Dr. Chris Butler — Senior Pastor

Dear East Side Family:

Summer weather has finally arrived and I pray all is well with you and your family. It is hard to believe that it was June a year ago that I came in view of a call. So much has happened this past year for God has truly blessed, as we have witnessed so many that have come to Christ. A few of our men have surrendered to the gospel ministry. The G.R.O.W. ministry has impacted our church and community. The newcomers' class has served as a great assimilation ministry helping people discover where God may want them to attend. These are just a few of the many praises to give God for this past year.

On a personal note I am very thankful for such a supportive spouse. We are celebrating our 30th wedding anniversary (June 1st) and it would be impossible to minister effectively without Paula by my side. By the time you read this letter we will have watched our youngest child (Haley) graduate from High School in South Florida. As many of you know she completed her senior year living with her grandmother. We are excited to have her in Mountain Home for the summer.

During June and July we are adjusting our Sunday evening schedule. It has been a very long winter. Let me encourage you to use Sunday afternoons as a time to enjoy additional time with your family and friends. This would be a good time to have a cookout and invite some friends and neighbors over to deepen relationships. However, mark your calendars for Sunday, June 22nd as we will have a church-wide fish fry. Also, we will have a special guest Christian comedian (Trevor Thomas) on Sunday, July 20th. It is an honor to serve our great God with you.

"Library" Happenings"

In June we honor our Fathers. God, the greatest Father, speaks to our earthly Fathers throughout the Bible, for example Genesis 18:19, Psalm 103:13, Proverbs 4:1-9, Luke 15: 20-24, and Ephesians 6:4. The ESBC Library has several books on Fatherhood.

The Father Connection by Josh McDowell offers "10 qualities of the heart that empower your children to make right choices". McDowell uses Biblical insight and illustrations to teach a revolutionary way of fathering that instills solid values in your children. 248.842 McD

WORSHIP

The summer is upon us. Many folks will be traveling for vacations or summer outings to visit family. I have really big plans for the Worship Ministry this Fall. You may be thinking that we have all the vocalist, band members, tech team or sound team that we need. That would be further from the truth. If you are interested in being a part of the ministry, feel free to contact me so we can find the right place for you. Coming this fall is something I am calling NFUZE. NFUZE will be an opportunity for you to come out and get plugged into the worship ministry. I would love to see you get involved.

East Side Happenings by: Darrell DeBoard - Executive Pastor

Guest Parking Greeter Ministry Is Off To a Great Start

The Guest Parking Greeter Ministry has become quite effective in greeting first-time guests. It is easy to forget how confusing our large campus is to a first time visitor. Do the adults, children and youth go to the same building? If not, where do we go? These are just a few of the questions that a first-time guest might ask. Vera Jones is leading a small team of ladies that are on a rotation schedule. One or two will stand at the Visitor Parking spaces in front of the Sanctuary to greet, answer questions, and place a very nice brochure in their hands that will tell them where to go with a map that shows how to get there. **Men**, we need you to volunteer to assist in this important ministry. Contact Vera Jones or call the church office to join this team. **And we need East Side to make sure to leave these parking spaces open for first-time guests.**

East Side Kiosk in Church Foyer

We are installing a kiosk in the church foyer to make it easier to sign up for an activity or a particular ministry or to make a contribution online. You will also be able to submit a change of address or contact information, all in a few easy strokes. We should have it in place with instructions by early June.

East Side Finances

In the last of a series of articles I will discuss church cash flow and why we do not publish individual salaries.

For the past several years we have tried to maintain one month's expenses in the general budget checking account. Each year the amount varies because the budget varies. One month's budget amount this year is **\$116....**We are currently below that target amount due to weak December and February offering. In those two months we have snow and ice that interfered with Sunday attendance. We have made some very encouraging gains and will continue to work hard to bring it up to the target amount.

East Side currently has seven full-time and one part-time ministerial staff members, four support staff members and two custodial staff all full-time. As the size of our staff grew it became necessary to just publish the total salary expenditures. Not everyone has the same job requirements, experience or qualifications, and will not make the same salary. The Personnel Team, Finance Team, Pastor Chris and I know. The Pastor and I make salary and raise recommendations based on qualifications and performance to the Personnel Team. They make recommendations to the Finance Team, who will determine if the church can afford it.

If you have any questions about the church finances, please feel free to ask me or stop by the office.

