

## PG&E – PCE Joint Rate Comparisons

As a part of our mutual commitment to support your energy choice, Peninsula Clean Energy and PG&E have partnered to create a comparison of our typical electric rates, average monthly charges and generation portfolio contents. Below you will find a representative comparison of our rates, average monthly bills and power generation portfolio content based on customer class. To find your specific electric rate, please scroll down to your rate plan to view the rate and bill comparisons.

## Definitions

**Generation Rate** is the cost of creating electricity to power your home or business. The generation rate varies based on your energy provider and the resources included in your energy provider's generation supply.

**PG&E Delivery Rate** is a charge assessed by PG&E to deliver electricity to your home or business. The PG&E delivery rate depends on your electricity usage but is charged equally to both PCE and PG&E customers.

**PG&E PCIA/FF** represents the Power Charge Indifference Adjustment (PCIA) and the Franchise Fee surcharge (FF). The PCIA is a charge to recover PG&E's costs for generation resources that are currently above the market rate. These resources were committed prior to a customer's switch to a third-party electric generation provider. PG&E acts as a collection agent for the Franchise Fee surcharge, which is levied by the California Public Utilities Commission on behalf of cities and counties in PG&E's service territory for all customers. The costs for resources included in the PCIA and FF surcharges are included in the generation rate for PG&E bundled service customers

## Where Do I Find My Electric Rate Schedule?

Need some help finding your electric rate? Go to the "Electric Delivery Charges" section of your energy statement - you'll find your electric rate in the upper left.

The image shows a screenshot of a PG&E Energy Statement. The top header includes the PG&E logo, the text "ENERGY STATEMENT" and "www.pge.com/MyEnergy", and account information: "Account No: 1023456789-0", "Statement Date: MM/DD/YYYY", and "Due Date: MM/DD/YYYY".

The main section is titled "Details of PG&E Electric Delivery Charges" and includes a date range "MM/DD/YYYY - MM/DD/YYYY (29 billing days)". Below this, it lists "Service For: 1234 Main Street" and "Rate Schedule: E1 S Residential Service", which is highlighted with a yellow box. A yellow line points from this box to the explanatory text below.

To the right of the charges section is a "Service Information" table with the following data:
