ABOUT THE MEETING

Founded in 1998, **ISPS-US** is the U.S. Chapter of the international organization, ISPS, founded in 1956. We promote growth towards an increasingly humane, comprehensive, and in-depth understanding and treatment of psychotic disorders. We encourage curiosity and open dialogue across mental health disciplines and designations (professionals, patients, family members, etc.), working to integrate a psycho-bio-social approach that honors the complexity of the human journey.

The ISPS-US Twelfth Annual Meeting will highlight the Myth of Pandora, a metaphor for the psychotherapeutic treatment of psychosis. In the usual version of the myth, open the box and all forms of evil and misery fly out into the world, leading to suffering and pain. But there is another version of the myth. Open the box and after evil and misery fly out, Hope is left.

So too with the psychotherapy of psychosis. By dealing with all aspects of the person suffering from psychosis, integrating a variety of approaches, from a psychotherapeutic approach, evidence-based practices, to judicious use of antipsychotic medications, it is possible to plumb the meaning to the patient of hallucinations, delusions and psychotic thinking, often leading to a gradual healing and recovery from a previously debilitating condition.

SAN FRANCISCO IS BEAUTIFUL IN OCTOBER!

APPROVED CONTINUING EDUCATION CREDIT HOURS

This program is jointly sponsored by ISPS-US and The Lifespan Learning Institute.

MAXIMUM POSSIBLE CREDITS: 15 hrs. (Friday 2 hrs., Saturday 6.5-7.5 hrs., Sunday 5.5 hrs.)

IMQ/CMA: The Lifespan Learning Institute is accredited by the Institute for Medical Quality / California Medical Association (IMQ/CMA) to provide continuing medical education for Physicians. The Lifespan Learning Institute takes responsibility for the content, quality, and scientific integrity of this CME activity. The Lifespan Learning Institute designates this educational activity for a maximum of **15** AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

APA: The Lifespan Learning Institute is approved by the American Psychological Association to provide continuing education for psychologists. This program has been approved for up to **15** hours of continuing education credit hours. The Lifespan Learning Institute maintains sole responsibility for this course. The Ethical Principles of Psychologists will be upheld.

MFT/LCSW: The Lifespan Learning Institute is approved by the California Board of Behavioral Sciences (BBS) to provide continuing education for MFTs and LCSWs. This program meets the qualifications for up to **15** hours of CE as required by the California Board of Behavioral Science (PCE21).

NBCC: The Lifespan Learning Institute is an approved provider for the National Board of Certified Counselors. This program meets the qualifications for **15** hours of continuing education credits.

BRN: The Lifespan Learning Institute is approved by the California Board of Registered Nursing, provider # CEP 11952. This program is approved for **15** contact hours.

Learning Objectives: Participants Will Be Able To...

1. Describe three approaches which can be integrated in the treatment of psychosis.
2. Describe two contemporary evidence-based psychosocial treatments for psychotic disorders.
3. Explain how understanding the meanings to patients of delusions, hallucinations and psychotic thinking promotes recovery from psychosis.

SPECIAL NEEDS

We are committed to providing access and support to persons with special needs who wish to participate in the programs we sponsor. Please contact Karen Stern at contact@isps-us.org or (610) 308-4744 for more information.

PROGRAM COMMITTEE

Ira Steinman, MD, Chair
