Dear Talmidos, שתיינה

I hope you are enjoying every day of summer vacation. Whether in camp or at home, I'm sure that you are displaying your middos tovos and making a Kiddush Hashem in everything you do. Please refer to your Tefilah, Tehillim and Chesed chart to keep you focused on davening and doing chesed every day.

During the Nine Days, as we remind ourselves not to listen to music, not to cut our hair and not to go swimming, we think about the חרבן בית המקדש. We remember that the 2nd בית המקדש was destroyed because of שנאת חנם. Each and every one of us would help bring the גאולה closer by concentrating on אהבת חנם, loving and caring about every member of כלל ישראל. Let's work on אחדות and being kind, friendly and complimentary to everyone we come in contact with throughout our day. With an emphasis on סבר פנים יפות and being זכור, we can increase our זכויות and help turn תשעה באב into a יום טוב, אי"ה.

Here at JDBY, we are hard at work preparing to reopen school in September, בעזרת ד'. As we get closer, you will find out who your moros will be and you will be told the protocols that will need to be in place in order to return safely, אי"ה. In the meantime, enjoy every day of summer!

*Love, Morah Wainhaus*

### 3<sup>RD</sup> SHEMONEH ESREI PRESENTATION IN MORAH MILLER'S CLASS

### END OF THE YEAR IN THE PRIMARY GRADES

Aside from the recorded lessons and personal phone calls that kept moros and talmidos connected throughout this tekufa, culminating live phone conferences were held with each morah and her class the last week of school.

In addition, every morah in 1st and 2nd grade invited all the girls in her class to the front of her house for an end-of-the-year Siyum meeting. Girls came one at a time, and were given the opportunity to spend a few minutes talking to their morah, taking a photo, and celebrating the year's accomplishments with a special Siyum package, prepared lovingly by their Morah.

Through these efforts, the moros were able to provide proper closure for their talmidos and themselves for this unique end of the year.

## 8TH 8TH GRADE GRADUATION

The 8th Grade Graduation of שנת תש"פ was truly a unique event. The day started off with 3 elegant outdoor graduation ceremonies. Morah Wainhaus delivered opening remarks and then we were privileged to hear divrei bracha at each ceremony from a different father of a graduate. Thank you Rabbi Eisenbach, Rabbi Hamaoui and Rabbi Schechter for speaking. The graduation culminated with each girl receiving her diploma and a rose.

In the evening, the graduation celebration continued! Graduates and their mothers were invited in small groups to hear דברי ברכה from Mrs. Kaufman and Mrs. Wechsler and watch a video of cantata performance produced by Miss Piller and Mrs. Weinberg. The girls recorded a song of hakaras hatov, and finally, in true JDBY tradition, a bouquet of flowers was presented to any family whose youngest daughter graduated. We are so proud of the graduating class of שנת תש"פ, as they truly represent the פאר of JDBY. We wish our girls much hatzlacha!

## A TRIBUTE TO MRS. GREENSPAN, שתחי

On Monday morning, June 29, members of the Administration, Resource Team and Office Staff came together (with masks and social distancing) to pay tribute to Mrs. Debby Greenspan, שתחי. Mrs. Greenspan has been an integral part of the Joan Dachs Bais Yaakov/Yeshivas Tiferes Tzvi faculty for 33 years. Most notably, Mrs. Greenspan served as our Director of Student Services for the past 8 years. Mrs. Greenspan's level of devotion to every staff member, child and parent, coupled with her wealth of experience and expertise, have made her an admired role model for all of us. As the Director of the Resource Team, Mrs. Greenspan implemented modifications that opened opportunities for growth and fortified the self-confidence of her students. She loved her talmidos and believed in them until they began believing in themselves.

The entire Joan Dachs Bais Yaakov family wishes Mrs. Greenspan ברכה and מזל as she retires from her position. Her inspiration and love will be felt for many years to come.

## FIELD DAY

This year's field day took place on Tuesday, June 16th in everyone's own front and back yards. Each girl received an envelope filled with a field day brochure, water balloons, and a ticket voucher for freeze pops. The weather was perfect and it turned out to be a beautiful day. The theme this year was "We Miss JDBY" and each activity was connected to something related to school. The students played games like water balloons, a relay race, sponge tag, fill it up, sack race and capture the flag. The girls also were given minute challenges to complete, which included wall sits, sit ups, finding things that started with the letter A and finding things that were the color blue within a minute's time. We certainly couldn't have done this without Mrs. Sussman's expertise and guidance throughout the planning process. We thank the secretarial staff for putting together the envelopes for each family. Thank you for making this year's field day an amazing "JDBY" memory.

