DELUXE ADVENTURE

Something's killing gods and other high-ups in the planes, and no one knows who—or why! On the heels of the events in *The Great Modron March*, this epic adventure leads players throughout the planes and right into the middle of events that'll shake the multiverse to its core. Playable as one adventure or many, *Dead Gods* brings back an evil villain long thought dead by AD&D game players everywhere.

### WARRIORS 7

*The Wayward Knights* is the dramatic conclusion to the tale that began in *Knights of the Crown*. Sir Pirvan ascended to the highest order of Solamnic knighthood despite his less than auspicious beginnings as a thief. He became the founder of an obscure group of knights whose similarly dubious backgrounds caused them to be dubbed the Wayward Knights. Now Sir Pirvan is about to be put out to pasture when he again answers the call of duty, aided only by the knights he recruited so many years ago.

# MARVEL™ SUPER DICE

Go toe-to-toe with the  
Uncanny X-Men!

MARVEL™  
SUPER DICE  
6920P

### COLLECTIBLE DICE GAME

Bring your SUPER HEROES and SUPER-VILLAINS to the table and mix it up! A new collectible dice game based on characters from

the MARVEL™ Universe springs into action!

The basic game is based on the X-MEN and EXCALIBUR members, plus just plain folks in an all-out battle for New York City. The basic game set contains 16 dice (3 rare, 5 uncommon, and 8 common dice) and game tiles representing HQ, city and out-of-town areas. Rules for two- and three-player games and quick reference cards complete the set for one player.
