- July 14th Parent Information Night for Preps
- Kinder Transition Days to Preps. Term 3
- Year 7 Transition
- School Tours
- July Parent/Teacher Student-Led Conference Day
- Doug listening to reading
- Parent support in schools
- Book Parade in August
- School Camps
- Athletic Sports in Sept
- Parents at Assemblies
- Father's Day Breakfast

Some of our students are feeling a little disappointed and overwhelmed at feeling constantly being let down at so many cancellations of what seem very engaging events at school. Please ensure your students understand it is not their fault or yours or ours. It something that we have no control over and have to await official advice from the Health Dept. Just continue to point out the need to abide by safe hygiene practices and isolate if feeling unwell. This Corona Virus Crisis will not go on forever. We really appreciate your ongoing support to your students and to us in this ever-changing time. Thank-you one & all

Take Care & Stay Safe

Parents/Visitors in School "At this Moment!"

Due to COVID Safe Regulations and Child-Safe Standards Policy. All parents/visitors into the school must enter via the front reception. This include entering the school premises for the collection of students at the end of the school day.

If entering the school building/student play areas then the COVID Contact Tracing sign in methods are to be used. This applies to all including visitors, parents and staff. In regional areas for staff and locals visiting the school, masks are to be carried by ALL adults and to be worn deemed safer.

School Photos Tuesday 22nd June

Parent payment packs are due to arrive next week, and will be distributed to families.

2022 Prep Enrolments

We have already received a number of Prep enrolments for 2022. Those still to return forms are urged to do so ASAP .That will ensure your child is eligible to use school resources and actively participate in a number of the fun activities we have planned during the course of this

year.

Hand Knitted Beanies

Thank-you to Stella (George's Mum) for all of the hand knitted Beanies she has made and donated to students in the school. She even made a special one for Mr. T. to keep his ears warm at school on chilly days.

Reminder

If you have any concerns or queries at all about your child's schooling. Please do not hesitate to speak to your child's class teacher or to contact the school. You may do this by contacting the office during business hours.

Mr. Taylor. Principal.

Amazing Prep & Magical Grade 1/2.....

Thank you Stella for our Beanies!

There are NO Lunch Orders TOMORROW

Great Grade 3......

There has been lots happening in Grade 3 this week! Today we have completing Secret diary writing. We are reviewing our lock down Remote learning.

In science we completed a rocket challenge talking about forces and motion.

In SAKG we received our new aprons. They came in very handy this week when we cooked up a storm!

Grade 4/5incredible!

Welcome to another busy week in grade 4/5. It's been great to have all of the students back after our short remote learning period. We seem to be hurtling faster to the end term than usual.

During our writing block this week we have started to look at poetry. Starting with revising acrostic poems students have had fun writing poems about some of their favourite animals and things. They have also found the trap in words with double letters such as kookaburra.

In our Olympic lessons students have started to research Australian Olympic and Paralympic athletes to make presentations about (see photos of students hard at work, it isn't all fun and games in 4/5). Students have chosen a range of athletes from artistic swimmers (synchronized swimming) boxers, wheelchair basketballers and archers just to name a few. We can't wait to see what the students uncover about these athletes.

Please remember that homework is due to tomorrow and it is expected that students are reading at home each night and filling it in their reading diary. Also remember that Monday is a public holiday so get plenty of rest and enjoy the short break before the end of term.

- Mr.Mangan

Happy Birthday!!

Happy Birthday to the following children who celebrated their birthday since our last newsletter ...

Conner Goodson, Amelia Sanders, RJ Hasiuk & Cruz Freeman

5/6 Brilliant!!!!

Good afternoon ...

Welcome to winter. A big week once again. Students have been working hard on their narratives, self-editing and creating amazing illustrations.

Maths: We have began to learn about lines and the context they have on shapes and eventually we will look at angles. Students have been creating tessellations in class and they look amazing!

Poetry has snuck into our room this week,

and there is a fantastic element of creativity floating around. Our "calling Australia home" unit has taught some interesting facts and knowledge about the rights of humans, children, women and indigenous Australians - very interesting and engaging.

We have a busy few weeks ahead of us so watch this space for news and up to date info!

Stay warm!

Ms. Closter ::

MARC Library News Term 2, Week 8, 2021

Welcome back from Remote Learning!

During MARC lessons this week the younger children have focused on Author, Graeme Base. We have looked at his books, Little Elephants, Animalia and The Eleventh Hour. The children have made their own elephant to take home.

The older children have focused on Author's, Emily Rodda and Margaret Wild. Do you know any Emily Rodda books? Deltora Quest and Rowan of Rin are just 2 of her titles. Margaret Wild was born in South Africa and now lives and writes in Sydney.

Many thanks to the families that have returned overdue Marc Library books, after Remote Learning time. Please could all families check once more with their child if they have any missing books.

Thank you,

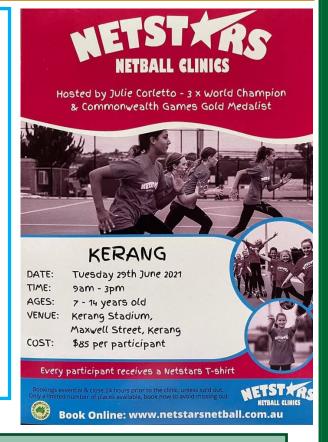

Mrs. Kylie Leahy (aka Mrs. MARC)

Pupils of the Week

Andy Hempenstall, Kenzie Murray, Stella Bloomfield, London Bright & Emily Burgess-Attwater Congratulations!

Kerang Primary School

Enrolments are now open

for Foundation 2022

We have personalised tours and information available by appointment on 5450 3181 or email

Staying Active during Winter SPELL YOUR NAME WORKOUT

Child Safety Kerang Primary School is committed to Child safety. The safety and wellbeing of our students is a primary concern. We want children to be safe, happy and empowered. We support and respect all children, as well as our staff and volunteers. We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. To ensure the safety and best interests of all students, we take into account the needs of those with an Aboriginal or Torres strait Islander heritage and those from culturally and/or linguistically diverse backgrounds.
