DESCRIPTION OF AWARDS

KENT ROTARY SCHOLARS — Kent Rotary Club honors the top 25 students from each Kent high school with recognition for their outstanding academic performance. Rotary Scholars are invited to apply for scholarships in the amount of \$3,500 and \$1,000 and are recognized at a banquet in their honor where they have previously received their certificates.

MARINE CORPS DISTINGUISHED ATHLETE — Recognizes a male and female student who have distinguished themselves as an exceptional athlete.

NATIONAL MERIT SCHOLARS — These scholars are among the nation's elite high school scholars. Of the 1.4 million entrants who took the PSAT, they are among the top 15,000 scholars nationwide. This award places them in approximately the 99.5 percentile of all students who took the Preliminary Scholastic Aptitude Test (PSAT). Each student has received a scholarship which they can apply towards tuition at the school of their choosing.

COMMENDED NATIONAL MERIT SCHOLARS — These students are judged to be in the top four percent of the National Merit population students. This qualification is based on PSAT scores completed in their junior year. Many of these students may be considered for significant scholarships from private corporations throughout the country.

PRESIDENT'S AWARD FOR EDUCATIONAL EXCELLENCE — This award was established to encourage students to achieve high academic standards by recognizing and rewarding them for educational excellence. Students must earn a 3.5 GPA and have an 85 percentile on the math or verbal on the ACT or SAT.

PRESIDENT'S AWARD FOR ACADEMIC ACHIEVEMENT — This award recognizes students who show outstanding educational growth, improvement, commitment, or intellectual development in their academic subjects. Students who have worked hard and given their best effort in school, in many cases in the face of obstacles, are eligible for this award. Guidelines include: an increase of 1.0 or more of 1st semester GPA compared to CUM GPA, semester 1 GPA must be 3.0 or higher, no semester 1 D's/F's/NC's, no major discipline infractions for the current school year, and full semester schedule (equal to 5 or more KW classes).

SEAL OF BILITERACY — Students who have demonstrated proficiency in the English language as well as their home language. Proficiency is determined through assessments of English language and world language.

SEMPER FIDELIS AWARD FOR MUSICAL EXCELLENCE — Recognizes a band and orchestra student who has shown music excellence and skill.

SOCIETY OF WOMEN ENGINEERS — Honors high school women having high achievement in science and mathematics.

SOAMES SCHOOL BOARD SCHOLAR AWARD — Kent School District is a recipient of the Harry B. and Ruby T. Soames Educational Foundation which provides the funding for the School Board scholar program each year. This program honors one student from each high school for outstanding accomplishments in academics, school and community involvement and future goals. Top students (based on a combination of grades and standardized test scores) in the senior class are invited to apply for this award. Finalists are selected on a variety of criteria, including goals, scholastic achievement, written expression of ideas and financial need. The top finalists all receive a scholarship with the winner receiving \$3,000. The winner will be announced at graduation.

WASHINGTON STATE HONORS AWARD — The Washington Honors Award is administered each year by the Office of the Superintendent of Public Instruction. Washington Honors Award students rank in the upper 10% of each year's Washington State high school graduating class, determined by an index which gives equivalent weighting to high school grades in the core subject areas and test scores achieved on the SAT or ACT. Students must have earned 75% of the credits for graduation and must be enrolled in at least three academic core subjects in grade 12.

WASHINGTON STATE PRINCIPALS' SCHOLAR — The Washington Association of Secondary School Principals nominates the top five percent of each graduating class as Washington State Principals' Scholars. This award is based on grades and test scores on national standardized tests. The WASSP recognizes these students as leaders in academic achievement.
