GEER Scholarship

The GEER Scholarship was established by the Governor of North Carolina to provide scholarships for eligible community college workforce continuing education students pursuing high-demand workforce training programs within 10 workforce pathways leading to a State or industry-recognized credential.

GEER Scholarship awards are determined locally based on student need, local industry needs, number of eligible students, and cost of course, up to a maximum of either $750 per course or the cost of the course fee(s) if the fee(s) exceed $750. The scholarships help cover the cost of tuition, fees, books, supplies, credentialing tests, and other components of the total cost of attendance for students.
