

CURRICULUM VITAE

Jonathan B. VanGeest, Ph.D.

ADDRESS

Office: College of Public Health
Moulton Hall, 800 Hilltop Drive
Kent State University
P.O. Box 5190
Kent, OH 44242-0001
TEL: 330.672.6514 (Direct)
FAX: 330.672.6505
Email: jvangees@kent.edu

EDUCATION

Ph.D., Medical Sociology. University of Illinois at Chicago, College of Liberal Arts and Sciences, Chicago, Illinois, 1998. Dissertation: Pathways to the Street: Vulnerability to Homelessness in America.

M.A., Sociology-Urban Studies (Dual Degrees). Michigan State University, College of Social Sciences, East Lansing, Michigan, 1991. Thesis: Underclass Poverty Effects on the Severity of Homelessness.

B.S., Sociology. Michigan State University, College of Social Sciences, East Lansing, Michigan, 1988.

PROFESSIONAL EXPERIENCE

Current Positions:

Professor, Health Policy and Management, College of Public Health, Kent State University, Kent, OH. Dates: 7/2014 – Present.

Faculty Affiliate, Center for Public Policy and Health, College of Public Health, Kent State University, Kent, OH. Dates: 9/2013 – Present.

Graduate Programs Coordinator, Health Policy and Management/Social and Behavioral Sciences, College of Public Health, Kent State University, Kent, OH. Dates: 1/2020-

Previous Positions:

Faculty, Post-Graduate Diploma Course in Global Health Procurement and Supply Chain Management, Empower School of Health (Kent State University), New Delhi, India. Dates: 9/2015– 9/2018.

Chair, Department of Health Policy and Management, College of Public Health, Kent State University, Kent, OH. Dates: 1/2012 – 12/2015.

Associate Professor, Department of Health Policy and Management, College of Public Health, Kent State University, Kent, OH. Dates: 8/2011 – 7/2014.

Director, Center for Health Informatics, Planning and Policy (CHIPP). Morgan State University, Baltimore, MD. Dates: 8/2010 – 8/2011.

Associate Professor and Chair, Department of Health Policy and Management. School of Community Health and Policy, Morgan State University, Baltimore, MD. Dates: 11/2007 – 8/2011.

Director, Doctoral Program in Leadership and Policy. Graduate College, Kennesaw State University, Kennesaw, GA. Dates: 4/2004 – 10/2007.

Associate Professor, WellStar College of Health and Human Services. Kennesaw State University, Kennesaw, GA. Dates: 4/2004 – 10/2007.

Director, Health Care Disparities Program. American Medical Association, Science, Quality and Public Health Standards Group, Chicago, IL. Dates: 10/2002 – 4/2004.

Senior Scientist, Medicine and Public Health. American Medical Association, Science, Quality, and Public Health Standards Group, Chicago, IL. Dates: 04/2001– 4/2004.

Scientist, Institute for Ethics. American Medical Association, Ethics Standards Group, Chicago, IL. Dates: 1998 – 2001.

Project Director, AMA National Health Index. American Medical Association, Division of Science, Technology, and Public Health Standards, Chicago, IL. Dates: 1997 – 1998.

Adjunct Assistant Professor, Department of Sociology. University of Illinois at Chicago, College of Liberal Arts and Sciences, Chicago, IL. Dates: 1996 – 2004.

Project Coordinator, Survey Research Laboratory. University of Illinois at Chicago, College of Urban Planning and Public Affairs, Chicago, IL. Dates: 1993 – 1997.

Teaching Assistant, Department of Sociology. University of Illinois at Chicago, College of Liberal Arts and Sciences, Chicago, IL. Dates: 1992 - 1993.

Research Associate, Study of Homelessness and the Urban Underclass. Michigan State University, Urban Affairs Programs, East Lansing, MI. Dates: 1990 - 1991.

Research Associate, Michigan 4-H Urban Impact Survey. Michigan State University, Michigan Cooperative Extension Service, East Lansing, MI. Dates: 1988 - 1989.

Research Associate, Benton Harbor Project for the Homeless. Michigan State University, Urban Affairs Programs, East Lansing, MI. Dates: 1988.

Director, Michigan Community Economic Development Coalition. Lansing, MI. Dates: 1986 - 1987.

Officer Cadet, U.S. Army Reserve Officer Training Corps. Michigan State University, East Lansing, MI. Dates: 1983 – 1986.

PROFESSIONAL MEMBERSHIPS

American Public Health Association (APHA)¹
American Association for Public Opinion Research (AAPOR)¹
Ohio Public Health Association (OPHA)
American Sociological Association (ASA)
Community-Campus Partnerships for Health (CCPH)
Illinois Sociological Association (ISA)
Michigan Academy of Science, Arts and Letters (MASAL)
Midwest Sociological Society (MSS)
Urban Affairs Association (UAA)

HONORS AND AWARDS

National Center for Health Statistics Director's Award
Kennesaw State University Collaborative Teaching Award
Kennesaw State University Faculty Mentorship Award
Alpha Kappa Delta Honors Society
Outstanding College Students of America
Michigan Competitive Scholarship
American Sociological Association Honors Program
United States Army 4-Year Scholarship

ACADEMIC AND RESEARCH INTERESTS

Health services research
Health policy
Minority health/Health care disparities
Survey research methodology/Program evaluation

¹ Denotes current membership

TEACHING EXPERIENCE

Courses taught:

