cultural norms. We've invited this insightful panel back to share their forecasts for the New Year.

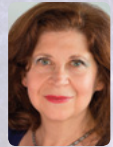

Our astrologers will give insights on new planetary patterns that will vibrate their energies on our society: They'll interpret what to expect when Uranus enters Taurus in May where it will stay for the next 7 years, and in the summer when there will be six planets going retrograde, an eclipse and a major trine. How will these new influences affect our global market and the relationships between countries? Are there any hot spots for environmental challenges?

Adding to the astrological predictions will be Joan Carra, psychic medium and numerologist, who did a wonderful job organizing the August panel and is now bringing our panelists together again for another exciting event. The panel will be moderated by Alan Steinfeld of New Realities. ■

## About the Panel:

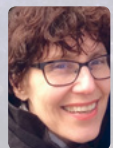

**ANTOT MASUKA** is an astrologer trained with the International Society of Astrological Researchers (ISAR) and the Association for Research and Enlightenment (A.R.E.) in Virginia Beach. Antot wrote for **The Ingress**, an astrological journal for the National Council on Geocosmic Research (NCGR). A longtime member of the A.R.E. in N.Y.C. and Virginia Beach, Antot incorporates Edgar Cayce's unique perspective on planetary energies in the field of astrology to deliver a sound synthesis, interpretation and analysis of the natal chart. He is an expert on the astrological implication of solar eclipses as they relate to earthquakes. [CelestialAffairs.com](http://CelestialAffairs.com)

**JOAN CARRA** is a psychic medium and numerologist affiliated with the Edgar Cayce Center as a teacher and practitioner. Her work is recognized in six books including the first edition of *The 100 Top Psychics in America*, *Interdimensional Universe*, and *The Rational Psychic*. She has been interviewed by WAG Magazine, The Wall St. Journal and The Daily News, where she predicted a terrible flood for NYC. In 2000, she predicted on PIX11 television news that Hillary Clinton would not be the first woman president of the U.S. She can be booked for sessions at the A.R.E. [psychicjoancarra.net](http://psychicjoancarra.net).

**MONTGOMERY "MONTY" TAYLOR** is a prominent international astrologer based in NYC, known for customized personal readings. Formerly at ARAS, The Archive for Research in Archetypal Symbolism at NYC's C.G. Jung Center, Monty incorporates a broad view of psyche and the archetypal symbolism introduced by Jung and Campbell. Convinced that the world is now ready for Edgar Cayce's insights, Taylor brings the Cayce readings—information that came forth almost a hundred years ago—to reinforce and transform modern astrology. Taylor is known for his lectures at the United Nations Enlightenment Society (UNSRC) and his international radio show on Talking Alternative. [montytaylor.com](http://montytaylor.com).

**PAMELA CUCINELL** of [InsightOasis.com](http://InsightOasis.com) writes the Planet Watch column for the Natural Awakenings Magazine, Westchester edition. For years, she spoke at the annual educational seminars for NCGR (National Council for Geocosmic Research) in NYC. Pamela is the resident astrologer at Wainwright House in Rye, NY, where she has offered workshops and New Moon gatherings. She presently coordinates the Westchester Holistic Network. Pamela is particularly adept at correlating business with astrological timing. She is a certified NCGR consulting astrologer and is on their Board of Examiners. Pamela has a weekly BlogTalkRadio show [StokeTheFire.guru](http://StokeTheFire.guru).

## About the Moderator:

For the last 20 years **ALAN STEINFELD** has traveled the globe looking for the most important contributions to the field of Consciousness. He is the host of *New Realities* on cable and YouTube, [youtube.com/newrealities](http://youtube.com/newrealities) with over 15 million views, featuring Deepak Chopra, Bruce Lipton, Marianne Williamson and more. He feels that only when the outer adventures are connected to the inner explorations will we be able to integrate our being with the cosmos. [newrealities.com](http://newrealities.com).

# MALCOLM SMITH, Spiritual Healer

The internationally known and admired British "Spiritual Healer" from Yorkshire, England, returns to New York City for private healing sessions! Malcolm considers himself an ordinary person with an extraordinary gift—the ability to be a channel for healing energy from God: "It is God who does the healing, not me," proclaims Smith. For over 35 years he has used his gift to relieve the pain, disease and suffering of thousands. Sometimes

the healing he gives results in instant cures; and sometimes, several sessions over several weeks are required for results to manifest physically. He has restored sight and hearing, cured "incurable" diseases including cancer, and changed hundreds of lives. He emphasizes that slow progress is the norm and Spiritual Healing should not replace orthodox medical treatment.

At [edgarcaycenyc.org/malcolm-smith-spiritual-healer](http://edgarcaycenyc.org/malcolm-smith-spiritual-healer) you can read testimonials about his extraordinary healing abilities. While you're there, listen to a fascinating interview about Spiritual Healing—what it is, how it works, what it can and cannot do. If you want to read more about Malcolm's extraordinary story, you can also purchase a personally autographed copy of his book *Spiritual Power, Healing Hands* in our bookstore.

Appointments with Malcolm Smith require prepayment in full. If a check is sent, the appointment will be bookable a week after it is received so please plan accordingly. Refunds require a 72-hour notice of appointment cancellation. ■

## THE BIOENERGY WORKOUT: Psychic Self-Defense and Energetic Sensitivity Intensive

Instructor: Martin Azambuya

The Bioenergy Workout is a fun yet informative 3-hour practical workshop during which students perform a series of diverse bioenergetic (chi, prana) exercises. Mastering our personal energies is one of the keys to maintaining equilibrium, becoming more self-aware, identifying and overcoming emotional imbalances, maintaining psychic self-defense, unlocking our potential, and developing our psychism.

### AFTERNOON WORKSHOP

Sun, Jan 14 & Sat, March 24  
1 - 4 pm

\$25 if preregistered or \$35 at the door (free for IAC & ARE-NY Center Members). Space is limited – please register early!

During the workout, an experienced IAC instructor will first guide students through a series of foundational exercises, gradually layering on more complex ones as the class progresses. Students learn to circulate, absorb, and donate energies, and apply techniques to develop their sensitivity and perceptions, including a clairvoyance exercise. The techniques practiced help students learn to revitalize their own energetic field, protect themselves energetically, identify external energetic influences, and increase their self-awareness about their energetic condition.

The class is 100% free for IAC members (basic and above) and A.R.E. of NY Edgar Cayce Members. ■

**MARTIN AZAMBUYA** has dedicated most of his adult life to assisting others to reach their full potential, and in doing so, continues to strive for his.

He has taught thousands of hours of classes across the US, Mexico, South America and Europe on the subject of Multidimensional Consciousness Science (lucid OBEs, psychic development, ethics and many other spiritually related topics), with a scientific approach, since 2003.

He was the Global Director of Education for the International Academy of Consciousness from May 2014 to May 2017 and the Global Director of Communication for the International Academy of Consciousness from May 2012 to May 2014. He is currently the Coordinator for the IAC New York and Mexico activities. ■

**NATALIA PERLAZA** has had a keen interest in the Out-of-Body Experience and non-physical phenomena for over a decade. Her never-ending quest to merge spirituality with day-to-day life led her to the International Academy of Consciousness where she took every course she could attend and began volunteering soon after.

She is an avid self-experimenter, having gone through months on end of intense energy work experimentation, coupled with nightly OBE technique attempts as well as silent retreats and many things in between. She has been an instructor at the International Academy of Consciousness since 2014. ■

**TRISHA JEWELLEN HARGADEN**, BEd, is a former high school and adult educator with over 40 years teaching experience in Ireland, England, Australia and the US. A Guild-certified Feldenkrais Practitioner in Awareness Through Movement and Functional Integration, as well as a certified Tai Chi teacher, she has maintained a part-time private teaching practice in NY since 1993.

Trisha has had a keen interest in multidimensionality and energy work since the 1980s, when she started exploring the use of energy and sound for healing.

She has been a volunteer at the New York International Academy of Consciousness since its inception and has been an Instructor at the International Academy of Consciousness since 2011. ■

## Edgar Cayce and the Evolution of Consciousness

### MIND AS BUILDER

Mitch Horowitz

Join PEN Award-winning historian and popular voice of esoteric ideas Mitch Horowitz for a special presentation on the powers of the mind, as understood through Edgar Cayce's injunction that "Mind is the builder." Mitch uses the Cayce teachings to explore the principle that our thoughts are causative, and

highlights the most dynamic ideas, thinkers, and techniques that the mind-power field has produced.

