Right now at *Walt Disney World* Resort, there's more to experience than ever before. Like Mickey & Minnie's Surprise Celebration at *Magic Kingdom* Park. At this colorful new party, going on for a limited time, the surprise isn't just for Mickey and Minnie—it's for you, too!

One of the best surprises is that you can meet Mickey and Minnie, together, in their snappy new outfits. As Joe Kucharski, Senior Costume Designer for Disney Parks Live Entertainment explains, "The costumes that Mickey

and Minnie are wearing represent all of the colorful exuberance of a party and birthday party decorations, complete with confetti, balloons, pompoms, streamers and more.”

In the mood to groove? Then join Mickey, Minnie and the gang in front of Cinderella Castle and work it all the way down *Main Street, U.S.A.*® as part of the Move It! Shake It! MousekeDance It! Street Party. This delightful street jubilee, led for the first time by live-singing hosts, features new floats, Mickey and Minnie, original music, video moments and pyrotechnics.

And only during this special time can you purchase limited-time merchandise and collectibles, and enjoy special food, beverage and snack items like a Mickey Mouseketeer cupcake, Mickey

confetti pretzels and Mickey-themed nachos. You can even swing by Celebration Central to sign Mickey and Minnie's guestbook to share that you were there.

Party With Some Pixar Pals

Thirty years ago, on May 1, 1989, Disney's Hollywood Studios® opened its gates to the delight of fun- and thrill-seekers alike. So to commemorate this milestone anniversary year...and all the new adventures and adventures still to come...the Park is playing host to a party with some Pixar pals, celebrating the wonderful worlds of Pixar's *The Incredibles*; *Monsters, Inc.*; *Cars* and *Toy Story*.

And now, for a limited time, you'll find Pixar Place transformed into a Municiberg City block for a celebration of *The Incredibles* and the superhero in us all. Make your way to party central at the end of the street and enjoy music, dancing and festivities complete with special appearances by Mr. Incredible,

Mrs. Incredible and Frozone. Then pay a visit to Edna Mode's super suit gallery, where you'll see some of her greatest creations before coming face to face with the famous designer herself. And if you happen to notice some footprints, laser scars and cookie crumbs, the trail might just lead to the youngest member of the Parr family, Jack-Jack. Join the #PixarPalsParty today.

Want more? You got it! Because also for a limited time, you'll find that a door to the monster world has opened inside the Walt Disney Presents attraction, giving you the chance to visit *Monsters, Inc.* and say "hello" to Mike Wazowski and James P. Sullivan in the flesh. And fur.

*...celebrating the wonderful worlds of Pixar's **The Incredibles**; **Monsters, Inc.**; **Cars** and **Toy Story**.*

Then coming March 31, it's Lightning McQueen's Racing Academy—a first-of-its-kind show that'll put you right in the middle of the *Cars* universe. Ka-Chow! Make a pit stop at Sunset Showcase where you'll learn what it takes to be a champion racer from the legendary Lightning McQueen as he uses his brand-new, state-of-the-art racing simulator. As he explains the simulation training, a familiar old foe hacks into the system and challenges him to a virtual race. With Tow Mater, Cruz Ramirez and the gang from Radiator Springs by his side, Lightning gears up for the challenge. Will he

emerge victorious? Speed on over to find out.

And don't forget to play big in *Toy Story Land*, where you can coast through Andy's backyard, go for a spin with some aliens and blast your way through a 4D arcade.

Come be part of the party...and of all the adventures that await...only at *Disney's Hollywood Studios*®.

Did You Know?

In the original idea for *Toy Story*, Woody was a ventriloquist's dummy. Not a cowboy.