Kent State University

EPI 73026 – Design and Implementation of Health Surveys

HPM 52015 – Emerging Issues in Public Health Policy and Management

HPM 52016 – Public Health Administration

HPM 53003 – Health Care Systems

HPM 53006 – Cost Benefit Analysis of Public Health Programs

HPM 53007 – Public Health Programs: Planning, Implementation and Evaluation

HPM 60195 – Survey Research Methods in Health Policy and Management
PH 10001 – Introduction to Public Health [Undergraduate]
PH 30015 – U.S. Health Care System [Undergraduate]
PH 30033 – Public Health Policy and Decision-Making [Undergraduate]
PH 44002/HPM 64002 – Global Health Immersion – Geneva, Switzerland [Undergraduate/Graduate]

Morgan State University

PUBH 503 – Policy and Health Services Planning and Management
PUBH 742 – Health Services Planning and Evaluation

Kennesaw State University

KSU 1101 – Introduction to the Health Sciences [Undergraduate]
NURS 4402 – Research Methods [Undergraduate]
NURS 7745/7746 – Research Applications and Outcome Evaluation
NURS 7785 – Health Policy and Finance
NURS 8863 – Advanced Care Management Leadership Project

University of Illinois at Chicago

SOC 100 – Introduction to Sociology [Undergraduate]
SOC 105 – Social Problems [Undergraduate]
SOC 451 – Medical Sociology

Workshops taught (selected):

Survey Research Methods
Community-Based Participatory Research
Evidence-Based Practice Fundamentals
Health Literacy
Patient Safety
Population-based Medicine
Program Evaluation
Professionalism/Leadership
Substance Abuse and Homelessness
Surveying Health Care Professionals
Survey Instrument Design
Developing Online Education Initiatives

Course/Curriculum Development:

Online MPH in Health Policy and Management (Kent State University). Led development of a cohort-based 100% online Master of Public Health (MPH) degree program (with Dr. Sonia Alemagno) for the KSU College of Public Health's Health Policy and Management Department.²

Leadership and Organizational Change MPH (Kent State University). Led development a Master of Public Health (MPH) cohort-based accelerated leadership degree program (with Drs. Ken Zakariasen and Sonia Alemagno) for the KSU College of Public Health's Health Policy and Management Department.

² First fully online degree program in the Kent State University College of Public Health

5-Year BSPH-MPH Degree Program (Kent State University). Developed a combined BSPH (Health Services Administration)/MPH (Health Policy and Management) accelerated degree program for the KSU College of Public Health, Department of Health Policy and Management.³

Clinical MPH (Kent State University). Led development of a proposal for Masters of Public Health (MPH) cohort-based accelerated clinical MPH degree program (with Drs. Sharon Hull and Sonia Alemagno) for the KSU College of Public Health's Health Policy and Management Department.⁴

Bachelor of Science in Public Health in Health Services Administration (Kent State University). Led development of a bachelor's degree for the KSU College of Public Health, Department of Health Policy and Management.

Health Services Administration Minor (Kent State University). Developed an undergraduate Health Services Administration minor for the KSU College of Public Health, Department of Health Policy and Management.

Public Health Evaluation Methods Certificate (Kent State University). Developed a postgraduate professional certificate in public health evaluation methods for the KSU College of Public Health, Department of Health Policy and Management, in partnership with faculty from the Department of Social and Behavioral Sciences. Courses covered program evaluation methods, economic evaluation methods, community health needs assessment, and data analysis.⁴

HPM 53011 Public Health Evaluation Methods. (Kent State University). Co-developed an elective course (with Dr. Peter Leahy) on evaluation methods for the KSU College of Public Health's Health Policy and Management graduate programs. Course is also a core requirement in the Public Health Evaluation Methods Certificate.

PH 44015 Public Health Management (Kent State University). Co-developed course (with Dr. Sonia Alemagno) for the KSU College of Public Health's BSPH *Allied Health* and *Health Services Administration* tracks.

HPM 60195 Survey Research Methods in Health Policy & Management (Kent State University). Developed a special topics online elective course on survey research methods for the KSU College of Public Health's Health Policy and Management graduate programs.

HPM 52016 Public Health Administration/Leadership (Kent State University). Major course revision (with Dr. Sonia Alemagno and Mr. Ken Slenkovich) for the KSU College of Public Health's Masters of Public Health graduate program, leadership track.

HPM 52016 Public Health Administration (Kent State University). Major course revisions for the KSU College of Public Health's Masters of Public Health graduate program (Fall 2015; Fall 2018; Summer 2019).

EPI 73026 Design and Implementation of Health Surveys (Kent State University). Major course update and revision for the KSU College of Public Health.

³ First accelerated degree program in the Kent State University College of Public Health.

⁴ Developed, approved, but not implemented.

EPI 63021 Ethical Issues in Public Health and Clinical Research (Kent State University). Developed learning modules on HIPAA, Informed Consent and International Research Ethics.

Post Graduate Diploma Course in Supply Chain Management (Kent State University). Collaborated with Mr. Ken Slenkovich to negotiate a partnership with the Empower School of Health (New Delhi, India) to support their Post Graduate Course on procurement and supply chain management of healthcare products.

Graduate Student Handbooks (Kent State University). Authored PhD and MPH student policy and curriculum (advising) handbooks for the KSU College of Public Health, Department of Health Policy and Management.

PhD Dissertation Manual (Kent State University). Authored a PhD Dissertation Manual outlining relevant policy and formatting requirements for the KSU College of Public Health, Department of Health Policy and Management.

Public Health Concentrations in Health Policy and Management (Morgan State University). Finalized curricula proposals for MPH and DrPH concentrations in health policy and management for submission to the Maryland Higher Education Commission (MHEC) and the Council on Education for Public Health (CEPH).

Health Records Management (Morgan State University). Developed a professional certificate program in Health Records Management, with a focus on applied interdisciplinary informatics. Certificate courses included: Theories of Electronic Health Records Systems, Applications in Health Records Management, Data for Evidence-based Decision-Making, and Applied Interdisciplinary informatics.