If you've ever wondered about the reality-shaping potentials of your mind, and whether this is the right path for you, this evening is not to be missed. Mitch speaks to packed audiences at the ARE center in Virginia Beach, and this is a chance to see him in an intimate setting!

Mitch's talk will be followed by a Q&A session, and a signing of his latest book, *Mind As Builder: The Positive-Mind Metaphysics of Edgar Cayce*.

## THE FIFTH ROOT RACE: Our Quantum Leap in Consciousness

Judith Pennington

Edgar Cayce predicted the rise of a Fifth Root Race between 1998 and 2015. Judith Pennington believes, and maybe you do, too, that this "new human" exists within each of us, that despite

the turmoil we see everywhere, there's a powerful undercurrent drawing us to the deep stillness of the spirit and a quantum leap in consciousness. In this workshop she discusses the world's increasing fascination with body-mind optimization, gamma brainwaves, the psychic senses, OBEs and NDEs, the new children, contact with the spirit world, and epigenetics, and how meditation, technology, and neuroimaging are firing up smarter and more creative neurons in the global brain.

What does the Fifth Root Race look like, and how will this new human advance our planet? Join Judith for a lively discussion of these questions and brainwave meditations that will guide you to the wellspring of wisdom and spiritual awareness in your subconscious mind. These profound meditations for self-discovery, healing, and transformation will inwardly reveal the power and potential of your mind and the truth about who you really are. During this presentation you will gain new perspectives, life-enhancing tools for positive change, and enlivened hope for humankind.

## Edgar Cayce and the Evolution of Consciousness

### EDGAR CAYCE AND THE UNIVERSAL SPIRITUALITY

Mitch Horowitz

Join acclaimed historian and widely-known voice of alternative spirituality Mitch Horowitz for an exciting, practical exploration of the universal spiritual outlook that emerges from the teachings of Edgar Cayce and speaks to our deepest aspirations for a unifying faith.

Although a devout Christian, Cayce brought a mystical vision that unites many of the world's religious traditions, including Christianity, Judaism, Hermeticism, Hinduism, and Buddhism. At a time of sectarian division, Cayce's ideal returns us to the deepest truths within ourselves: the knowledge that our spiritual quest ultimately converges with all spiritual quests, and rather

than have to "pick" a faith, we are all members of a broad tradition of seekers searching for the highest Source. As Mitch explores, the Cayce teachings are perhaps the closest modern expression of a universal, uniting spirituality.

Mitch is the author of *Mind As Builder: The Positive-Mind Metaphysics of Edgar Cayce*.

## ATLANTIS RISING: Lessons and Guidance from Edgar Cayce's Readings

Joseph Gargano

In Edgar Cayce's nearly 700 Life Readings on incarnations in Atlantis, he gave startling accounts of how each recipient was influenced by those experiences in his or her present life.

Many of those who had several incarnations in Atlantis were returning in the last century, and particularly in America.

Why were they returning? Are there parallels today to those upheavals in the Atlantean lands?

Joseph will share guidance gleaned from the Cayce readings to help us move through the coming earth changes towards an evolved, higher consciousness—only this time with peace, wisdom, prosperity and harmony instead of chaos, violence, poverty and planetary destruction.

A brief Open Forum and Q & A period will follow the presentation.

We've already expanded our outreach through social media and advertising—and plan to do more. But reaching out is not just a Staff or Board effort.

**We're asking you to be part of our outreach team.** If each of us brings one other to the Work, we will double the size of our Community. Do you have a friend or family member who might benefit from one of our programs, Spiritual Growth Groups or practitioners? Bring them along! It could mean six months of free membership for you!

# ANCESTRAL REPATTERNING: Tracing the Origins of Your Illness

Laura Silvana Aversano

**J**oin Author, Medical Intuitive, and Spiritwalker Laura Aversano, as she delves deeply into patterns and imprints that impact people's lives on a daily basis. Through her 21 years of practice, Laura has been able to ascertain origins of illness which begin for many of us with our ancestral lineage. Having communicated with the spirit world since childhood, Laura employs her emphatic abilities along with her journeying beyond the veil to see what contributes to people's ailments.

