# KINDERGARTEN

The lessons below are ordered chronologically.

- Each student will start at a different lesson, based on their placement test results.
- The very first lesson will not depend on the class grade. A First Grade student can start with a Kindergarten lesson or a Second Grade lesson, as Lalilo will adapt to their needs.
- Students will automatically move on to the next lessons, you do not need to assign them. They will study up to 5 lessons simultaneously.

# SECOND GRADE

The lessons below are ordered chronologically.

- Each student will start at a different lesson, based on their placement test results.
- The very first lesson will not depend on the class grade. A First Grade student can start with a Kindergarten lesson or a Second Grade lesson, as Lalilo will adapt to their needs.
- Students will automatically move on to the next lessons, you do not need to assign them. They will study up to 5 lessons simultaneously.

#	Lesson name	Where to find it?
1	Long O vowel pattern "oe"	Long Vowels 3
2	Sight Word: give	Sight Words-10
3	Sight Word: done	Sight Words-10
4	Sight Word: way	Sight Words-10
5	Long U vowel pattern "ew"	Long Vowels 3
6	Sight Word: walk	Sight Words-10
7	Sight Word: week	Sight Words-10
8	Sight Word: add	Sight Words-10
9	<u>Independent Reading: Willow and Joy-Backyard Chickens (Level J)</u>	IR-Level J