Community Health Leadership and Management (Morgan State University). Developed a professional certificate program in Health Leadership and Management, with a focus on applied interdisciplinary informatics. Certificate courses included: Theories of Leadership and Management in Health, Applications of Health Leadership and Management, Data for Evidence-based Decision-making, and Applied Interdisciplinary Informatics.

Planning and Health (Morgan State University). Developed a detailed prospectus submitted through the Morgan State University's School of Architecture and Planning for a joint (concurrent) Master's degree program in Urban Planning and Public Health.

Leadership and Policy Doctoral Program (Kennesaw State University). Led development of a comprehensive curriculum for an innovative interdisciplinary doctoral program in leadership and policy.

HS 4490/SW7900 Social Epidemiology (Kennesaw State University). Co-developed (with Dr. Timothy Akers) a social epidemiology course for the Department of Human Services in the WellStar College of Health and Human Services.

KSU 1101 Introduction to the Health Professions (Kennesaw State University). Co-developed (with Dr. Vanice Roberts) an introductory course on the U.S. health professions for incoming freshmen as part of the University's new First Year Experience Program.

NP/MPH Joint Degree Program. (Kennesaw State University). Led development a proposal and curriculum for a joint Nurse Practitioner/Masters of Public Health degree program for the Kennesaw State University Wellstar College of Health and Human Services.³

Sharon Barrett. Integrating Health Literacy into a Chronic Care Model: A Comparative Case Study of Five Safety Net Primary Care Organizations. Morgan State University, School of Community Health and Policy, DrPH, 2011.

GRANTS AND CONTRACTS

Telemedicine Training Grant. Regionally Aligned Priorities in Delivering Skills (RAPIDS) grant to provide training in telemedicine in an effort to equip healthcare professionals in Northeast Ohio in an effort to ensure a well-trained and highly qualified workforce that is essential to regional economic development and the provision of quality healthcare. [Public Health Co-investigator (CPH Assigned)]. Year Awarded: 2016. Total Amount: \$300,000

Substance Abuse and Mental Health Services Administration. SAMHSA System of Care Expansion Planning Grant. Sub-contract to evaluate the process used by the Stark County Mental Health and Health Services Recovery Board to develop their plan for improving, expanding and sustaining services provided through a system of care (SOC) approach for children and youth with serious emotional disturbances and their families. [Evaluation PI]. Year Awarded: 2014. Total Amount: \$35,792.

Kent State University – Akron Children’s Hospital Collaborative Health Research Awards. *Clinical Perception of Health Literacy and the Epilepsy Patient: An Exploratory Study Focusing on Treatment of Transition-Aged Adolescents.* Pilot study of health literacy issues associated with care and health outcomes among transition-aged youth (ages 16-24) with epilepsy. [Principal Investigator]. Year Awarded: 2012. Total Amount: \$6,500.

Baltimore Homeless Services/Baltimore Mayor’s Office. *Biennial Baltimore Homeless Census.* Project to conduct the U.S. Department of Housing and Urban Development (HUD)-mandated biennial

one-day census count and survey of the homeless in the City of Baltimore. [Co-investigator]. Year Awarded: 2010. Total Amount: \$20,000.

Administrative Office of the Courts (AOC)/ Maryland Judiciary. *Problem-Solving Courts Evaluations.* Facilitated grant to Morgan State University from the AOC supporting ongoing and expanded work in evaluating Maryland's problem-solving courts. [School of Community Health and Policy Judiciary Research Consortium Liaison]. Year Awarded: 2010. Total Amount: \$330,000.

U.S. Department of Education (Title III). *CHIPP Supplemental Funding.* Title III supplemental funding supporting development of the Morgan State University Center for Health Informatics, Planning and Policy (CHIPP). [Principal Investigator]. Year Awarded: 2010. Total Amount: \$15,000.

U.S. Centers for Disease Control and Prevention. *Center for Health Informatics, Planning and Policy (CHIPP): Addressing the Social Determinants and Impact of Health Disparities.* Development of an interdisciplinary Center for Health Informatics, Planning and Policy within the Morgan State University's Office of Academic Affairs, in partnership with MSU's Schools of Community Health and Policy, Architecture and Planning, and Social Work. [Principal Investigator]. Year Awarded: 2010. Total Amount: \$1,000,000 (\$200,000/year)⁵

U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services. *Diabetes Interventions in Minority Communities: A Review of the Evidence.* Contract to conduct review of diabetes management practices in urban racial and ethnic minority populations. [Co-investigator; PI Timothy Akers]. Year Awarded: 2009. Total Amount: \$25,035.

Maryland Higher Education Commission (MHEC). *Applied Interdisciplinary Informatics Curriculum to Address Needs of BRAC and MHEC.* Develop distance education/distance learning certificate programs in support of the Base Realignment and Closure (BRAC)/MHEC initiative for the State of Maryland in the areas of Health Leadership and Management, Health Records Management, Bioinformatics, and Planning and Health. [Co-PI; PI: Timothy Akers]. Year Awarded: 2008. Total Amount: \$107,059.

Baltimore Homeless Services/Baltimore Mayor's Office. *Baltimore Homeless Shelter Impact Analysis.* Conduct a community-based impact assessment to inform the city's planned location of a homeless shelter in down town Baltimore, MD. [Co-PI; PI: Mary Ann Alabanza-Akers]. Year Awarded: 2008. Total Amount: \$67,000.

Baltimore Homeless Services/Baltimore Mayor's Office. *Baltimore Homeless Census.* Conduct a one-day census of the homeless in Baltimore, Maryland. [Co-PI; PI: Mary Ann Alabanza-Akers]. Year Awarded: 2008. Total Amount: \$20,000.