## GRADUATING CLASS OF 2020

With all the “unknown, unprecedented and unrestful times” around and about, the topic of graduation and graduation trip was as taboo as can be in schools around the world - except YTT!! Despite the obvious challenges, we just couldn’t let our boys leave without the deserved credit and acknowledgement! And so with a little (or a little more than a little!) extra efforts we were BH able to plan and execute an amazing and delightful trip to Kenosha for a day of camaraderie and fun. We climbed to new heights in reality - and in our friendships - as we solidified a decade of achdus and growth! A delicious BBQ and a heart to heart open-talk on the green grass and under the beautiful blue sky ended the exhilarating day! Our actual graduation ceremonies were unique as well, with the classes being divided into three groups of 12 boys and their families, who were treated to an evening out in Shallots Bistro. Words of encouragement, praise and much nostalgia were enjoyed by all in attendance as everyone walked away feeling so good and appreciated! We have so much to be proud and grateful for and we thank all the office staff and parents who went the extra mile to assist us in making all the events k’nock! We look forward to much continued nachas from all our graduates and never forget - Au Revoir!!

Dear Parents,

We hope you are enjoying the summer break. It is so well-deserved!

As you are so aware, we have been gebentched with an overwhelmingly amazing year of growth, despite (or perhaps because of!) the wondrous, exhilarating and ever fast paced changes we all experienced together as a tzibbur.

There were definitely many challenges and struggles that we all faced along the way and so many decisions needed to be made. Yet the underlying result has definitely been one that we are all very proud of!

Our rebbeim, teachers, talmidim and families strove to great heights and unimaginable levels in their emunah, stamina and ability to perform under the most unimaginable circumstances. Ashreinu!

As we closed the year on July 8th amidst music and dancing (and delicious ices too!) our hearts were filled with shevach v'hoda to HKB"H for all His chasodim over the year - and especially over the last five months. We saw such Hashgach Pratis through every step of the way! So many times we wondered "How are we going to do this?!", and every time we merited the exact Helping Hand that we needed - and delivered with Perfection from Above!

As parents you rose to the amazing task of ensuring your children continued learning, becoming true shutfim in every aspect of our avodas hakodesh. We thank you and so appreciate your efforts!

There are no words to possibly describe the work our staff of teachers and rebbeim (and their spouses and families too!!) put into ensuring that every class and lesson be given over in a timely and professional way. "How?", "Wow!" and a great big "Thank you!" is all we can say.

To our dearest talmidim - we miss you already! Although it is now only two weeks since you left, we already feel the void tremendously! Thank you for being such good sported talmidim as you forged ahead and amassed zechusim galore!

As much as we enjoy basking in the accomplishments of this past year's success we understand that we must move on! That being said, it is with much excitement (despite much unknown!) that we let you know that we are knee deep into preparing for our next year's shteiging!

May we be zoche to continued beracha and Siyata d'Shmaya and may we all enjoy a healthy, safe and happy summer!

*Rabbi Muller*

## FROM THE JDBY-YTT INBOX

Thank you for the beautiful graduation last night - it was exactly perfect and well planned and highly appropriate. Our son felt honored and appreciated, and we enjoyed getting to spend the time with him, together with the rest of the families from his class. The speeches and divrei Torah were right on target for exactly what was important to hear. Thank you for taking care of every detail and not giving up. May you continue to have hatzlacha in figuring out all of what's yet to come!

