Lenovo **Vantage** **Smart Performance Services**

YOUR PC PERFORMANCE ASSURANCE

Your Lenovo Vantage makes it easy for you to get the most out of your device. Smart Performance Services within Lenovo Vantage helps customers to scan for issues that affect PC performance, internet performance and security.

INTRODUCING VANTAGE SMART PERFORMANCE SERVICES

Lenovo Vantage Smart Performance Services are your PC performance assurance. They are built with automated fixes, that work to resolve identified issues automatically without intervention. Smart Performance Services give you the power to automate the maintenance of your PC. They get a 160 point check done in under 5 minutes.

TUNE PC PERFORMANCE

We help improve your PC performance. Benefits for subscribers include reduced PC start time, improved stability and faster launch of applications.

FIX ISSUES PROACTIVELY

We help tune your computer periodically and fixing issues proactively and automatically to keep your PC tuned and covered. Always.

REMOVE MALWARE & IMPROVE SECURITY

We help secure your PC, on-demand. Benefits for subscribers include removing spyware, malware and adware. Detect and remove complex infections including very recent outbreaks.

BOOST INTERNET PERFORMANCE

We enhance your browsing experience. Benefits for subscribers include better connectivity, improvement in upload/download speeds and making internet more secure.

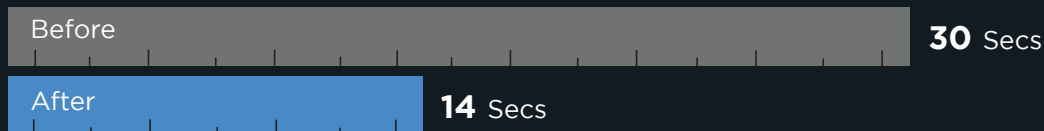

Lenovo

HOW DO VANTAGE SMART PERFORMANCE SERVICES MEASURE UP?

PC BOOT TIME

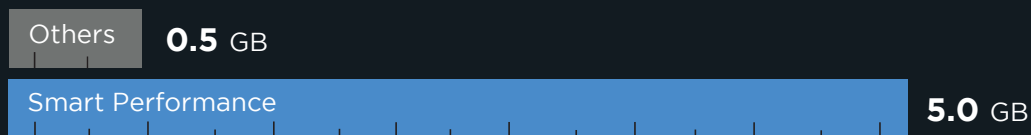

Startup program and non-essential services affects boot time on PC.

Reduced PC start time by **53%**.

JUNK REMOVAL

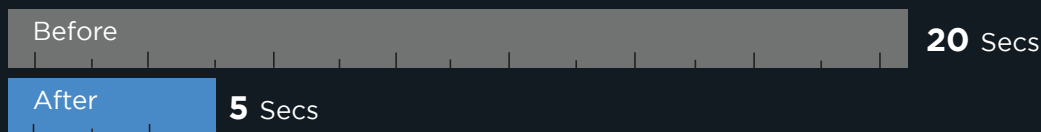

Accumulated junk files, residuals and Windows temporary folders eat up PC disk space.

Detected **9x** more junk files compared to Disk Cleaner.

APPLICATION LOAD TIME

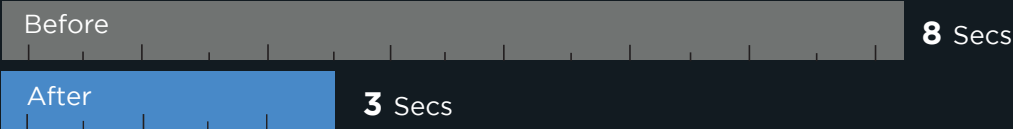

Too many programs running in the background slow down your software loading time.

Loaded applications **4x** faster.

BROWSER EXPERIENCE

The way your browser is set up impacts your browsing experience.

Dropped browser load time by **63%**.

PC PERFORMANCE

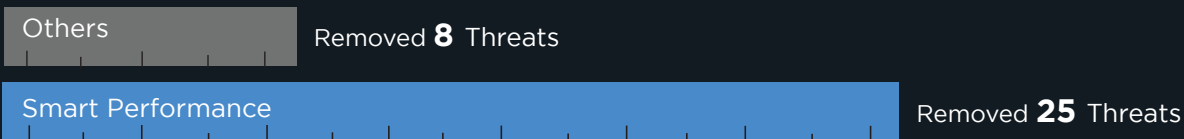

Over time any PC will become slower with unwanted data and vulnerable due to non-optimized settings.

Increased your PC efficiency by **2x**.

MALWARE REMOVAL

Your PC will get exposed to new malware and spyware, even if you have antivirus protection.