Institute of Medicine. *Health Policy and Management Library.* Endowment of books and other materials valued at \$10,000 in support of the development of a new health policy library in the School of Community Health and Policy at Morgan State University. Year Awarded: 2008. Total Amount: \$10,000.

Georgia's Dept. of Human Resources, Division of Public Health & HIV Section/CDC. *Update of HIV/AIDS Comprehensive Plan for 2009-2013.* Develop Georgia's first five (5) year HIV/AIDS

⁵ \$3,235,004.00 (5 years) approved.

Comprehensive Plan to be used by community-based groups, policy-makers, and academics, among others. [Co-investigator; PI: Timothy Akers]. Year Awarded: 2007. Total Amount: \$112,601.

The Robert Wood Johnson Foundation. *Clinical Screening of Patients Understanding to Improve Quality and Reduce Disparities: A Program Assessment.* Implement/Assess a model clinical quality improvement program to improve care for patients' with low health literacy. [Co-PI; PI: Verna Welch]. Year Awarded: 2006. Total Amount: \$250,000.

The Robert Wood Johnson Foundation. *Physician Forum on Disparities in Health Care.* Convene a meeting of the Federation of Medicine to review the Institute of Medicine report on racial/ethnic disparities in health care and make policy recommendations for change. Develop a Federation of Medicine task force on disparities in health care. [Co-investigator; PI: Arthur Elster]. Year Awarded: 2004. Total Amount: \$200,000.

Washington Square Foundation. *Health Disparities Introductory Kit.* Develop an introductory kit targeting clinicians addressing racial/ethnic disparities in health care. [Co-PI; PI: Arthur Elster]. Year Awarded: 2003. Total Amount: \$45,000.

Pfizer Inc. *Evaluation of the AMA Foundation's Health Literacy Kit.* Conduct evaluation of the American Medical Association Foundation's Health Literacy Introductory Kit. [Principal Investigator]. Year Awarded: 2001. Total Amount: \$40,000.

Greenwall Foundation. *Healthcare Privacy: Measuring Performance.* Develop a consensus report on health care privacy. [Co-investigator; PI: Matt Wynia]. Year Awarded: 2001. Total Amount: \$25,000.

Health Resources and Services Administration (HRSA). *Identification of Issues and Recommendations to Enhance Physician Participation in Organ Donation.* National study to examine issues specific to clinicians' roles in improving organ and tissue donation. [Co-PI; PI: Priscilla Short]. Year Awarded: 2000. Total Amount: \$51,500.

Agency for Healthcare Research and Quality. *Healthcare Privacy: Measuring Performance.* Small Conference Grant on Privacy and Confidentiality Issues in Health Care. [Principal Investigator/Project Manager]. Year Awarded: 2000. Total Amount: \$52,000.

Michigan State University/ All University Research Initiation Grant. Homelessness and the Urban Underclass. Study in Benton Harbor, Michigan examining the structural and personal antecedents to homelessness. [Principal Investigator]. Year Awarded: 1990. Total Amount: \$50,000.

Michigan State University. *Homelessness and Community Service Provision.* Needs Assessment of services for the homeless in Benton Harbor, Michigan. [Principal Investigator]. Year Awarded: 1987. Total Amount: \$15,000.

PROPOSALS UNDER REVIEW or NOT AWARDED (Selected)

U.S. Centers for Disease Control and Prevention. *A Coordinated Intervention for Improved Detection and Treatment of Glaucoma and Other Eye Diseases in a High-Risk Community Health Center Population.* Project proposal submitted in response to the CDC-RFA-DP-19-004, Improving Detection and Management of Glaucoma and Other Eye Diseases among High Risk Populations. [Evaluation co-I]. Year Submitted: 2019. Total Amount: \$373,408.00 (KSU Sub-award Total). Status: Under review.

National Institutes of Health/National Cancer Institute. *Understanding Physician Survey Response Behavior.* Project to determine not only what might work to increase physician survey participation but why certain tactics may or may not work through the use of theory to guide the investigation and its leveraging of both qualitative and quantitative methods. [Co-investigator; PI: Timothy Beebe, Mayo Clinic]. Year Submitted: 2016. Total Amount: \$111,097.17 (KSU Sub-award amount). Status: Not Awarded.

Centers for Medicare and Medicaid Services. *The ETHOS Project – Embedded Transitional Healthcare Operations for Savings.* Sub-contract to provide evaluation services to Summa Health System in relation to their 2012 Centers for Medicare & Medicaid Health Care Innovation project submission. [Co-investigator/Evaluation PI; PI: Sharon Hull]. Year Submitted: 2012. Total Amount: \$359,179.53 (3 years). Status: Not Awarded.

Ohio Department of Health. *2012 Ohio Youth Tobacco Survey.* Collaboration on bid to conduct the 2012 Ohio Youth Tobacco Survey submitted by the Kent State University Survey Research Laboratory (SRL). [Co-investigator; PI: Scott Olds]. Year Submitted: 2012. Total Amount: \$163,955. Status: Not Awarded.

Ohio Colleges of Medicine. *Ohio Family Health Survey.* Collaboration on bid to conduct the 2012 Ohio Family Health Survey submitted by the Kent State University Survey Research Laboratory (SRL). [Co-Principal Investigator; PI: Scott Olds]. Year Submitted: 2012. Total Amount: \$723,670. Status: Not Awarded.

Patient-Centered Outcomes Research Institute (PCORI). *Consortium for Effective Access to Health Care.* Create a consortium of institutions in northeast Ohio conducting research on effective access to health care. Partnering institutions include Summa Health System (lead), Kent State University College of Public Health (co-lead), NEOMED, and Children's Hospital. [Co-PI; PI: Sharon Hull]. Year Submitted: 2011. Total Amount: \$641,440.00 (2 years). Status: Not Awarded.

