A SHELLUVA MONTH!

61

Gamera, the terrapin hero on the half shell that thrilled decades of Sci-fi fans gets the deluxe treatment from Arrow Video this month! GAMERA: THE COMPLETE COLLECTION includes all twelve of the Japanese films, from the fire-breathing turtle's adventures as Friend of all Children to Guardian of the Universe! This collection includes 8 Blu-rays, and also includes two hardback books, with memorabilia and recollections in a hard shell (natch) case! But don't move like a turtle. Snap this limited edition up quick!

From a giant tortoise to Super fruit, the carnage continues with the deluxe DVD of ATTACK OF THE KILLER TOMATOES: SPECIAL EDITION. Watch the vengeful killer seed mash its enemies to a pulp in this glorious new package with lots of extra sauce! On the tomato tip, the website Rotten Tomatoes has garnished THE TAKING OF DEBORAH LOGAN an impressive 89% approval rating! See a dark and ominous force looking to bust out of an Alzheimer's patient, and its desire to consume anything that tries to stop it!

Witness ZOMBIE FOR SALE, (zombie meets lowdown locals), NAZI ZOMBIE (aren't they all?) and if those don't fire you up, we dispense a DVD documentary on the Sweet Leaf-CANNIBIS.

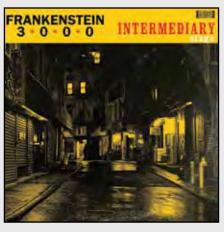

Sounds abound with a new LP and CD from THE RESIDENTS, and their tribute to the blues. Give a sniff to METAL, MEAT & BONE: THE SONGS OF DYIN' DOG. Kick out the jazz with new releases from AL DIMELOLA and WEATHER REPORT, and it's a Bear Market this month with new releases from Bear Family! The KRAUT! Volume 2 CD continues a series devoted to the history of German music and LOCKDOWN SESSIONS is a CD of blues musicians from around the world, contributing to this project from their various shelter-in-place locations.

A great MVD July! No hard shell needed!

Check out MVDb2b.com for more great titles from MVD.

Gral Brothers - Caravan East Vinvi

This is Instrumental Desert Music...with elements of psychedelia, spaghetti westerns, sci-fi, and ambient, and Americana.

Recorded in Albuquerque, NM over roughly two years, "Caravan East" sounds like timeless cross-sections of 'burque, distorted, reverberated, psychedelic, and sun-drenched. The GRAL Brothers are Greg Williams (drums, percussion, tape loops, effects, mixing, production) and Alex McMahon (guitars, pedal steel, bass, effects). Think of this as a soundtrack to a David Lynch that doesn't yet

Lowrider - Ode To lo Deluxe Edition (Remastered) viny

The ultimate edition of the debut album from the progenitors of Swedish desert-rock, fully remastered with bonus tracks!

At the dawn of the internet, musicians around the world coalesced in their wake of defunct Palm Springs originators Kyuss to craft their own visions for the desert rock sound. Standing foremost among them was Lowrider, whose debut, "Ode to Io," became the blueprint that countless others would follow. Now that rumbling chronicle of seminal desert fuzz-heaviness returns in deluxe remastered glory!

2LP, 26 track set includes 16 new Residents recordings their Dyin' Dog interpretations plus 6 new songs inspired by Dyin' Dog plus the 10 original Dyin' Dog demos.

Realizing a career-long ambition, The Residents finally explore The Blues! Having been turned on to the music of lost bluesman Alvin Snow, aka Dyin' Dog, the group presents their interpretations of all ten of Snow's known recordings, alongside several new compositions inspired by his work. Fans will be familiar with The Residents love of cover versions and imposing themselves on the material of countless seminal artists. Metal. Meat & Bone sees the group take that approach a step further, having discovered a previously unknown artist on their own doorstep and found themselves moved to record their own tribute to his work. The result is a collision of the pain of the wounded bluesman and the subversive and unpredictable sound of this most unique of bands Having performed a handful of Snow's songs on their recent In Between Dreams world tour, The Residents now present an entire suite of The Songs Of Dyin Dog alongside the original Alvin Snow recordings, as discovered by longtime friend and associate Roland Sheeehan, Metal Meat & Bone also sees The Residents perform alongside several collaborators, old and new. Enc Drew Feldman, Nolan Cook, Black Francis, Carla Fabrizio, Sivan Lioncub and Peter Whitehead all contribute

Adam Shulman Septet - West Meets East CD

Shulman manages to pique our interest via sagacious horn voicings and a varied selection of tempos and moods.

