## Professional Background

---

### Family Nurse Practitioner, FNP-C

Graduated August 5, 2011 from the University of South Florida Advanced Nurse Practitioner Program. Completed 720 Clinical hours to include: Adult Primary Care, Women's Primary Care, Children's Primary Care, and Internal Medicine.

### Aesthetic Medicine/Business Development/Sales/Education/Consulting

Thirteen years in pharmaceutical sales specializing in Cardiovascular, Neuroscience and Neurotoxin pharmacologics. Sixteen years of experience in aesthetic medicine. Worked as a staff nurse at Graduate Hospital in Philadelphia on a plastic surgery/med surgery floor. Served eight years as a Business Development Manager for Allergan, the manufacturer of Botox®. My principle responsibilities were to train on injection technique and provide consulting expertise on internal marketing strategies to ensure a successful aesthetic practice. During my tenure at Allergan I attended numerous injection-training workshops and provided in-house training to new hires on anatomy, physiology and injection skills.