National Library of Medicine. *MINDS e-Health 2.0.* Develop project utilizing NLM databases to create health information resources designed to increase health literacy among African American youth on the Morgan State University campus and in the surrounding Baltimore community. [Co-PI; PI: Timothy Akers]. Year Submitted: 2010. Total Amount: \$300,000 (3 years). Status: Not Awarded.

Robert Wood Johnson Foundation/ Public Health Law Research Program. *B-MORE! Baltimore's Youth Gang Violence Prevention Project: An Epidemiological Criminology Intervention Approach.* Development and beta-testing of problem-solving-courts-based interventions to address gang violence in Baltimore utilizing and an interdisciplinary Epidemiological Criminology framework. [Co-PI; PI: Timothy Akers]. Year Submitted: 2010. Total Amount: \$150,000. Status: Not Awarded.

Maryland General Assembly. *Program for Advanced Research in Food Informatics, Safety and Security (PARFISS).* Development of a multidisciplinary Center for Advanced Research in Food Informatics, Safety and Security within the Morgan State University's Office of Academic Affairs, in partnership with MSU's School of Computer, Mathematical and Natural Sciences. [Co-PI; PI: Timothy Akers]. Year Submitted: 2010. Total Amount: \$3,003,550 (5 years). Status: Not Awarded.

Maryland General Assembly. *Center for Learning Environmental Analysis and Research (CLEAR).* Development of a multidisciplinary Center focusing on environmental informatics for student learning. CLEAR is created in partnership with the MSU Schools of Computer, Mathematical and Natural Sciences (SCMNS) and Architecture and Planning (SA+P). [Co-investigator; PI: Timothy Akers]. Year Submitted: 2010. Total Amount: \$3,003,550 (5 years). Status: Not Awarded.

Sanofi-Aventis, Inc. *CHP-CHAT II*. Collaboration with faculty at the University of Maryland Baltimore to evaluate Sanofi-Aventis' Community Health Partnership (CHP) activities. [Co-investigator; PI: Timothy Akers]. Year Submitted: 2009. Total Amount: \$200,000. Status: Not Awarded.

Sanofi-Aventis, Inc. *Health Disparities Training*. Conduct professional trainings on health disparities in six (6) cities associated with Sanofi-Aventis' Community Health Partnership (CHP) initiatives. [Co-PI; PI: Lorece Edwards]. Year Submitted: 2009. Total Amount: \$65,995. Status: Not Awarded.

National Institutes for Health/ National Center on Minority Health and Health Disparities (NCMHD). *Joint Center for Epidemiological Criminology*. Collaborative effort between Morgan State University and the University of Central Florida to develop the first Joint Center for Epidemiological Criminology to address racial and ethnic health disparities and derive solutions at the intersection of public health and criminal justice. [Co-Principal Investigator/Research Core co-PD; PI: Timothy Akers]. Year Submitted: 2009. Total Amount: \$6,085,932. Status: Not Awarded.

National Institutes for Health/ National Center on Minority Health and Health Disparities (NCMHD). *Maryland Center for Minority and Immigrant Health*. Collaborative effort between the University of Maryland and Morgan State University to develop a Maryland Center for Minority and Immigrant health. Proposal includes a study evaluating a clinical intervention to improve care for patients with limited or low health literacy. [Co-PI; PI: Robert Gold]. Year Submitted: 2008. Total Amount: \$6,949,168. Status: Not Awarded.

National Science Foundation (NSF). *Open Source Tools for Rapid Response Research into Organizational Learning*. SGER study using innovative open source tools to examine rapid response information about health sector organizational preparedness following Hurricane Katrina. [Principal Investigator]. Year Submitted: 2006. Total Amount: \$108,234. Status: Not Awarded.

National Patient Safety Foundation. *Clinical Leadership to Improve Patient Safety: A Multi-Hospital Study of Physicians, Nurses, and Pharmacists*. Proposal to study front-line clinical leadership to improve patient safety within different hospital systems and to make recommendations on improving cultures of care to facilitate clinical decision-making. [Co-PI; PI: Priscilla Short]. Year Submitted: 2005. Total Amount: \$90,000. Status: Not Awarded.

National Institutes for Health (NIH RO1). *Health Literacy in Medical Practices*. Proposal to assess medical practices currently used to identify and communicate with patients with low health literacy and to make policy and practice recommendations for improving care for at-risk patients. [Co-PI; PI: Joanne Schwartzberg]. Year Submitted: 2004. Total Amount: \$450,000. Status: Not Awarded.

U.S. Centers for Disease Control and Prevention. *Measuring the Patient Context, Improving our Nation's Health One Patient at a Time*. Career development proposal to develop a framework for systematically measuring variables important to the patient context and to assess the ability to integrate these measures within existing performance measurement sets, beginning with the management of adult diabetes. Proposed study would also examine the impact of integrated performance measurement sets on practitioner behavior and on clinical processes and outcomes. [Principal Investigator]. Year Submitted: 2004. Total Amount: \$725,960. Status: Not Awarded.

CONTRIBUTIONS TO OTHER SCIENTIFIC AND RESEARCH PROJECTS

Project Consultant (2020). Structured Transition Protocol for Adolescent (RISE Protocol) for Patients with ALPORT Syndrome. Proposal submitted to the ALPORT Syndrome Foundation. Akron Children's Hospital, Akron, OH.

Team Member (2018). U.S. Department of Health and Human Services Indefinite Delivery Indefinite Quantity (IDIQ) Specialized Technical Services in the Area of Minority Health (RFP #18-233-SOL-00067). Delmock Technologies, Inc., Baltimore, MD.