Of the eight pieces that make up the present recital, a full seven of them are penned by Shulman. He manages to pique our interest via sagacious horn voicings and a varied selection of tempos and moods. Revisiting a tried and true vernacular that continues to provide fodder, his musical sensibilities here lie somewhere between Miles Davis' Birth of the Cool and Art Pepper's Plus Eleven album.

BEAR FAMILY RECORDS presents

kraut!

KRAUT! PART 1 + 2

- A new 4-part series from BEAR FAMILY documenting the innovative and influential years of Krautrock, compiled and annotated by music expert, radio DJ and drummer Burghard Rausch.
- From psychedelia and sound experiments to prog and electronica
 it's all here with added cult classics and teutonic weirdness.
- Part 1 is dedicated to the North with tracks by Frumpy, Achim Reichel, Lucifer's Friend, Michael Rother, Eloy, Atlantis etc.
- Part 2 features artists from central Germany with tracks by Klaus Doldinger's Passport, La Düsseldorf, Triumvirat etc.
- Each volume includes TWO jam-packed CDs plus a fabulous 100-page booklet with liner notes (in German) and a wealth of pictures, record sleeves and selected memorabilia (the Fehmarn Love & Peace Festival, coloured vinyl and gimmic covers, Achim Reichel in the army...)
- Parts 3 and 4 will follow later this year.

First comprehensive, cross-label compilation of West Germany's krautrock scene

STEVEN HALPERN

SPECTRUM SUITE

45th Anniversary Collector's Edition Remastered Plus Bonus Tracks

SPECTRUM SUITE is the OG sound healing classic that balances and tunes the chakras with sonic keynotes.

Steven Halpern is a founding father of New Age music and the preminent composer for "sound health" and relaxation.

SPECTRUM SUITE - named "the most influential New Age album of all time" by industry peers in 1999.

This Collector's Edition includes 8 long out-of-print tracks from early vinyl LP pressings.

The sound of Steven Halpern's iconic Fender Rhodes electric piano defined the early years of New Age music.

Built-in appeal for long-time fans and new converts.

Hank Williams Songbook: Howlin' At The Moon CD

28 songs illustrating the impact Hank Williams had and still has on the Country music world.

The 28-track album is packed full of Boppin' Hillbilly Cats performing their odes mainly with an up-tempo beat, there are a handful of slow tempo songs, which naturally must be included. The album features songs Williams sang, and songs based around his recordings, and expands the musical concept to illustrate Williams impact upon the music world.

Jerry Cook Quartet+ - Walk In The Park CD

A hard swinging, soulful debut by Vancouver saxophonist Jerry Cook. Walk In The Park sizzles from the opening

A Walk In The Park is an absolute delight to listen to from start to finish. The complexity is in the simplicity. The music reflects how Jerry is as a person: swinging and soulful. The all-star Vancovuer rhythm section of pianist Chris Gestrin, bassist John Lee and drummer Jesse Cahill provide the perfect foil for Jerry's bluesy flourishes a la Arnett Cobb, Stanley Turrentine and Willis Jackson.

NEW FROM The Flamin' Groovies

Flamin' Groovies - Now

The Flamin' Groovies played a major role in the evolution of power pop and are considered a forerunner of punk rock

While it took a long and torturous five years for the Flamin' Groovies to find their way back to an American record deal with Shake Some Action, a year and a half later the band had a follow-up ready, and while 1978's Flamin' Groovies Now isn't quite as cohesive as the album that preceded it, in many respects the band sounds at once tighter and more relaxed, with some time on the road firming up the rhythm section while giving the songs a bit more room to swing (which wasn't one of the strong suits of the British Invasion bands that provided their aural template). The band lost guitarist James Ferrell during the post-Shake Some Action tour, but former Charlatans picker Mike Wilhelm proved to be a more than simpatico replacement on these sessions, and while leader Cyril Jordan didn't come up with another new song as transcendent as "Shake"

Some Action," "All I Wanted" comes pretty close. But it's significant that most of the songs on Flamin' Groovies Now are covers, and while all of them are played with love, enthusiasm, and the right period flair (especially the Beatles' "There's a Place," Paul Revere & the Raiders' "Ups and Downs," and "Move It," an early U.K. hit for Cliff Richard), they give the album a feeling of being padded, and just because covering the Rolling Stones rarity "Blue Turns to Grey" was a good idea didn't mean the Flamin' Groovies had any business tackling "Paint It Black." All in all, Flamin' Groovies Now is a terrific-sounding record that captures a fine band when it was in great form, but it also makes clear that the gremlins that often dogged the Groovies in the studio (namely their inability to make a 100 percent satisfying album) hadn't gone away.