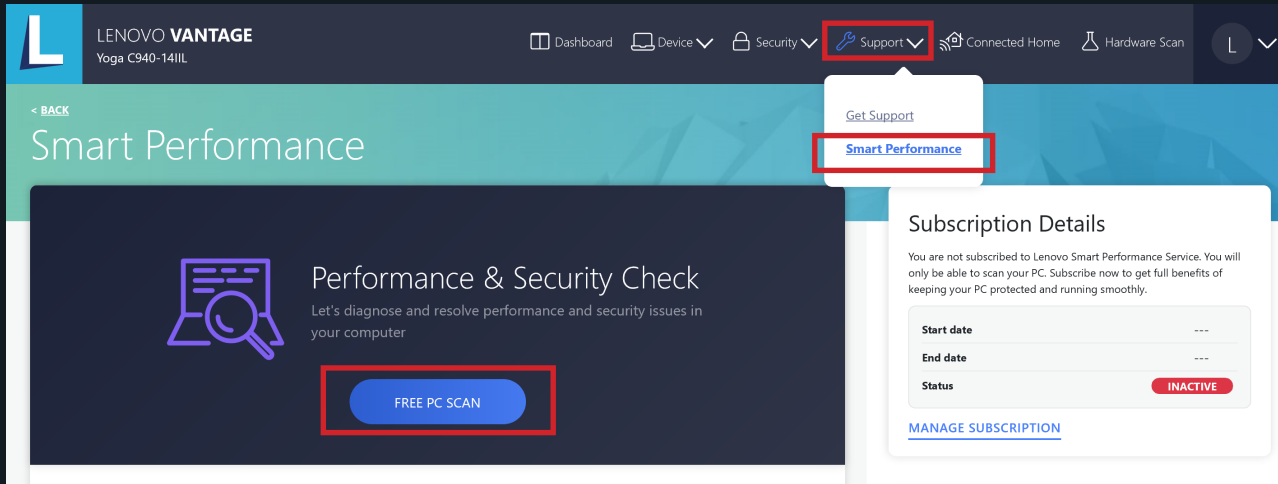

Removed **3x** more infections compared to other Antiviruses.

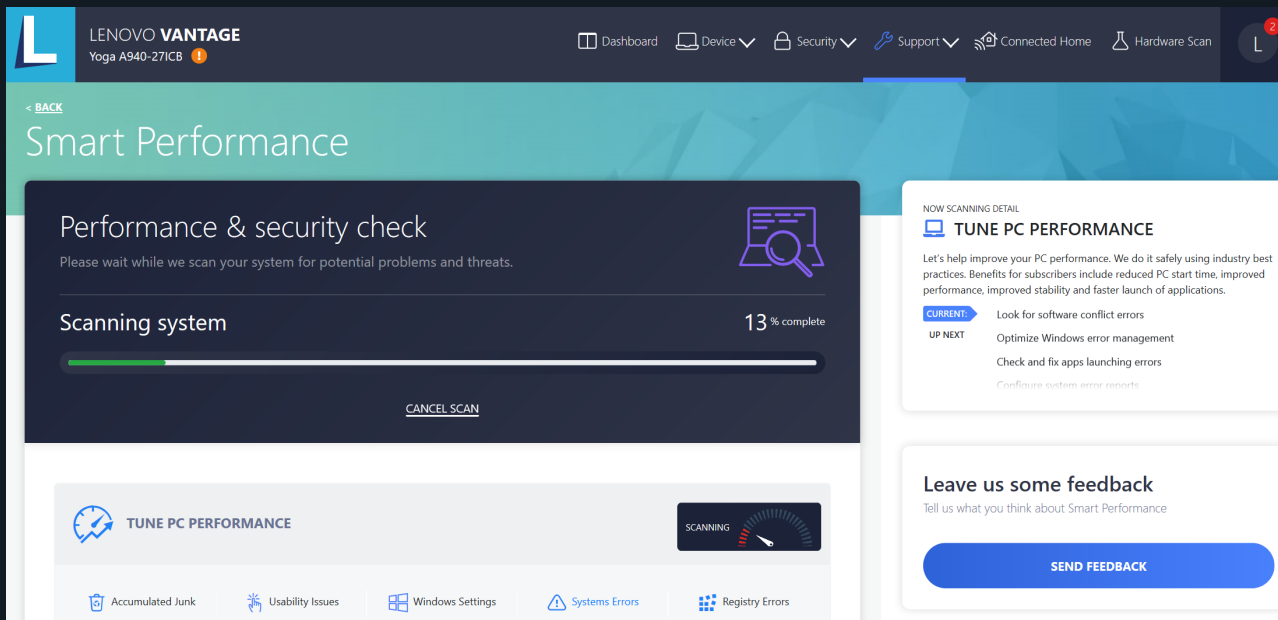

HOW TO RUN VANTAGE SMART PERFORMANCE SERVICES

1. Search Lenovo Vantage application on your Lenovo PC or download it from Microsoft Store: go to Start button, and then from the apps list select Microsoft Store. Search Lenovo Vantage to download, and then select 'Get'.
2. When you open Lenovo Vantage app, click on Support menu.
3. Select Smart Performance from dropdown list.
4. Click on the 'FREE PC SCAN' button to begin your first scan.

The scan begins, and the screen displays different scan categories and corresponding progress.

- Scan result displays issues that affect your PC performance
- Lenovo Smart Performance Services rate your PC based on scan results
- Resolve your PC issues before they occur (automated schedule scan) by signing-up for the Smart Performance Services.
