# Kane Street Synagogue Directory of Services

The Kane Street Synagogue community has always been fortunate to have the support of many of the merchants and businesses serving the families in our community. To help our members and affiliated families return that support by shopping and patronizing these businesses, we've created this new publication, the Kane Street Synagogue Directory of Services. This convenient directory will be sent to every family in the community and also be available on line at the Kane Street Synagogue web site, [www.kanestreet.org](http://www.kanestreet.org).

## Recognize these businesses as “part of the family”

The businesses in this directory have demonstrated their support for our community and their interest in serving it and its members. They are part of our family. Give them your first consideration when you are shopping for goods and services.

*When you visit them, greet them as family. And remember to say,  
“I saw your ad in the Kane Street Synagogue Directory of Business Services.”*

## Become a business member of the family

The Kane Street Synagogue community would like to welcome your business to our family. Whether you supply goods or services to the synagogue or our schools, are a member-owned business, or just want to show your interest in serving our members and affiliated families, we'd like to recognize you in the Kane Street Synagogue Directory of Business Services. To arrange your place in our next directory contact us at [BusinessAds@kanestreet.org](mailto:BusinessAds@kanestreet.org).

[www.brooklynbridgerealty.com](http://www.brooklynbridgerealty.com)

Ellen Gottlieb enjoys selling real estate in brownstone Brooklyn as much as she loves living there. She not only knows the pulse of the market, she specializes in getting the best price for her sellers and matching people with properties that genuinely suit their particular needs.

Whether you want to sell, buy or rent, Ellen serves residential and commercial clients with the utmost dedication, attention and tenacity. She has a stellar reputation for being exceptional at her sales craft, and for getting deals done. Ellen has completed complex transactions involving the simultaneous purchase and sale of a home, and navigated 1031 tax exchanges. She has also assisted developers with their projects from the ground up, advising them on everything from floor plans to marketing and selling their condo developments. Ellen was the lead broker at 52 Dean Street, The Absolute, and the Landmark at Strong Place. She has successfully sold pre-construction buildings straight from floor plans and renderings.

Her success stems not only from her seasoned expertise and focus, but from finding creative solutions to meet her clients' needs. Ellen honed her skills in finance and the markets as a former foreign exchange trader. She developed her sales skills selling art, then advertising, before realizing her passion for real estate.

Originally from New York, Ellen lived in Manhattan and Chicago before settling in beautiful downtown Brooklyn about 10 years ago. A resident of Cobble Hill, she sits on the Board of The Warren Place Mews and is active in other facets of her community. Ellen is also a talented singer who performs in various venues in NYC.
