## United We Fight. United We WIN!

Have you ever marveled at how one simple drop of water can create an incredible ripple effect? Compassion and generosity work in a similar way in our community. A simple act of kindness or a charitable donation can go a long way in making a difference in the lives of others. When we work together, we can have an even greater impact on those around us and create lasting change.

That is one of the many reasons we are proud to serve as chairs of this year's United Way of Siouxland campaign. With the generous financial support of community leaders like you, kids who struggled with reading now excel in the classroom. Partnerships between local agencies not only provide shelter to homeless children, but expand their horizons through after-school experiences. Families in crisis have received much needed emergency services, while others have been taught financial stability skills.

In 2016, United Way of Siouxland provided over 50,000 services through 83 local programs. This year, we are on track to continue this amazing impact. So far in 2017, you have helped support 31 programs and initiatives through the Siouxland Community Impact Process, an additional 31 programs through our Le Mars outreach and six youth-serving programs through Women United®. We also recently awarded three brand new FOCUS Grants to programs improving the financial stability and health of our community and ten scholarships have been awarded to single parents attending local colleges. Because of your generosity we will continue the Small Grants program throughout the year which will provide a jump-start to innovative programs. The ripple in this sea of change does make a difference

Through the generosity of Corporate Champions, every dollar raised locally goes directly to the programs and services that provide better opportunities for our children and families. Like you, we feel it's important that United Way donations are well spent. That's why each year a team of volunteers review every funded program to make sure they are having the greatest impact in the focus areas of Health, Education and Financial Stability.

Thank you for your past support and we ask that you continue to help us respond to the community's needs during this year's United Way of Siouxland campaign.

When United We Fight, United We Win.

## 2017 Highlights:

Fourth Annual Young Leaders Society Golf Tournament raised \$6,076 for the Imagination Library program.

Second Annual Sports Equipment Drive collected over 150 pieces of new and used sports equipment for local agencies.

**Mission:** To make a positive and lasting impact by helping those in need in our community and participating in activities that will create a better future for all of us.

United Way of Siouxland's Young Leaders Society (YLS) is a giving society that was created with the hope of bringing a diverse group of young leaders, under 40, together through partnerships, volunteerism and philanthropic service. The Young Leaders Society aims to create a sustainable change in Siouxland and is designed for a new generation of community leaders who want to make a difference. They have opportunities to learn more about the issues affecting our community, network with other key players, and volunteer for worthwhile community projects—all while building long-lasting relationships with their peers.

## CONNECT.

Offer opportunities to connect with other Young Leaders through social events and gatherings.

## SERVE.

Offer volunteer opportunities in conjunction with agency partners, to experience first-hand the work supported by United Way of Siouxland.

## LEAD.

Offer leadership opportunities through agency partners at United Way of Siouxland.

## You're Invited....

# To Join United Way's Legacy Society

You have the opportunity to do something extraordinary! Planned gifts are legacies you share with loved ones or organizations that are close to your heart. United Way invests gifts to the Legacy Society to last for generations to come. Each year a percentage of the earnings from United Way's endowment are reinvested to support programs critical to our community.

#### Your gift can help...

- Sustain a program that is changing lives.
- Create new initiatives that will change the community.
- Provide you with current income tax benefits as well as estate tax savings.
- Honor a loved one or family member.
- And do so much more!