Project Consultant (2018). National Institutes of Health Information Technology Acquisition and Assessment Center (NITAAC) CIO-SP3 Historically Underutilized Business Zone (HUBZone) contract. Delmock Technologies, Inc., Baltimore, MD. Contract awarded (July 2018).

Kent State University Team Lead (2012). Substance Abuse and Mental Health Services Administration (SAMHSA) Indefinite Delivery Indefinite Quantity (IDIQ) prime contract for Domain IV- Technical Assistance and Training. Delta Solutions and Technologies, Inc., Reston, VA. Proposal No. 283-12-1000 for the project entitled SAMHSA IDIQ. Contract awarded.

Research Consultant (2012). Patients, Family Practice and Dietitians: A Team Approach to Heart Failure. Academy of Nutrition and Dietetics. Proposal submitted to the Patient Centered Outcomes Research Institute (PCORI). Kent State University College of Public Health Sub Award: \$30,000.

Evaluation Consultant (2012). Research Ethics Educational Training for a Latin American Malaria Research Network. International Research Ethics Education and Curriculum Development Program (R25) [NIH/FIC]. Kent State University, College of Public Health, Global Health Programs.

Research Consultant (2012). Innovative Dissemination of AAOS Evidence-Based Clinical Practice Guidelines. American Academy of Orthopaedic Surgeons. Proposal submitted to the Centers for Medicare and Medicaid Services.

Research/Evaluation Consultant (2010). B-more for Health: East & West Side Community Approaches Program to Address Inequalities in CVD, Diabetes, and Obesity. Baltimore City Health Department.

Research/Evaluation Consultant (2010). Obesity Prevention through Improved Nutrition and Physical Activity. ARRA Prevention and Wellness – Leverage National Organizations (CPPW) (OS-PAW-10-001). American Dietetic Association.

Research/Training Consultant (2006). Teaching Cultural History and Sensitivity in Prevention and Treatment of Diseases in US Immigrant Populations. Western Michigan University.

Research Consultant (2004). ADVANCE: A Partnership to Advance Integrating Race, Ethnicity, and Primary Language Data with National Clinical Performance Measures to Improve Health Care. American Medical Association (AMA) and the American Hospital Association Health Research and Educational Trust (AHA-HRET). Funded September 7, 2005. Funding Agency: The Robert Wood Johnson Foundation (Grant Number: 051071). Award Amount: \$175,642.00.

UNIVERSITY SERVICE

Kent State University

Academic Committees:

Member, Graduate Affairs Administrative Committee, College of Public Health, Kent State University, 2020-

Member, College Advisory Committee (CAC), College of Public Health, Kent State University, 2017-

Member, Finance and Budget Committee, College of Public Health, Kent State University, 2018-

Member, Doctoral Program Taskforce, College of Public Health, Kent State University, 2017-

Member, College Curriculum Committee (CCC), College of Public Health, Kent State University, 2016-

Member, Reappointment, Tenure & Promotion Committee, College of Public Health, Kent State University, 2017-

Member, Administrative Review Committee, Dean of the College of Communication & Information, Office of the Provost, Kent State University, 2019-2020.

Member, Graduate Studies Advisory Committee, Office of the Provost, Kent State University, 2019-2020.

Member, Faculty Senate Budget Advisory Committee (FASBAC), Kent State University, 2016-2020.

Member, Faculty Handbook Committee, College of Public Health, Kent State University, Kent State University, 2018-2020.

Member, Ad hoc Committee to Review the MPH Comprehensive and PhD Candidacy Exams, College of Public Health, Kent State University, 2019-2020.

Member, Ad hoc Committee to Review Graduate Faculty Status, College of Public Health, Kent State University, 2019-2020.

Member, Educational Policies Council (EPC), Kent State University, 2011-2014; 2016-2019.

Member, Non-Tenure Track Promotion Advisory Board (NTTPAB), College of Public Health, Kent State University, 2017-2018.

Member, Promotion Advisory Board (PAB), Office of the Provost, Kent State University, 2016-2018.

Chair, Graduate Programs Committee, Department of Health Policy and Management, College of Public Health, 2016-2017.

Chair, Curriculum Committee, Department of Health Policy and Management, College of Public Health, 2016-2017.

Chair, Ad hoc Committee to Review the BSPH Program, Department of Health Policy and Management, College of Public Health, 2017.

External Member, Reappointment, Tenure and Promotion (RTP) Committee, Department of Social and Behavioral Sciences, College of Public Health, Kent State University, 2016.

External Member, Reappointment, Tenure and Promotion (RTP) Committee, Department of Biostatistics, Environmental Health and Epidemiology, College of Public Health, Kent State University, 2016.

Member, Research Committee, College of Public Health, Kent State University, 2011-2016.

Member, Search Committee for the Dean of University College (formerly Undergraduate Studies), Office of the Provost, Kent State University, 2015.

Member, President's Advisory Committee (PAC), Kent State University, 2012-2015.

Member, Executive Committee, College of Public Health, Kent State University, 2012-2015.

Member, Chairs and Directors Council, Office of the Provost, Kent State University, 2012-2015.

Member, University Requirements Curriculum Committee (URCC), Kent State University, 2011-2012 (Faculty Representative); 2012-2015 (Administration Representative).

Volunteer, Upward Bound Programs, Division of Diversity, Equity and Inclusion, Kent State University, 2013-2014.

Member, Search Committee for the Dean of the College of Nursing, Office of the Provost, Kent State University, 2013.

Member, Academic Affairs Strategic Planning Committee (AASPC), Office of the Provost, Division of Academic Affairs, Kent State University, 2012-2013.

Chair, Enhancing Academic Excellence and Innovation Subcommittee, AASPC, Office of the Provost, Division of Academic Affairs, Kent State University, 2012-2013.

