News

This month was filled with Winter Magic! We learned about holidays around the world and talked about how different people and places are fun! We learned about our 5 senses, and used our eyes to find our Christmas Lights in the room! Room 6 used our nose to smell our yummy food, and used our ears to listen for the clean up song. We used our hands to feel different textures, and used our mouth to celebrate our holiday party. We practiced our character value of the month "Patience" daily. It's been a good month and we are so excited to see what the New Year brings!

News

During the month of December we had so much fun dressing up through out our themed days. We enjoyed dancing during our holiday program, although it was a bit different, we still enjoyed the holiday cheer. Dinosaurs was added to our curriculum this year, and the class had a blast learning about them. We also enjoyed learning about our 5 senses, we incorporated them with our science cooking experiments and projects. Room 7 is looking forward to an incredible and safe year!

News

Room 8 ended the year very successfully. We are getting better at writing our name, and counting to 100. During this month we created so many different artwork and different sensory projects to help us learn more about our five senses! We love to play and interact with our peers during centers that shine, and love when our teachers read to us! Room 8 learned so much this past month, but we really want to see what 2021 brings to our class!

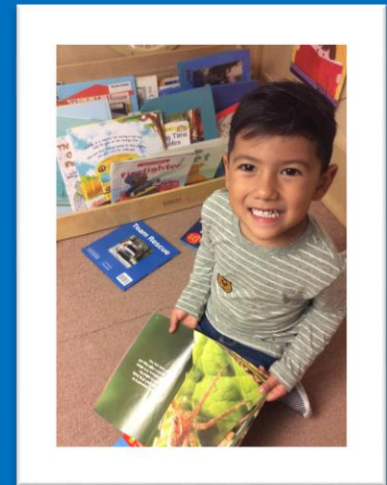

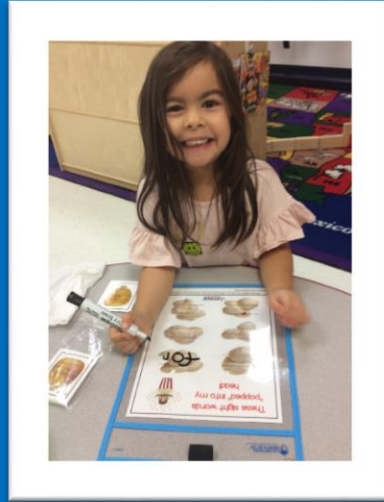

News

APK has enjoyed all the holiday crafts and lessons. We are beginning to read, and have mastered spelling our name! We love to practice "patience" with our peers and help each other through everything! This year has been a little bit different, but APK has held it together, and we've finished the year off strong!

News

This month in December we went over our Quest Challenges like Towering Tooth Picks, Flying Snowmen and Roll a Snowman. We also went over the Character Value, "Patience", and discussed about different tactics, and gestures we can do to help us have patience. Our school age kids are doing amazing during these uncertain times, we are happy the year has ended, but very excited to see what 2021 will bring us!
