2019-2207-116

Makes our hearts happy

We love to hear why you love our products.

Read customer reviews throughout this catalog when you see the heart icon.

For more than 70 years, Tupperware has been committed to making a positive impact on the world around us.

Through our products, we focus on helping people reduce their individual impact on the environment with the use of our reusable, durable and easy-to-use solutions that minimize plastic and food waste.

Our business opportunity inspires women to grow their confidence, enrich their lives, nourish their families, and fuel their communities.

We take pride in collaborating with organizations that share our same mission and values. That's why in the United States and Canada, we're thrilled to announce our new relationship with Girls on the Run, a non-profit that uses a transformational learning program to teach important life skills to young girls.

Together, we're united in a mission to help enrich and empower the lives of women and girls by offering you the opportunity to cultivate their confidence one life at a time.

See our Girls on the Run offers in seasonal brochures.

Welcome to the Party!

Whether the party is coming to you or you're setting out to see family and friends elsewhere, we've got the best tools to help you out this holiday season. Go ahead, take a look around.

our promise

Tupperware® products are designed to help reduce the impact on our environment by providing reusable, durable and easy-to-use solutions that help minimize single-use plastic and food waste.

And while you do your part, we're doing ours.

We are committed to continually evaluating how we can further reduce our environmental footprint—from the design, production and packaging of our products, to how they get to your door and through their continual use.

We are committed to making products with an extended lifecycle—products you can rely on again and again to help you eliminate your own single-use waste. Tupperware continues to follow a single set of quality guidelines for its products worldwide and are made of materials approved for food contact by organizations like the United States Food and Drug Administration (USFDA) and the European Food Safety Authority (EFSA). Tupperware products in the U.S. and Canada do not contain dioxin, phthalates or BPA.

By purchasing a Tupperware product, you join us to make an impact on the world around you.

There are so many reasons that I love what I do. I love that I can be a stay-at-home mom first and still be a career woman. I set my own schedule when it's best for my family. I really appreciate that because I get the best of both worlds.

our guarantee

Tupperware® products are legendary for their longevity, but things do happen, so we're proud to back up our already durable products with an extensive warranty.

To submit any warranty request, you may do so online at Tupperware.ca/warranty or contact Customer Care at 1-800-TUPPERWARE (1-800-887-7379).

The below is a handy overview, with full details available at Tupperware.ca/warranty.

Limited Lifetime Warranty—Tupperware® brand products are warranted by Tupperware against chipping, cracking, breaking or peeling under normal non-commercial use for the lifetime of the product.

Quality Warranty—Products in this catalog marked with the symbol are warranted to be free of manufacturing defects for one year.

© 2019 Tupperware. All rights reserved. Trademarks used herein are the property of their rightful owner.

Food items and props pictured with products not included. Products shown not to scale.

30-Day Warranty—Products in this catalog marked with the symbol are warranted to be free of manufacturing defects. If you receive a product you believe to be defective, contact us within 30 days of purchase for a free replacement.

Chef Series II Cookware & UltraPro Ovenware—These products carry a limited lifetime warranty against defects in the material or workmanship under normal or household non-commercial use and cared for in accordance with instructions, and certain actions will invalidate your warranty.

If, due to unavailability, actual product replacement cannot be made, comparable product replacement will be made, or credit toward future purchases of Tupperware® brand products will be given. Warranty replacement items or parts will be subject to shipping and handling charges.

Seals should be washed on top rack of dishwasher. Actual product colors and appearance may differ slightly based upon photographic and printing limitations.

sip something wonderful

Introducing our new Cold Brew Carafe—designed for making, serving and storing cold brew coffee in the comfort of your home.

PEPPERMINT COFFEE

Serves: 8
Serving size: 4 oz./115 mL
Prep time: 5 mins.

16 peppermint hard candies, unwrapped
1 cup/236 mL coarse coffee
Filtered Water

1. Insert metal filter into the Cold Brew Carafe, combine coffee grounds and peppermint candies together, place into metal filter.
2. Slowly pour filtered room temperature/cool water (min 33°F/1°C—max 77°F/25°C) into Carafe. Allow the water to filter down before adding more. This will prevent the coffee grounds from overflowing. Fill to water fill line (where the metal filter meets the plastic funnel).
3. Refrigerate for 8-12 hours.
4. Remove filter and discard coffee grounds.
5. Serve as is or with ice and desired cream and/or sugar.

SERVE & ENTERTAIN

a Cold Brew Carafe

Prep at night and your morning brew is good to go. Enjoy the refreshing flavor that cold brew coffee has to offer, giving a twist to traditional coffee. 1¼ qt/1.3 L. 410 \$45.00

Dual Purpose Cover: When not in use, cover doubles as a coaster for strainer. No messy grounds on your counters!

Get more than one so you always have something brewing.

A new brew.
See our Cold Brew Carafe in action.

Markings make it easy. Two lines on strainer indicate brewing strength: Top line is for coffee concentrate and bottom line is for ready-to-drink coffee.

Carafe is durable and lighter than glass. Sleek design fits in most fridge doors.