Member, Undergraduate Curriculum Committee (UGCC), College of Public Health, Kent State University, 2011-2012.

Student Group Advising:

Faculty Advisor, Students Supporting Israel, Kent State University, 2016-2020.

Faculty Advisor, The Kent Conservative, Kent State University, 2018-2019.

Faculty Advisor, Turning Point USA, Kent State University, 2018-2020.

Morgan State University (selected committees 2008-2011)

Member, Morgan Online Education Committee, Morgan State University, 2010-2011.

Member, Planning Committee, Applied Interdisciplinary Informatics Program, Morgan State University, 2008-2011.

Member, Executive Committee, School of Community Health and Policy, Morgan State University, 2007-2011.

Member, Public Health Program Leadership Committee, School of Community Health and Policy, Morgan State University, 2007-2011.

Chair, Admissions Committee, School of Community Health and Policy, Morgan State University, 2009-2011.

Co-Chair, Research Committee, School of Community Health and Policy, Morgan State University, 2007-2009.

Chair, CEPH Accreditation Workgroup (Chapter 4 author), School of Community Health and Policy, Public Health Program, Morgan State University, 2008-2009.

Member, CEPH Accreditation Workgroup (Chapter 1 co-author), School of Community Health and Policy, Public Health Program, Morgan State University, 2008.

Member, Comprehensive Exam Committee. School of Community Health and Policy, Morgan State University, 2007-2008.

Kennesaw State University (selected committees 2004-2007)

Member, Institutional Review Board, Kennesaw State University, 2006-2007.

Member, Graduate Policy and Curriculum Committee, Kennesaw State University, 2006-2007.

Co-Chair, Planning Committee, KSU Applied Research Retreat. The A.L. Burris Institute, Kennesaw State University, 2006.

Member, Programs Assessment Committee, School of Nursing, WellStar College of Health and Human Services, Kennesaw State University, 2006-2007.

Co-Chair, Doctoral Program Development Taskforce. Graduate College, Kennesaw State University, 2004-2007.

Member, Evaluation Committee, School of Nursing, WellStar College of Health and Human Services, Kennesaw State University, 2005-2006.

REGIONAL, STATE, AND NATIONAL SERVICE

Planning Committee, Grant Writing Workshop, Rebecca D. Considine Research Institute, Akron Children's Hospital, 2019.

Reviewer, Grant Writing Workshop, Rebecca D. Considine Research Institute, Akron Children's Hospital, 2019.

Exam Reviewer, American Podiatric Medical Licensing Examination, National Board of Podiatric Medical Examiners (NBPME), 2017.

External Reviewer, Reappointment, Tenure and Promotion (RTP) Committee for Jennifer M. Reingle Gonzalez, PhD, The University of Texas Health Science Center at Houston (UTHealth), School of Public Health, 2016.

Member, Resident Research Committee, College of Pharmacy, Northeast Ohio Medical University, 2014-2016.

Member, Summa Health System Board Quality Committee, Summa Health System, 2014-2017.

Member, Home Health and Hospice Professional Advisory Board, Summa Health System, 2013-2018.

Section Councilor, Medical Care Section, American Public Health Association, 2012-2015.

Member, National Advisory Board, Center for Health Informatics, Planning and Policy (CHIPP), Morgan State University, 2012-2013.

Member, Collaborative Research Committee, Kent State University and NEOMED (Northeast Ohio Medical University) Joint Strategic Planning Effort for Northeast Ohio, 2011-2013.

Co-Chair, Finding Answers Dissemination and Translation Working Group. The Robert Wood Johnson Foundation Finding Answers Disparities Research for Change Program, University of Chicago, 2008-2012.

Organizational Liaison, Base Realignment and Closure Initiative (BRAC) Initiative. Maryland Office of the Governor, 2008-2011.

Member, Baltimore Community Health Action Team, Sanofi-Aventis, Baltimore, MD, 2008-2011.

Member, Greater Baltimore Region Power to End Stroke (PTES) Ambassador Task Force. American Heart Association and the American Stroke Association, 2009-2010.

Organizational Liaison, Judiciary Research Consortium, Maryland Office of the Courts, 2008-2010.

Member, Kennesaw State University Presidential Search and Advisory Committee. Board of Regents of the University System of Georgia, 2005-2006.

Participant, Working Group to Develop CDC's First Agency-wide Research Agenda. U.S. Centers for Disease Control and Prevention, 2005.

Facilitator, Revisiting GRACE (Georgia's Response to Health Disparities by Addressing Cultural Competence and Equity in Health Care). Georgia Office of Minority Health, Department of Community Health, 2005.

Member, Planning Committee, Cobb and Cherokee County Heart Walk. American Heart Association, 2005.

Member, Reviewer Panel, Patient-Centered Communication for Vulnerable Populations Initiative, Ethical FORCE, American Medical Association, 2004-2006.

Member, Planning Committee, Improving the Health of Chicago: Solutions to Resolve Health Disparities, Institute of Medicine of Chicago, 2004.

Organizational Liaison, Advisory Council for the Elimination of Tuberculosis, 2003-2004.

Member, National Advisory Panel, Developing and Testing a Uniform Framework for Collection of Hospital Data by Race, Ethnicity, and Primary Language. Health Research and Educational Trust, American Hospital Association, 2003-2007.

Member, Electronic Health Record System External Advisory Board. Alliance of Chicago Community Health Services, 2003-2005.

Organizational Liaison, ACET Consultation – Tuberculosis in America: Disparities in the Southeast. Centers for Disease Control and Prevention, U.S. Department of Health & Human Services, 2003-2004.

Organizational Liaison, Memorandum of Understanding between the American Medical Association and the U.S. Department of Health and Human Services Office of Disease Prevention and Health Promotion supporting the goals of Healthy People 2010, 2001-2004.