To the administration, Rabbeim, Moros and teachers: Words cannot adequately express our Hakaras Hatov to you for all you've done and continue to do. Hashem sent a nisayon and you went above and beyond and left no stone unturned. Our children felt the care and love and so did we. We are amazed at how you pulled off all that you did. Rabbi Muller, Rabbi Tenenbaum, Rabbi Nueberger, Morah Wainhaus, Mrs. Kaufman and Mrs. Wechsler, you are an outstanding group of mechanchim! Today was the 8th grade JDBY graduation and I am still replaying the day's events. It was so meaningful and touching, I was brought to tears more than once. The way you orchestrated each detail, from the morning procession in the parking lot, to the beautiful event in the evening. I was so taken by all the obvious planning involved. Most remarkable was how although Morah Wainhaus, Mrs. Kaufman, Mrs. Wechsler and all the teachers were present at each of the 2 sets of three graduations, there was no hint they were worn out or bored. I know because our slots were the last of each one. Their genuine smiles exuded sincere simcha for the girls even though they surely must have been exhausted! They made the girls feel special beyond words. Thank you !!!! May Hashem shower you all with much Bracha and continued Hatzlacha in your Avodas Hakodesh!

R' Muller, We all appreciated seeing the Corona Certificates this past Erev Shabbos! Thanks to you and all of the Rebbeim for keeping such a positive and upbeat feeling at YTT during the unusual and challenging past few months. I am sure our boys will look back and remember how they and the Yeshiva rose to the challenge.

My son jumped into the car and said today was AMAZING! It was the best day ever! What a great way to start the last week of Yeshiva. TY to Rabbi Quinn for making the boys love and feel the geshmak of learning! Ty to all do the staff at school for all you have been doing to ensure our boys get to learn, see their friends and have some structure

Good morning! I just would like to thank you for a BEAUTIFUL graduation yesterday. All the details and organization were arranged to perfection. It was not easy on your parts having to do everything three times twice in one day! Your dedication to the girls is so appreciated. This is definitely one graduation they will not forget. The videos were phenomenal and the book given to the girls was just right. Thank you so much for the chinuch given to our daughter all these years. Hashem should grant you many more years of gezunt and koach to be matzliach in the chinuch of bnos yisroel.

Lichvod Rabbi Muller, We wanted to thank you for everything you have done during this crazy time. BH the boys' learning was uninterrupted and their Rabbeim were incredible. We really wanted to emphasize how much Rabbi Quinn and Rabbi Adler have done to help our boys feel included, even when they were not in school but their friends were. Rabbi Quinn stopped by several times with worksheets and treats, as well as pizza and pop from the in school siyum. And most importantly a warm smile and enthusiastic conversation. Our son was beaming each time! And Rabbi Adler did in person learning/shmooze with our son, and even invited the at home boys (only 4 at this point) to his backyard for a pizza siyum so they also were able to have closure on the year. We feel very fortunate to have been zoche to these rabbeim for our boys. Thanks again and have a wonderful summer!

To the JDBY Hanhala, I am more and more amazed at the unending devotion that you've shown towards the talmidos, and in particular the graduates!! The graduation, the prep, the special hand delivered invitations and special gifts ..., the list never stops! Just when we think we've seen it all, we come home and see the individualized cookies, and then the individualized inscriptions to each talmida!!! The display of ahava and concern will never be forgotten, and will definitely be cherished memories for our girls to remember and hold onto... how much JDBY loved and really cared for them at all times! May HKB"H bentch you with continued koach, nachas, simchos, gezunt, and kol tuv!!

Rabbi Muller, I wanted to thank you for an amazing year. YTT really went above and beyond tackling every challenge this year. From the chavrusa phone calls, having the Rebbe drop off a treat for a siyum, coming back to YTT for the last few weeks and receiving a certificate of honor in the mail! It is obvious that the entire staff put in much thought, effort and hard work this school year especially these last few months.

## Yeshivas Tiferes Tzvi Supply List

*Disclaimer: The Supply List may be subject to change.  
(2020-2021)*

Dear Parents

When purchasing the *seforim* listed, please make sure to adhere (when specified) to the exact type of *sefer* being requested (ex: Artscroll, Oz V'hadar etc.). There are specific reasons why the brand mentioned is being asked for. Buying a different one will only confuse your son and will not be conducive to his classroom learning, as the fonts and page numbers differ per publication.

In addition, if your son will be using a *sefer* from a previous year (ex: *siddur* or *chumash*) please make sure its condition is "very good" or above. Starting the new school year with respectable looking *seforim* to learn from, contributes so much your son's success. In general, each boy should at least begin a new *linud* with his very own *sefer* and not use a "hand me down" from a sibling. Doing so will only add to his *geshmack* towards his new *linud*. The small investment is well worth it!!

Rabbi Muller
