- Arab-Israeli conflict**
  - [DS119.7-DS119.76]

Here are entered works on the political and military conflicts between Arabs and Israel, including the question of national rights in the area of the former mandate for Palestine beginning in 1948, and comprehensive works that include the earlier period. Works on the general relations between Arabs and Jews as well as works on the question of national rights in Palestine up to 1948 are entered under Jewish-Arab relations. Works on general foreign relations between Israel and specific Arab countries are entered under Israel--Foreign relations--[place], with an additional entry under [place]-Foreign relations--Israel.

This heading may be further subdivided by the subdivisions used under individual wars.

[NA]

Here are entered works on the design and style of structures. Works on the process of construction are entered under Building. General works on structures or edifices are entered under Buildings.

This heading is subdivided by place for works on architecture indigenous to the place named, e.g. Architecture--United States. The heading is qualified by a national qualifier for works on architecture of the type named in the qualifier but located in other places, e.g. Architecture, American--India.

Works on the physics and technical details of locomotion beyond earth's atmosphere are entered under Space flight. General and technical works on manned space travel are entered under Manned space flight. Works giving accounts of events and experiences during specific manned space flights are entered under Space flights. General works on travel to the planets or to the stars are entered under Interplanetary voyages or Interstellar travel.
