

KIDS  
COLLEGE  
  
SUMMER 2021

**Nebraska Extension in Hall County** • Located at College Park

3180 W Hwy 34 • Grand Island, NE • 68801

308-385-5088 • <https://hall.unl.edu>

# ***KIDS COLLEGE***

## ***EXPANDED LEARNING OPPORTUNITIES***

Kids College is a summer learning experience offered to youth by Extension staff, volunteers, and community members. Our program is designed to provide engaging hands-on education for youth of all ages. Kids College is a great way for youth to make new friends, learn new skills or spark a new interest!

To enroll your child in Kids College, complete the registration form and return it to Nebraska Extension in Hall County. Please take note of suggested age requirements when selecting classes. Did you know that projects made during classes can be entered into the Hall County Fair!

### ***MEET THE HALL COUNTY 4-H YOUTH DEVELOPMENT EDUCATORS***

D'Ette Scholtz  
Extension Educator  
[dscholtz2@unl.edu](mailto:dscholtz2@unl.edu)

Megan Knuth  
Extension Associate  
[mknuth3@unl.edu](mailto:mknuth3@unl.edu)

Kids College is open to all youth.

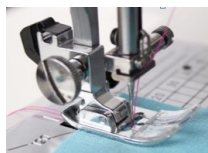

Note suggested age requirement when selecting classes.

## LET'S SEW A SIMPLE TABLE RUNNER

Date/Time: Tuesday, June 1st, 9am to 12pm Ages 8 & up Cost: \$15.00

Students will sew a simple table runner that is perfect for beginner sewers and sewers with some experience. All supplies will be provided.

Instructor: Barb Hovie

## SEW FUN FOUR PATCH PILLOW

Date/Time: Wednesday, June 2nd, 9am to 12pm Ages 8 & up Cost: \$15.00

Students will sew a cute 4 patch pillow with an envelope closing. Students need to bring 1/2 yard of cotton fabric and 1/4 yard of coordinating cotton fabric. Bring thread to match. Pillow form will be provided.

Instructor: Barb Hovie

## SEW BUSY APRON

Date/Time: Thursday, June 3rd, 9am to 12pm Ages 8 & up Cost: \$11.00

Students will sew an apron they can wear while they cook up a storm. They need to bring 1 yard of cotton fabric and thread to match.

Instructor: Barb Hovie

## SEW COMFY PAJAMA PANTS

Date/Time: Friday, June 4th, 8:30am to 12pm Ages 9 & up Cost: \$12.00

Students will sew a simple pair of PJ bottoms with elastic waist. Students will need to bring 2 yards of cotton or flannel fabric (2 1/2 yards for taller kids). Bring thread to match, and wash and iron fabric before class. Elastic will be provided.

Instructor: Barb Hovie

## FRESH CATCH FISHING

Date/Time: Monday, June 7th 10am to 12pm or 1pm to 3pm Ages 5 & up  
Cost \$8.00

Students will learn to string a line, place bait and cast. All supplies for this class are provided.

Instructor: Doug Anderson, Extension Educator

## FIND YOUR SPARK TO START

Date/Time: Tuesday, June 8th, 10am to 12pm Ages 8 & up Cost: \$12.00

It's summertime and you'd like to earn some \$\$! We can help you find your spark to start your very own business. You will be making some easy products to sell and learn more about becoming a kid entrepreneur!

Instructors: D'Ette Scholtz, Extension Educator

## 4-H CARES

Date/Time: Wednesday, June 9th, 10pm to 12pm Ages 3rd grade & up  
Cost: \$12.00

There's nothing like the joy of creating and sharing homemade cards with others and brightening their day. Join us in making novelty scratch-off cards with special messages and LED light-up cards, just in time for summer holidays and the special people in your life.

Instructor: Megan Knuth & D'Ette Scholtz, 4-H Staff

## WE'RE ON A WILD GOOSECHASE!

Date/Time: Thursday, June 10th, 10am to 12pm Ages 3rd grade & up Cost: \$10.00

Join us on this wild goosechase and learn more about starting a business! You'll be engaged in a fun, competitive scavenger hunt, earning points as you complete "missions" at College Park. Utilizing an interactive app this scavenger hunt will be unlike any you've experienced before.

Instructors: D'Ette Scholtz & Megan Knuth, 4-H Staff

## CHECK THE DECK

Date/Time: Thursday, June 10th, 2pm to 4pm Ages 11 & up Cost: \$10.00

New this year! Just for our middle school-aged youth! Check out the DECK with us for some fun, hands-on-activities to spark new interests and/or career paths. Utilizing popular Bitmoji Classrooms, we'll be exploring DIY digital media, #411Growth, and more! You may join this class virtual- (via zoom) or attend in person.

Instructors: D'Ette Scholtz & Megan Knuth, 4-H Staff

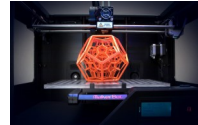

## 3D MODELING VIA ZOOM

Date/Time: June 9, 10, 11, & 17th 10am to 12pm Ages 8 & up Cost: \$20.00

Learn how a 3D printer works & create your own 3D printed design. Within this workshop, you will create an account and use free online software to learn basic computer aided design. Upon completion of your 3D model, you may email the instructor your file and the 3D print will be mailed to you at a later date. Offer is limited to residents of the continental United States and one 1-hr print per registered participant. Registration Link: <https://go.unl.edu/3dregis>

Link to the webinar will be emailed prior to the webinar.

