AUTO REMARKETING

CANADA

Canada's Used Car Conference

April 22-24, 2013 | The Fairmont Royal York | Toronto

Last year's Auto Remarketing Canada conference, presented by CarProof, brought three different educational tracks designed to appeal to attendees from all niches in the Canadian used-vehicle market. 2012 brought record breaking turnout with more than 470 attendees taking part in the three-day event.

"The overwhelming feedback from attendees on-site was that the conference provided valuable insights, excellent networking opportunities and actionable takeaways that will make a real difference in their businesses this year," said Bill Zadeits, conference chair. "We are excited to continue to grow the Auto Remarketing Canada conference next year and into the future."

This year Auto Remarketing Canada returns to The Fairmont April 22 – 24. Covering Canada's pre-owned residual forecast & analysis, customer satisfaction & retention, regulatory reviews and the latest online, mobile and social marketing trends AR Canada is Canada's used car conference from start to finish.
