About this Course

This special Kundalini Yoga Teacher Training is KRI certified and exclusively for women by women. An international female trainer team from Estonia/Mexico, Germany, Israel, Spain, The Netherlands and UK is awaiting you to share the wisdom and techniques of these timeless and relevant teachings with you.

Develop the skills, confidence and consciousness required to teach Kundalini Yoga as taught by Yogi Bhajan. Gain a deeper understanding of the fundamental nature and technologies of Kundalini Yoga. Unfold a lifestyle of consciousness. Experience a sense of community locally, regional, online, worldwide in a feminine environment.

The training consists of online modules and is complemented by a 6 day Divine Woman Divine Mother residential (in person teaching if restrictions allow) at Yogahouse Prasaad in South Germany. *If there is one thing a woman can do in this time
it is step into the sacred space of self authority. We need
vibrant women to lead into tomorrow.*

The Kundalini Research Institute (KRI) is a non-profit corporation established in 1972 which certifies the Level 1, 2 & 3 Aquarian Teacher programs <https://kundaliniresearchinstitute.org>.

The International Kundalini Yoga Teachers Association (IKYTA) was established in 1994 to spread these transformational teachings through the united efforts of Kundalini Yoga teachers worldwide. <https://www.ikyta.org>

KRI, IKYTA and 3HO are organisations initially founded by Yogi Bhajan who passed away in 2004 and are now carried forward by teachers and trainers who continue to develop, serve and spread the integrity of the teachings in alignment with the consciousness of the Aquarian Age. The program is open to students who are ready to become teachers and to those who wish to just immerse themselves in the spiritual and yogic science of Kundalini Yoga.

Kundalini Yoga is a Raj Yoga that is rooted in ancient yogic science, philosophy and spiritual texts. In 1969, Yogi Bhajan brought Kundalini Yoga more widely to the West in the form of a householder's dharma to be transmitted through experience - practical, inclusive, efficient,

transformational and relevant for the times - and for others to carry these teachings forward into the Aquarian Age for the upliftment of humanity.

Yogi Bhanan, Master of Kundalini Yoga, arrived in the United States in 1969 with a stated mission: "I have come to create Teachers, not to gather disciples." Since then he has travelled internationally teaching Kundalini Yoga, the Yoga of Awareness. In 1969 Yogi Bhanan founded 3HO — the Happy, Healthy, Holy organization, based on his first principle "Happiness is your birthright." Through 3HO and the Kundalini Research Institute (KRI), Yogi Bhanan trained thousands of Kundalini Yoga Teachers. In 1994, 3HO founded the International Kundalini Yoga Teachers Association, (IKYTA), to further spread these priceless teachings through the united efforts of Kundalini Yoga teachers worldwide.

Sixteen years after Yogi Bhanan's death in 2004, allegations of sexual misconduct were brought forward by some of his former students. An independent investigation in 2020, sponsored by the organization he founded, concluded that it is more likely than not that Yogi Bhanan engaged in sexual misconduct and abuses of power. This disclosure brought with it great transformational potential for our sense of community and the structures that were built to carry the teachings into the Aquarian Age. It also necessitates that KRI and its teachers and trainers focus on the valuable yogic teachings more than the man who shared them. KRI and all trainers of this training remain committed to upholding the dignity of all humans and the highest ethics of this path of consciousness.

Women of the world answer the call: Step into the power and grace of your divine feminine self. Inspire and lead through the depth and radiance of your being. Bring your light, your love, and your intelligence to the fore. The world needs your leadership and wisdom now.

"The kundalini experience does not mean you have gone into a deep breathless trance and are beyond this world. It integrates you more fully with reality and gives you a broader vision and sensitivity so that you can act more efficiently."

Either way we do encourage you to go out and share these teachings and your knowledge with the world. Whether you feel a certificate is needed for this or not, is your choice to make. The aquarian age is upon us. Time for self-initiation and self-qualification.
