**Theosophical Movement**

- During the nineteenth century, Hindu religion and culture were being discredited in the West, especially due to missionary propaganda.
- However, some Western intellectuals looked to the East for spiritual salvation as a remedy to the materialistic orientation of the West.
- The Theosophical Society, founded by Madame H.P. Blavatsky (1831–1891) and Colonel H.S Olcott (1832–1907) played a key role in this.
- Founded in the USA in 1875, it later shifted to India at Adyar, Chennai in 1886.

36.	<p><b>Meaning of Urbanization</b></p> <p>The process of society's transformation from rural to urban is known as urbanization. The level of urbanization of a place is assessed based on the size of population of the towns and cities and the proportion of population engaged in non agricultural sectors.</p>	5

These two are closely linked to the process of industrialization and expansion of the secondary and tertiary sectors of economy.

### Impact of Urbanization

- Urbanization and population concentration go hand – in – hand and are closely related to each other.
- A rapid rate of urbanization in a society is taken as an indicator of its economic development.
- Urbanization is increasing rapidly in the developing countries including India.
- Rural to urban migration leads to population explosion in urban areas.
- Metropolitan cities like Mumbai, Kolkata and Delhi have more population than that can accommodate.
- The urban population of India had already crossed the 377million in 2011, which is more than the total population of USA.
- By 2030, more than 50% of India's population is expected to live in urban areas.

The following are the **major problems of urbanization** in India.

- It creates urban sprawl.
- It makes overcrowding in urban centres.
- It leads to shortage of houses in urban areas.
- It leads to the formation of slums.
- It increases traffic congestion in cities.
- It creates water scarcity in cities.
- It creates drainage problem.
- It poses the problem of solid waste management.
- It increases the rate of crime.
