Our Mission

Learning in Retirement (LIR) is an organization that provides a unique opportunity for cultural growth, lifelong learning, and recreation for individuals 50 years of age and above. LIR is member-led and university-sponsored. Members are involved in determining curriculum, recruiting new members, managing the budget, and developing social programming.

How Much Does It Cost? How Do I Register?

There are no extra fees (above your membership fee) for any LIR classes except when noted in class descriptions. Membership is \$75 per semester (Fall and Spring) or \$135 for the full year (yearly membership only available in the Fall). See page 10 - 12 for registration form and class checklist.

Where are LIR classes held?

LIR is headquartered in the Regional Center for Continuing Education (RCCE), 903 N Patterson Street. Most classes are held in the RCCE building, or in the adjacent Continuing Education Annex. Any exceptions will be noted in the catalog description.

LIR Needs You!

We could not function without member volunteers! We need people to teach classes and to serve on all our committees including Curriculum, Social, and Publicity. Please contact Sandra Dickson, LIR President, at 229.247.9781 if you are interested in helping.

Who do I contact with questions?

Contact Suzanne Ewing, Program Coordinator at 229.245.6484 or at sewing@valdosta.edu.
