TROUBLESHOOTING

LOCK-UPS OR NO SOUND

Lock-ups or no sound are usually caused by incorrect choices during installation. To correct these problems,

re-configure *Leisure Suit Larry* and try making different sound card choices. This product was released before many of the high quality sound cards such as the AWE 32, Gravis Ultrasound and Ensoniq Soundscape were released. When selecting an audio/music option for the game, your best choice is probably the "Ad-Lib" option. As a last resort choose "PC Internal Speaker."

Mouse problems— If the game does not appear to recognize your mouse, you must make sure that you have a **DOS** mouse driver loaded. If you need help doing this, you must contact your computer manufacturer for help.

Memory problems— These errors usually refer to "conventional" memory. If you get an "out of memory" error then you may try typing "**MEMMAKER**" from the "**C:\>**" prompt (if you are using MS-DOS 6.x) or you may need to make a boot disk. To use the boot disk maker included on your CD, type "**BOOTDISK**" at the "**D:\>**" prompt. If you would like information on making a boot disk, you may request it from us by fax (612-941-1068) or by mail (when you send in your warranty card).

WELCOME TO BEAUTIFUL LOST WAGES,

where you can ante up and party down.
You'll find just the right kind of action,
whether you're here to gamble or gamboll!
You may be a little dazzled when you first arrive,
so we've got a suggestion or two for starting your adventure here in
Glitzy Gulch.

WARNING:

*Experienced adventure-type studs may not need this little walking tour,
so don't read any further if you prefer to score on your own.*

Let's start your tour in front of Lefty's, one of our classic drinking establishments. **CLICK** the **EYE** icon on the sidewalk to Look at it and it will call your attention to the sign on the pole... you'll want to Look at that, too. That taxi sign is your key to transportation in the big city! Look at the front of the bar, the window, and the street to get the big picture.

CLICK the **HAND** icon on the doormat. Now let's head on into Lefty's by clicking the **HAND** on the front door. The joint is hopping, as usual! **CLICK** the **EYE** icon on everything: the customers, the bartender, the jukebox, the painting, and the fan. **CLICK** the **HAND** on the one empty barstool to sit down. **CLICK** the **TALK** icon on any of the customers to see what they've got to say. Next, Talk to the bartender. Here's where you choose your poison, but for now, go for some of Lefty's famous well-whiskey. Now, carefully carrying your drink, let's take a look in that mysterious-looking back room. **CLICK** the **WALK** icon on the doorway at the upper left corner of the room to get there.

Not much to look at... a table, some barrels piled up in back, and a heap against the wall. Look on the table to see what's lying there, then **CLICK** the **HAND** on the rose to pick it up. You never know when you'll meet somebody you'll want to impress! Talk to the drunk lying on the floor. Wants to have a drink, does he? Demonstrate your generosity by giving him your whiskey. To do that, open up the **INVENTORY** window and **CLICK** the **POINTER** on the small glass of whiskey to highlight it. The pointer will change to a **WHISKEY GLASS**. **CLICK** the whiskey glass on the drunk to give it to him. In return, he'll give you his most prized possession! Save the game by clicking on the **CONTROLS** icon and pressing the **SAVE** button. Name it something like,
"In Lefty's Back Room."

Now you're ready to start exploring **Lost Wages** on your own. There are other things to find and do in Lefty's and all over the city. When you're ready to head out to other nightspots, just walk outside, and **CLICK** the **TALK** icon on your head. Be sure to talk to the cabby, he knows where the action is! You may need to try things **MORE THAN ONCE** to achieve success. And, hey... enjoy the city!

Dear Mr. Laffer,

Frankly, I'm puzzled.

I don't understand why you haven't responded to the *FABULOUS* offer we recently made you!

Let's face it, **Lawrence**. Men have it rough in today's world. What with the so-called "Women's Liberation" movement, it's getting harder and harder. To find a suitable mate. Even for fabuloso, studly, sensitive guys like yourself, **Lawrence**.

But we want you to know that *WE* appreciate your finer qualities. After all, you're in the full flower of your manhood...a young, active 40 years old (barely out of your teens!). We know that you've got a solid, established career as a **traveling software salesman** and make more than \$ n/a a year. You've resided in one of America's finer neighborhoods, **Anytown**, for 40 years...long enough to have established a reputation as a **adequate** credit risk.

So why *WOULDN'T* any woman leap at the chance to throw herself on your strapping, muscular 65" frame?

We'll tell you why. They *WOULD*! But it's so hard to *MEET* the kind of woman you deserve!

That's why we know you'll *JUMP* at the chance to be included in this once-in-a-lifetime opportunity...an opportunity to have *YOUR* face and *YOUR* vital statistics included in what's sure to be this year's most sought-after book: **WHOSE WHOM IN SINGLE MEN In The Southwestern United States**.

Imagine, women all over the country will be receiving this volume of the **Southwestern United States's** most eligible bachelors. And not just *ANY* women, **Lawrence**. The kind of women we know that *YOU* like, women with the **medium handfuls** you've told us you so love to look at...to touch...to nuzzle! Single, attractive, available women with **any length** legs, beautiful **clean** hair and **yes** derrieres.

Don't waste another minute, **Lawrence!** Fill out the form at the bottom of this page and include your check or money order (or just use your **none** credit card). And you'll be on your way to a lifetime of babes!
