HOW TO REGISTER FOR CAMP

- Any girl entering grades 1-12 in the fall of 2017 may register for a camp session.
- Online registration opens at 6 a.m. on January 13.
- All registrations submitted or postmarked by March 14 are considered early registrations and will receive a \$50 discount per weeklong program off the rate listed. Registrants after March 14 pay the full listed fee.
- We want every girl to be able to attend camp regardless of her financial situation. Camp scholarships (camperships) are available to currently registered Girl Scouts of the Peaks to Piedmont council, who have participated in either the fall product/magazine or cookie programs this year. The Campership Form must be submitted at the time of registration and is due by March 14. Our Campership Form is available at www.camplikeagirl.org. **Campership forms received after March 14 cannot be accepted. Apply now!**

Online registration is the fastest and most accurate way to register. Simply visit www.camplikeagirl.org and click on the "Registration Information" box. It will guide you through the steps.