SKU#	LIB-5036	Street Date:	07/10/20	Box Lot:	30	Audio:	STEREO
UPC:	089353503628	Pre-Book Date:	06/05/20	Run Time:	41:23 min.	Genre:	Pop/Rock
Format:	CD	SRP:	\$14.99	# of Discs:	1 disc(s)	Label:	Liberation Hall

Flamin' Groovies - Jumpin' In The Night

The Flamin' Groovies played a major role in the evolution of power pop and are considered a forerunner of punk rock

The third and last of the Flamin' Groovies late-'70s albums for Sire, Jumpin' in the Night storms out of the gate with the title song, a top-shelf rocker that brings the muscle of the Flamingo-era lineup of the Groovies to the more style-conscious British Invasion sonics of Cyril Jordan's version. Though Jumpin' in the Night never rocks that hard or that well again, it does sound decidedly tighter and tougher than 1978's Flamin' Groovies Now, and guitarist Mike Wilhelm, a new addition to the Now lineup, is much better integrated into their wall of guitars, with the Groovies sounding more solid than they did a year before. But while Jumpin' in the Night finds the Flamin' Groovies sounding better than

800.888.0486 | F: 888.536.7998 | MVDB2B.com

ever, the material unfortunately lets them down. It's no wonder why the Flamin' Groovies loved the Byrds -- both were American bands who fell in love with the sounds of British rock and crafted their own variation on the style -- but three Byrds covers on this album is about two too many (especially given how clunky David Wright's drumming sounds on "5D"), and though having the Groovies tackle "Absolutely Sweet Marie" and "Please Please Me" sounds good on paper, the audible results are a bit underwhelming. (On the other hand, their cover of "Werewolves of London" is better than anyone had a right to expect.) The production and engineering by Roger Bechirian is crisp and flattering to the guitars, but lacks the resonance of Dave Edmunds' more layered approach on Shake Some Action and Now. A great band, the Flamin' Groovies often seemed to have a hard time reconciling their best qualities with the record-making process, and Jumpin' in the Night is probably the best example of this dilemma, though it has more than enough worthwhile moments to compensate.

Pitch Black - The Light Within CD

Pitch Black follow up their "Third Light" album with a companion selection of remixes entitled "The Light Within"

Reflecting the duo's international status their remixers hail from across the globe and given the heavyweight source material it should be no surprise that the tunes span the bass music spectrum. The resultant ten-track collection is playful, spiritual and sensory, with upbeat tempos and slithering effects woven deep into the rhythmic pulses and dark undercurrents of Pitch Black's original tracks.

Residents - Metal, Meat & Bone: The Songs Of Dyin' Dog CD

The brand new album from San Francisco's increasingly curious eyeball collective.

Realizing a career-long ambition, The Residents finally explore The Blues! Having been turned on to the music of lost bluesman Alvin Snow, aka Dyin' Dog, the group presents their interpretations of all ten of Snow's known recordings, alongside several new compositions inspired by his work. Eric Drew Feldman, Nolan Cook, Black Francis, Carla Fabrizio, Sivan Lioncub and Peter Whitehead all contribute.

Satan Worship - Teufelssprache CD

"Teufelssprache" contains nine songs in which SATAN WORSHIP don't let any doubts exist about their path.

Influenced by a rapid mix of Black- and Thrash Metal, the album hits the underground and shows that the new band from Leatherface has more than just a simple right to exist. "Teufelssprache" contains nine songs in which SATAN WORSHIP don't let any doubts exist about their path. Full of hatred and paying homage to the Horned One, they get down to business at a fast pace.

Attack Of The Killer Tomatoes: Special Edition DVD

AAArgh!... Just when you thought it was safe to go back in the supermarket!