Organizational Liaison, Liaison Panel on Assuring the Health of the Public in the 21st Century. Institute of Medicine, 2001-2002.

Organizational Liaison, Task Force on Community Preventive Services. Centers for Disease Control and Prevention, U.S. Department of Health & Human Services, 2001-2005.

Member, Working Group on National Electronic Medical Record Systems. Science, Quality, and Public Health Standards, American Medical Association, 2001-2002.

Member, Planning Committee, Reducing Health Disparities in Chicago: The Role of Population-Based Medicine in Clinical and Public Health Practice. Conference sponsored by the Chicago Medical Society and the University of Illinois Prevention Research Center, 2001.

Member, Working Group to Revise the National Home and Hospice Care Survey (NHHCS). National Center for Health Statistics (NCHS), U.S. Centers for Disease Control and Prevention U.S. Department of Health & Human Services, 2001.

Member, Expert Taskforce on End-of-Life Care, Ethics Standards Division, American Medical Association, 2000-2001.

Member, Taskforce to Improve Organ and Tissue Donation. Science, Quality, and Public Health Standards, American Medical Association, 2000-2002.

Member, Quality Measurement and the Appropriate Care of the Dying Patient. Last Acts: A National Coalition to Improve Care and Caring at the End of Life, 2000.

Member, Panel to Evaluate the U.S. Standard Certificates. National Center for Health Statistics (NCHS), Centers for Disease Control and Prevention, U.S. Department of Health & Human Services, 1998-1999.

Member, Committee to Enhance Physician Cultural Competence. Cultural Competence Initiative, American Medical Association, 1998.

PROFESSIONAL SERVICE

Mock Grant Reviewer, Department of Family and Community Medicine, Northeast Ohio Medical University (NEOMED), 2020.

Consultant to Delmock Technologies, Inc. (HHS proposal development/Specialized Technical Services in the Area of Minority Health), 2018.

Consultant to the American Academy of Orthopaedic Surgeons (AAOS), 2012-13.

Evaluation Consultant to the Academy of Nutrition and Dietetics (formerly the American Dietetic Association), 2012-14.

Grant Writer for the Academy of Nutrition and Dietetics (formerly the American Dietetic Association), 2011-2013.

Consultant to the American Dietetic Association. Energy Expenditure Workgroup, ADA Evidence-Based Guidelines for Practice, 2010.

Consultant to the American Dietetic Association. Validation Study of Nutritional Practice Guidelines for Patients with Acute Traumatic Brain Injury, 2008-2010.

Consultant to Avanta, Inc. Evaluation of Grady Heath System in Atlanta, GA, 2007-2008.

Consultant to the American Dietetic Association. Scientific/technical writer for the ADA's Evidence-based Practice Center, 2007-2011.

Consultant to the Association of Black Cardiologists, Inc. Scientific overlay team for the development of the CHOICES faith-based intervention to improve CVD outcomes in African American Communities, 2004-2006.

Consultant to the Association of Black Cardiologists, Inc. Evaluation of the *Not in Mama's Kitchen* secondhand tobacco smoke campaign in Georgia, 2004-2005.

Consultant to the American Medical Association, Science, Quality and Public Health Standards Group. Health literacy initiatives, 2004-2007.

Consultant to the American Medical Association, Science, Quality and Public Health Standards Group. Validation study of clinical quality improvement guidelines, 2004-2006.

Consultant to the Chicago Medical Society. Development of a city-wide intervention to educate clinicians about the importance of low health literacy, 2002-2004.

Consultant to the American Medical Association Foundation. Evaluation of the AMA's Health Literacy Introductory kit for physicians, 2001-2004.

Consultant to the National Patient Safety Foundation. National patient safety educational needs assessment of physicians and nurses/Improving Patient Safety through Web-based Education project, 2001-2003.

Consultant to the PBM Strategic Healthcare Group, Hines Veteran's Administration Hospital. Proposal development, study design and data analyses, 2001.

Consultant to the American Academy of Physical Medicine and Rehabilitation. Development of the AAPM&R Resident's Research Packet, 2001.

Consultant to the American Medical Association House of Delegates, Minority Affairs Consortium. Staff analyst for racial and ethnic health disparities issues, 2000-2001.

Consultant to the American Medical Association's Ethical Fundamental Obligations Report Card Evaluation Program (Ethical F.O.R.C.E.), Expert Advisory Panel on Health Care Privacy. Program design and evaluation, 1998-2001.

Consultant to the American Medical Association, Ethics Standards Division. Evaluator/ methodologist for the Education for Physicians in End-of-Life Care (EPEC) Project, 1999-2000.

Consultant to the American Medical Association, Public Health Standards Division. Evaluation of the AMA's How to Quit Tobacco Cessation Program, 1997.

Consultant to the Rocky Mountain Tobacco-Free Challenge. Program Evaluator, 1995.

Consultant to the Michigan State University Center for Urban Affairs Benton Harbor Project. Community-based needs assessment of emergency services for the homeless in Benton Harbor, MI, 1990-1991.

Consultant to the Michigan State University Center for Urban Affairs Grand Rapids Community Development Component. Evaluation of the urban 4-H programs in Grand Rapids, MI, 1990.

Consultant to the Michigan Cooperative Extension Service. Program evaluation, 1990.

Consultant to the Michigan State Housing Development Authority (MSHDA) Neighborhood Builders Alliance. Program evaluation, 1990.

Consultant to the Michigan Neighborhoods Association. Evaluation of state-wide community economic development programs, 1990.

Consultant to the Blossomland Area Community Action Agency, Benton Harbor, Michigan. Agency-wide program evaluation and community needs assessment, 1989.
