Welcome back to the RMBS Bead Bazaar!

This is my sixth and final year as the Bead Bazaar Chairperson. I have found a great deal of satisfaction and joy in coordinating the efforts that go into providing the best bead show the RMBS can provide.

All my efforts would be in vain if it weren't for my amazing team of committee members. Some of our committee members have been doing this for nearly a decade. I cannot thank them enough. I also want to thank the volunteers who step up year after year to put in the time and effort it takes during the show to make it a success. We could not have done this without you.

We have an excellent selection of classes yet again this year. Most of our instructors have taught at the Bazaar before, but we also have some new faces. Check out Franklin Martin's geometric beadwork, Marti Brown's anodizing, and Jacki Goldberg's painting with beads!

As many of you may have already experienced, bead shows are on the decline. It is with a heavy heart I say this is the last RMBS Bead Bazaar. It's been an amazing run and we've all enjoyed the ride, but everything ends. I hope you take full advantage of this last show and have a blast!

Rachel Hungary
RMBS Bead Bazaar Chairperson

REGISTRATION INFORMATION

All classes offered are listed in this guide, including a small project photo. For more detailed information and registration go to www.rockybeads.org.

Notes:

- You do not need to be a Rocky Mountain Bead Society member to attend the Bazaar or take classes.
- Some classes have age limits and/or prerequisites; please check class information online prior to registration.
- Classes with less than the minimum number of students as of April 13th will be cancelled and a full refund issued.

All classes have both a class fee and a kit fee. The class fee will be paid during the online registration process. The kit fee is paid directly to the instructor during class. An ATM is available near the registration desks in the front of the Mart.

Class descriptions specify a level of experience necessary to successfully keep up with the class and complete the project. To ensure both student and instructor satisfaction, please read the following descriptions carefully to determine if your skill set matches the class requirements prior to registering for a class. Experience levels are listed after the class number starting on page 8.

- All Levels: No experience needed.
- Advanced Beginner: Has experience in similar types of work.
- Intermediate: Has prior experience and is ready to learn variations.
- Advanced: Has completed several projects and is ready for a challenge.

Class descriptions also include a detailed list of materials and tools that students need to bring to the classroom. Generally, students bring the following: a bead mat, needles, thread, scissors, pliers, cutters, a task light, and extension cord (if available).

Food is available in the rear of the Mart, including a coffee cart.

Parking is free at the Mart; valet parking is not available. Motorized carts are not available to rent at the Mart.

Arrive 30 minutes prior to the start of your class to allow adequate time for check-in, locating your classroom, and settling in. You will only need to check-in once, regardless of how many classes you are taking.