Instructor: Deb Weitzenkamp, Extension Educator

## CODING CAMP VIA ZOOM

Date/Time: June 9th or June 17th, 1pm to 2pm or 3pm to 4pm Ages 8 & up Cost: \$10.00

No experience required.... If you can read you can Code! Registration Link: <https://go.unl.edu/CodeCamp2021>

Link to the webinar will be emailed prior to the webinar.

Instructor: Deb Weitzenkamp, Extension Educator

## PLANTING 101

Date/Time: Monday, June 14th, 9am to 11pm Ages 5 & up Cost: \$5.00

Time to get your hands dirty! Playing in the dirt is the first step to learning about planting. We'll go over the different types of basic annual and garden plants you can find anywhere. We will discuss how they grow, where they grow, watering techniques, and when to fertilize your plants. Plus you will get your hands dirty potting a flower to take home.

\*Note this class will take place at Earl May, 1604 Diers Ave Grand Island, NE\*

Instructors: Angela Dandurand, Master Gardener & Rachel Joseph, Assistant Manager

## MODELING CLINIC

Date/Time: Wednesday, June 16th, 1pm to 2pm Ages 8 & up Cost: \$5.00 (free for 4-H members)

Are you planning to participate in the 4-H Fashion Show? In this workshop, we'll go over modeling basics and hear tips from a seasoned 4-H member. We'll practice our modeling skills in the Extension meeting room, and then head to the College Park Theater to walk the actual runway!

Instructors: Emily & Mary Reimers

## COOKING 101

Date/Time: Thursday, June 17th, 9am to 12pm Ages 8 & up Cost: \$10.00

Measure, mix, learn about food & build on basic cooking skills. Enjoy sampling what you make! We will be making a variety of foods from the menu. Join us for a fun day in the kitchen! \*

Instructor: Cami Wells, Extension Educator

## BEAUTIFUL BEES

Date/Time: Tuesday, June 22nd, 1pm to 3pm Ages completed 4th GRD & up Cost: \$10.00

Nothing says spring like beautiful flowers! Those flowers, though, would not be possible without bees and other pollinators. Join us at Raising Nebraska to learn how bees are critical to those spring flowers and do more than make honey. After spending time in the gardens at Raising Nebraska, participants will end the day making their own beeswax lip balm.

\*Note this class will take place at Raising Nebraska at the State Fairgrounds\*

Instructor: Sarah Polak, 4-H Extension Assistant

for details on each activity!

## GENERAL INFORMATION

\*The University of Nebraska-Lincoln has implemented a Youth Activity Safety Policy to provide a safe environment for youth participating in UNL sponsored activities, clinics or conferences. Our policy includes safe interaction guidelines as well as background and sex registry checks for staff and volunteers. This policy will help to protect participating youth from potential misconduct incidents and help provide a safe, educational and enjoyable activity/program experience.

\*We can help! Scholarships are available for Kids College classes. If the cost of any youth workshop is too much for your family budget, please ask for a scholarship when you register (write it on your form or let Joyce know). Be assured it will be confidential.

\*We encourage early registration. We have set minimum and maximum class sizes. If classes fill quickly, we may be able to add additional sections. If we do not reach the minimum, the class will be cancelled and the fee will be refunded. Fees will cover insurance while the child is involved in the class. The fees will also cover cost of some materials and supplies.

\*Participants not currently enrolled in 4-H will be considered a "special interest" 4-H'er. They will be eligible to participate in the Hall County Fair by entering exhibits and/or participate in activities related to the class(es) they take. (This is optional.)

\*No refunds will be given after the class begins, except in case of illness. Notify the office if illness prevents participation.

\*Please bring the children directly to the class, no more than 10 minutes prior to the beginning of the class. When picking up children, we ask that you sign the registration sheet letting us know the children were safely picked up. It is necessary that participants be picked up from their classroom immediately after their class.

\*An effort will be made to provide a "cookie break" in classes that are longer than 2 hours - so it is not necessary that students bring money to use in the vending machines. If anyone would like to bring snacks for a class, that would be great. Please give us a call if you would be willing to do that. Students with summer birthdays are welcome to bring treats.

\*Youth who sign up for morning and afternoon classes are welcome to bring a sack lunch-preferably something that does not need refrigeration. Vending machines - pop, juice and snacks are available.

\*Good behavior is required. Parents will be called to pick up their youth if class rules are not followed.

## YOU'RE INVITED TO JOIN 4-H!

What is 4-H? 4-H is the youth development program of Nebraska Extension. 4-H empowers youth to reach their full potential working and learning in partnership with caring adults. All 4-H programs are consistent with placing strong emphasis on life skills, such as problem solving, responsibility, citizenship and leadership.

4-H is for youth who are ages 8 to 18 by December 31 of the previous year with the Clover Kids program offered for youth ages 5-7.

In 4-H, you can learn new skills like taking photographs, cooking a snack, caring for pets, building model rockets, growing flowers and vegetables, fishing, decorating your room and more. 4-H has more than 150 learn-by-doing projects. 4-H projects are challenging, but practical and a fun way to learn.

You'll enjoy plenty of fun activities as a Hall County 4-H member. Special events like 4-H Movie Nights, Bicycle Road-E-O, Ice Cream Roll and the Hall County Fair are fun for your whole family. Contact the Extension Office at 308-385-5088 or visit our website at [www.hall.unl.edu](http://www.hall.unl.edu) for more information.

"4-H has been a great experience for my family. Because of it, I have learned what I want to do as a career."

### *DID YOU KNOW?*

Items made in Kid's College classes may be entered in the Hall County Fair. Entry forms will be available in the class or they may be picked up at the Extension office. Take your items to the fairgrounds on Wednesday, July 21st from 4-6:30 pm to enter them in the fair.

The Hall County Fair runs from July 21-25, 2021.

Hope to see your projects at the fair!