From the moment it begins, this kitschy horror movie delivers on the promise of its title and boasts the makings of a cult hit filled to the brim with camp -- which it has become even with its decidedly low budget. Director John De Bello manages to squeeze out the laughs from a highly improbable premise: A group of scientists band together to save the world from mutated killer tomatoes.

NEW FROM Juno Films

Supa Modo

Jo dreams of becoming a superhero but is terminally ill, inspiring her village to rally and make her dream come true.

Jo, a witty 9-year old terminally ill girl is taken back to her rural village to live out the rest of her short life after being diagnosed with cancer. Her only comfort during these dull times are her dreams of being a Superhero, which prove to be something her rebellious teenage sister Mwix, overprotective mother Kathryn and the entire village of Maweni think they can fulfill. From first-time feature filmmaker Likarion Wainaina and co-producer Tom Tykwer comes this honest and inspiring story about the strength of young people in the face of adversity. Obsessed with Jackie Chan and action films, nine-year-old Jo dreams of being a superhero, but time is not on her side. When the doctors reveal that she is terminally ill, Jo leaves the hospital and returns home to be with her mom and sister. While her mom insists that she stay inside and rest, her sister has different plans. With the entire village's support, they decide to make dreams a reality and turn Jo into the superhero they know she is. Newcomer Stycie Waweru delivers a captivating and earnest performance, imbuing her character with a subtle strength that ignites the screen. This film is a stunning reminder of the power of imagination.

Don't Be Nice

800.888.0486 | F: 888.536.7998 | MVDB2B.com

A team of young New York City Slam Poets competes for the National Championship during the summer of 2016.

The upstart Bowery Slam Poetry Team, made up of five young African-American, Afro-Hispanic and queer poets, prepares for the national championships. Mentored by a demanding coach who pushes them past their personal boundaries to write from a painfully honest place, the poets break down, break through, and compose their best work ever. Will their soul-searching pieces about police violence and the whitewashing of Black culture be able to compete against choreographed crowd-pleasers for the title? Lauren Whitehead coaches the Bowery Slam Team with the credo "Don't Be Nice." She explains that to "be nice" is to stay on the surface of things, is to perpetuate the status quo, and is, for black people, to be what white culture demands. Her team of poets brave their inner demons and buck societal expectations to write truthful poems, and to ultimately celebrate black joy. My goal has been to illuminate these poets' words with as little obstruction as possible, bringing the revolutionary work they've done in expanding Slam Poetry to a wider movie-going audience. Where many succumb to the polarizing simplifications of click-bait headlines, these poets do difficult personal work to come to an understanding of their relationship to race and power, and courageously share it. I

made this film because I was stunned by these poets' work, and was inspired to translate it into film, a medium which can transcend time and place. I think the audience will be shocked by the radical honesty of the film's characters as they openly discuss race, class, and gender. However, the poets are always encouraged to go further than talk, and craft their thoughts and feelings into poems. Thus, the audience's shock becomes wonder, as they are invited to see from each poets' eye rather than to close theirs to difficult truths. I think "Don't Be Nice" will encourage viewers to do their own work to understand their friends, neighbors, and themselves.

Nathalie: Escape From Hell

AN INNOCENT FEMALE DOCTOR IMPRISONED! A SADISTIC FEMALE SS OFFICER! CAN SHE ESCAPE?

When a Russian doctor (Patrizia Gori, Paura) falls foul of the Nazis, she finds herself imprisoned at Fort Stilberg, a luxury brothel for German top brass where the women are overseen by sadistic SS officer Helga Hortz (Jacqueline Laurent). The doctor's medical skills bring her to the attention of Nazi Lieutenant Erik Mueller (Jack Taylor, Conan The Barbarian), who saves the lovely lady from becoming one of the establishment's 'hostesses' by assigning her to the infirmary.

The Taking Of Deborah Logan Blu-ray Disc

A woman battling Alzheimer's allows a film crew to document her condition but they discover something far more sinister.

Deborah Logan, a woman battling Alzheimer's, allows a film crew to document her condition. As the days of filming progress, the crew notes strange behaviors and occurrences happening around Deborah inconsistent with Alzheimer's -things that are dark and ominous. Whatever it is that's within her is clearly trying to get out and it threatens to consume anyone who tries to stop it.