Wednesday Discipleship Hour - Multiple Classes June 11th

"Noah, the True Story," led by Darrell DeBoard in room H-15 in the Hensley Building at 6:00 pm. The tale of the Ark is as old as time itself, with some 270 versions of it having been passed down through the ages by cultures around the world, including a recent Hollywood epic that

was more distorted than many of the other versions. It is time for us to look at the truth as told by God through Moses in Genesis, including prophecies yet to be fulfilled. Believe me; the truth is more unbelievable than anything Hollywood can conjure up. In eight short weeks, this study will show us where we have been, where we are, and where we are headed. I suspect this study will go in a different direction than you may have taken before in the study of Noah.

"You say horse, but I hear tiger," is a study about sharing your faith to other cultures and religions, led by Richard Crawford in room H-14 in the Hensley Building at 6:00 pm.

"Discover Your Destiny" led by Paul Mathenia in room H-2 in the Hensley Building at 6:00 pm. This is a study about discovering your purpose in life, preparation for death, and pleasures throughout eternity. Join Brother Paul in this in-depth study and discover what God has in store for you.

"Financial Peace" led by Mitch Jines in room H-13 in the Hensley Building at 6:00 pm. This is a Dave Ramsey study that will teach you how to get out of debt and how to prosper. The kits are \$99 and can be purchased in the church office or the night the class begins. Call the church office and register for the best teaching on finances available today.

"Bible Studies by Demand" led by Vi Rohren is a Ladies Bible Study in room H-7. This study is a continuation of the study that began earlier this year. Join this group of ladies in this in-depth Bible study.

"Divorce Recovery" led by Ben and Marilyn Williamson will be available if we have enough people to form a class in room H-12 at 6:00 pm. This class is for anyone going through, have been through, or about to go through divorce. Divorce is very difficult and painful, no matter the circumstances. This class will help you deal with it. Call the church office and sign up.

Sunday Morning Adult Bible Study at 9:15 am

With 19 adult classes on Sunday morning, there is a class that is perfect for you. Go on the church website to see the list of classes from which to choose. The in-depth Bible Study, warm fellowship, and meeting new friends offer a warm and rewarding Sunday morning that will increase your spiritual maturity. If you need help in selecting a Sunday Morning Bible Study Class, call or email me.

East Side Bus/Van Ministry

Few ministries compare to the effectiveness of the East Side Bus/Van Ministry led by Carl Taylor. This ministry brings over 120 children, youth and a few adults on Wednesday evenings and about half that many on Sunday mornings. We need substitute drivers and monitors. Contact Carl or call the church office to sign up to become part of this important ministry.

Dear All:

As I write my June Voice article we are concluding the Week of Prayer for Associational Missions that included a special Lunch 'N Learn highlighting our White River Baptist Association. There is so much to celebrate. As one of your East Side representatives on the GO Team, I am excited about the ministry opportunities that exist. Currently we are in a campaign to develop the new WRBA Center for Change in Gassville. When completed, this new facility will include conference, office and most importantly ministry space to meet the physical, spiritual and emotional needs of our Twin Lakes area. Our disaster Relief Team helps with clean-up following natural disasters such as the tornado that struck Mayflower and Vilonia. We have international and national partnerships. Have you ever thought of doing a community block party to reach your Jerusalem for Christ? We even have a trailer fully stocked with popcorn and cotton candy machines and inflatables for just that purpose. Check it out! In addition to our church budget support for the association, I hope you will continue to give to the March to Missions offering to assist us in reaching our Jerusalem, Judea, Samaria and world.

I hope that you will mark June 26th on your calendar and plan to attend the “Medicare and Medicaid” Lunch 'N Learn presented by Jerry Stroebel of Home Instead Senior Care. As the son and son-in-law of aging parents, I sometimes find that navigating through the forms, policies and bureaucracy of the Medicare and Medicaid systems overwhelming. If you are contemplating assisted living, home health care or nursing home care for a loved one—you need to attend this meeting. I hope to see you there. Bring a pen and pad and be prepared to take notes. Blessings!

Bro. Richard

THANK YOU!

I want to Thank you for your Easter Eggstravaganza you had for Mountain Home. I came with my granddaughter and her 4 year old daughter which she had the time of her life. I enjoyed watching her doing everything and being so happy. Also everyone was so nice to me. I appreciate what your church did for all of us. Thank you so much!