Laura will work with a few audience members, connecting with the spirit world as she expands the frequencies already present with those who volunteer and in the room. She retrieves insight to help all participants better understand how to palpate the world around them and what lies within. She'll give examples of how she tracks conditions of all kinds whether they are physical, emotional or spiritual in nature. As Laura expands the energies present as the spiritual process unfolds, class members participate by experiencing them and offering and receiving feedback and support. This becomes part of an individual and collective ancestral healing which we explore in group consciousness. It also provides a unique opportunity to more fully experience the process of multi-dimensional transformation. ■

**Early preregistration strongly advised. A minimum of 10 preregistered attendees is required at least 24 hours before the start of the class to ensure it's held. Please call the day before class to confirm.**

## What Laura's July participants are saying:

*"Laura Aversano is a gifted medical intuitive. Although she has the ability to provide a psychic x-ray of one's medical problems, her classes are devoted to helping her students move beyond what they can determine from their perceptible 5 senses to a greater connection to their spiritual and ancestral identity and greater attunement to their bodies. No two classes are ever alike since Laura is able to sense the needs of her students and improvise from the planned syllabus so her students can have a more profound learning experience."*

S. F.

*"Laura Silvana Aversano is a compassionate, humble, amazingly gifted and amazingly open human being, who is very serious about her work, and about sharing it with others. I have been fortunate to attend three of her classes (so far) on what she calls "Medical Intuition," but Laura's abilities and teachings go way beyond that... No two of her classes are ever alike, because she tailors the class to the energy in the room and the needs of her students... Laura is amazingly down-to-earth, and very nurturing. You feel very protected in her classes, and know that if you get caught up in some strong emotion, she will be there to help you process it. And in addition, she has a great sense of humor, and her classes are really fun to take. I'm looking forward to learning more from this wise, sensitive Spirit-Walker in the future!"*

# Introduction to PSYCHIC INVESTIGATION

Lin Hunter

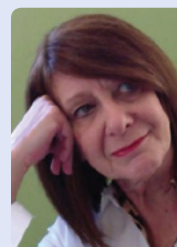

**L**aw enforcement agencies today use sophisticated techniques such as DNA testing, psychological profiling and computerized data analysis to solve crimes, but when they hit a stumbling block that even new technology can't break through, they may bring a

psychic investigator into the case to help them get on track.

If you've had a calling to this specialized type of psychic work, you must be able to provide the highly accurate and helpful information needed to open new doors in an investigation. Reaching this level of accuracy on a consistent basis requires focused and disciplined work methods. This workshop will provide you with the tools you need to succeed.

Over the course of the weekend, you will get an overview of psychics and law enforcement, take a look at some of the most successful psychic detectives and receive helpful information about what it takes to break into the field of psychic investigation.

You'll also learn key skills required to do the work, along with techniques to get into the psychic zone, hold focus, and get accurate and helpful information. You will learn how to get the practice that you need, create a portfolio of your work and build a good working relationship with law enforcement. ■

**LIN KAY HUNTER** studied psychic development, mediumship, trance and healing in the U.S. and the U.K. She is the founder and director of The School for Psychic Studies in Western Massachusetts where she combines her background as an award-winning corporate trainer with her life-long interest in the supernatural to create and teach comprehensive classes in a variety of spiritual and metaphysical topics. For nearly 30 years, she has used her abilities as a psychic and medium to help people resolve issues concerning career, family and partnerships, as well as to help them to reconnect with loved ones in the spirit world. She is certified in forensic psychic investigation, advanced-level remote viewing and forensic composite art, and has helped law enforcement agencies, organizations, and families in numerous

# THE HEALING ANGELS WORKSHOP

Rev. Charles F. Julian, D.C.

Meet and work with the healing angels of the energy field

In 19 years of conducting Integrated Energy Therapy® (IET) sessions, Charles Julian has had many angels join with him. Each angel brought a unique gift of healing. We now invite you to experience their healing gifts. Their work has been documented in Steven Thayer's book *The Healing Angels of the Energy Field*. He identifies one healing angel for each area of the human

energy anatomy and gives special prayers to invite each of these healing angels to work with you.

This workshop will enable you to join together with other students to meet and work with the Healing Angels. Learn how to call upon them with a special prayer of invitation and how to use an angelic "heartlink" to connect with the angels' energy. Discover the special healing gifts each angel brings and invite each one to support you in your physical, emotional, mental and spiritual healing journey.

If you support others in their self-healing through energy therapies such as IET, Reiki, Therapeutic Touch, massage, etc., this workshop can add a special spiritual dimension to your sessions. No experience is necessary. ■
