Rare opening for a pediatric Physician Assistant hoping to find a long term part-time position at a respected, well established, general pediatric private practice with great work/life balance in the west Denver Metro region. Qualified candidates must be a graduate of an accredited Physician Assistant training program with a current Colorado PA License and current national certification. CPR and PALS certification is preferred.

Part time position = 3 days/wk starting in October 2022.

Clinical duties are weekdays only (no weekend hours or late night urgent care hours) and outpatient only (no hospital rounds).

The position comes with a great benefit package including competitive base salary, health insurance, disability insurance, life insurance, malpractice insurance, paid vacation, 401k match, CME funds, and an annual bonus based on productivity. We have chocolate too.

We are a 6 provider office (3 MD's, 3 PA's) caring for a broad range of general pediatric patients from newborns to 19 yo's. We also have a collaborating in-house behavioral health therapist serving out patients. Our office deliberately sees lower patient volumes to enable a focus on delivery of thoughtful, high quality, evidence-based pediatric care with a goal of long term continuity. We believe in facts and vaccines. The practice is situated in a great location at the foot of the Rocky Mountains just west of Denver, CO in a medical region with great support from pediatric specialists when needed.

Our office has a fantastic reputation with frequent requests from families asking to join the practice based on word-of-mouth referrals. Our patient population draws from a range of demographic backgrounds with significant sub-populations of medically complex patients as well as children of highly educated international graduate students at local universities. (Candidates fluent in Spanish, Mandarin, Arabic, or Hindi would get to use their language skills on occasion.) Main job qualifications include a strong background in clinical pediatrics, high emotional intelligence, and a solid work ethic. A skilled collaborative approach to teamwork is a must.

Position: **Pediatrician and an Advanced Practitioner**

Partners in Pediatrics is a large and well established general pediatric practice that has been serving the Denver metro area for over 40 years. We have two office locations where we provide care to a wide demographic of wonderful families, some of which are in their third generation! Our providers include physicians, both M.D. and D.O., physician assistants and nurse practitioners. Our practitioners share patients which allows quick access to acute care, and we also encourage continuity so families can choose to see their practitioner of choice for routine visits.

We offer the typical mix of well care, acute sick and injury care and management of chronic medical problems including offering mental health care to our patients. As a physician owned practice, we are driven by the relationship with our patients and families and not by seeing high volumes of patients.

Practicing in Denver, we have access to two separate and full service pediatric hospital systems that both offer outstanding specialty care to our patients. Partners in Pediatrics participates in pediatric specific health care initiatives with the goal of enhancing the delivery of quality medical care, while at the same time controlling the cost of health care within our own community.

Since the 1980s, Partners in Pediatrics has uniquely incorporated integrated medicine into the care of our patients. Prior experience in integrative medicine is not a prerequisite, but an openness to learning about it is.

If you are interested in joining a cornerstone pediatric practice in Denver, Colorado that provides superb and compassionate medical care to our patients and offers a true sense of community to our providers and staff, then please reply with your CV and cover letter.

This is an ideal opportunity for you if you want flexible hours to help you focus on your family and your lifestyle...or you need some extra \$\$\$ to help pay off those student loans!

Job Description

- Evaluation, examination, assessment and treatment of a myriad of pediatric conditions. You should know your limitations and seek consultation with the child's PCP or with a PediaClinic supervisor if necessary.
- Have knowledge and expertise for common injuries. Splinting skills are required as well as the repair of small lacerations (< 2 cm)
- Be organized in your charting duties and complete all medical records before you finish your shift so that the medical record can be faxed to the patient's PCP on the same day.
- Supervise, educate and collaborate with staff.
- Maintain your professional demeanor and respect the privacy of patients and families.
- Work 5 or more shifts per month, including at least one weekend day per month
 - M – F 5:30 pm to 8:30 pm
 - Sat 1 pm to 5 pm
 - Sun 10 am to 5 pm

All interested applicants should email a cover letter, current curriculum vitae, and 2 professional references to info@pediaclinic.net.