Game Of Death

It Will Blow Your Mind

Kill or be killed is the golden rule of the Game of Death, which sucks for seven decent-looking millennials who decide to play one sunny day. They quickly and gruesomely realize that if they don't murder people, their heads will literally explode. Hence, they go on a killing spree, taking the lives of anyone they meet in their middle-of-nowhere town. The killer-instinct in each of them bubbles to the surface as the search for victims unravels into chaos. Divided, terrified and confronted with their own mortality, their drive to survive blurs with their desire to win the game. Will they turn on each other? "Jumanji" meets "Natural Born Killers"... The Game of Death will blow your mind.

PRESS

"Game of Death is more nasty fun than most viewers - at least those past voting age - will want to admit"
—SXSW Film Review, *VARIETY*

"It's campy, gory and refreshingly short"

-Lizzie Plaugic, THE VERGE

"If SCREAM was a love letter to the horror genre, GAME OF DEATH is hate mail!"

-SXSW Film Review, *The Nerdist*

"A party movie that doesn't numb you with an endless streak of gore but actually engages your mind. Right before blowing it up"

—Festival Reviewer, SILVER SCREEN RIOT

WEATHER REPORT:LIVE IN COLOGNE 1983

Weather Report's Cologne concert shows the band in musical top form. A 2-hours firework of rhythm and melodies.

To celebrate the 40th "birthday" of one of the world's best bands - **Weather Report**- the label Art of Groove is releasing the band's Rockpalast concert in Cologne 1983 - a premiere on DVD.

What a feast the concert was for the Cologne-based audience that night, and is now for us all these years later. As Omar Hakim has said: "Weather Report wasn't typical instrumental music: there was Europe, Africa, jazz, blues, Latin, all inside one thing. It was true world music....". Here's to that!

After Jaco Pastorius and Peter Erskine left the band, **Joe Zawinul** and **Wayne Shorter** decided to continue their successful project with a new rhythm set: drummer **Omar Hakim**, **Victor Bailey** on bass and percussionist **Jose Rossy**. For Bailey and Hakim it was the starting point of their international career.

Weather Report's Cologne concert shows the band in musical top form. In a more than two-hour show, the band sparks a firework of rhythm and melodies. Next to classics like "Birdland," in this concert you will hear pieces from later phase of Weather Report: "D Flat Waltz," "Procession." "Fast City." "Where The Moon Goes" and "Two Lines".

The material which was originally recorded by the WDR (West German Radio and Television Broadcasting) has been completely restored and re-mastered and is now appearing in a new version -- something that's not just for long-time fans of Weather Report.

Colin Hicks - Sexy Rock: The Brits Are Rocking Vol. 4 CD

1-CD with 36-page booklet, 27 tracks. Total playing time approx. 62:02 minutes.

Bear Family finally supplies the long overdue compilation to Colin Hicks, the quite unjustly neglected brother of Tommy Hicks, better known as Tommy Steele! 27 songs from the years 1957-1961, which he recorded both in England and in his later adopted country

Pre-Book:	05/22/2020	UPC:	5397102175824	Genre:	Pop/Rock
Street:	06/26/2020	SRP:	\$22.99	Run Time:	62:02 min.

Kraut!: Die Innovativen Jahre Des Krautrock 1968-1979, Teil 2 CD

2-CD (6-page digisleeve) with 100-page booklet, 25 tracks. Total playing time approx. 152 minutes

Progressive Rock from Germany! Never before has there been a comparable compilation! Towards the end of the 1960s, German bands began their first attempts to emancipate themselves stylistically from their US and British role models. ProgRock and Pchychedelia from our country were initially smiled at internationally and disparagingly called 'Krautrock' by cult DeeJay John Peel,among others

Pre-Book:	05/22/2020	UPC:	5397102176227	Genre:	Pop/Rock

Residents - Die! Die! (Limited Edition 7 Inch) 7" vinyl

Limited to 100 copies, black vinyl

The Residents play Alvin, and somehow Alvin, it seems, plays The Residents. We'll never know for sure what went on during those recording sessions, but here is all the evidence we need that some special happened. Equal parts pan-dimensional projection and group exorcism. Or, perhaps, just the collective hallucinations of a bunch of guys who partied too hard in the seventies.

Pre-Book:	05/08/2020	UPC:	760137389811	Genre:	Alternative/Punk
