## Leopard 46 – INDIGO

Make:	Leopard	Boat Name:	INDIGO
Model:	46	Hull Material:	Fiberglass
Length:	46 ft	Draft:	4 ft 6 in
Price:	\$ 475,000	Number of Engines:	2
Year:	2008	Engine Make:	Yanmar
Condition:	Used	Engine Power:	54, 54 hp
Location:	Fort Lauderdale, FL, United States	Engine Hours:	unknown, unknown

### INDIGO

---

S/V INDIGO is a 2008 46' Leopard catamaran designed by renowned cat designers Morelli and Melvin and built by Robertson & Caine in South Africa.

The design, sailing capabilities, interior layout and construction make the Leopard 46 one of the most popular and sought-after sailing cats in the world. This "owners version" features a huge master suite in one hull, with additional storage closets instead of the settee found in most models. A full walk-in shower, washer/dryer, office w/ desk, sliding privacy door,

queen bed, flatscreen TV with DVD, and independent air conditioning make this an outstanding layout for comfort and utility.

The port hull features two large staterooms as well as an additional crew berth in the bow. The aft stateroom has a full head with toilet, sink and shower. The forward stateroom has a toilet and sink; the shower area has been converted into a pantry for extra storage. Both staterooms have large hatches for ventilation and light, as well as ample shelves, under bed lockers and hanging lockers for storage. The port hull has separate air conditioning.

The saloon includes a large, forward facing nav station with redundant helm controls (VHF, autopilot, chartplotter) as well as an Icom M802 SSB radio, Iridium sat phone, Fusion stereo with Sirius satellite system, and USB charging outlets.

The galley has a double stainless steel sink, Force 10 propane stove with oven, fresh water filter system, Corian countertops, LED lighting throughout, separate 24v fridge and freezer, and lots of storage.

Finally, there is ample room for eight people at the table and one side drops down to form a luxurious lounging area to read or watch movies on the flatscreen TV. The saloon has it's own dedicated air conditioning system.

There are two Yanmar 54hp 4JH3E 4-cylinder diesel motors (1,900 hours each) that will carry her easily at seven knots using one gallon of fuel per hour. Each motor has a 90 amp alternator for charging the separate 600aH LifeLine start batteries, and additional Balmar 130 amp alternators and charge regulators for charging the house batteries. The Yanmar SD-50 saildrives are equipped with Flex-O-Fold three-blade folding props for less drag when sailing. INDIGO can motor at 5 knots using one engine for a 1,500 mile range under power. She carries 180 gallons of fuel (two aluminum tanks), 200 gallons of water (two roto-molded plastic tanks), and has two 24-gallon aluminum holding tanks (for waste).

INDIGO has three electric systems, each designed for maximum performance and energy savings: 12v, 24v and 110v. All energy use and battery performance is easily adjusted and monitored through the digital Victron Skylla controls at the electric panel. Between the 1,320 watts of solar panels, oversized alternators, 350 watt wind generator, and 9kw genset, there are no power issues on INDIGO. You can run the A/C, watermaker, microwave, toaster and TV, all without turning on the genset.

In addition to all the paper manuals for the systems, instruments and devices on board, there are also digital manuals for everything. Besides the original 110-page Leopard Owners Manual, there is a digital copy of the 880- page builders manual that has photos, part numbers and specs for absolutely everything on board. Finally, there is a 46-page Crew Handbook that the current owner has prepared; it details all the procedures on board - everything from toilet use to Man Overboard procedures specific to INDIGO.

INDIGO is set up as a ready-to-go world cruising yacht and as such there is more impressive hardware and equipment on board than you can imagine. See the Inventory List.

## Measurements

---

LOA:	46 ft 4 in	Fuel Tanks Capacity:	185 gal
LWL:	44 ft 7 in	Fuel Tanks Material:	Aluminum
Beam:	24 ft 10 in	Fresh Water Tanks Capacity:	206 gal
Max Bridge Clearance:	70 ft	Fresh Water Tanks Material:	Other
Max Draft:	4 ft 6 in	Holding Tanks #:	2
Dry Weight:	24206 lb	Holding Tank Capacity:	23 gal
		Holding Tanks Material:	Stainless Steel
		Number of double berths:	3
		Number of Cabins:	3
		Number of Heads:	3

## Propulsion

---

### Engine #1

Engine Make:	Yanmar	Engine Year:	2008
Engine Model:	4JH3E	Hours:	unknown
Primary Engines:	Inboard	Power:	54 hp
Drive Type:	Sail Drive	Propeller Type:	3 Blade

### Engine #2

Engine Make:	Yanmar	Engine Year:	2008
Engine Model:	4JH3E	Hours:	unknown
Primary Engines:	Inboard	Power:	54 hp
Drive Type:	Sail Drive	Propeller Type:	3 Blade

## LISTING DETAILS:

---

### SAILS:

Quantum full batten main sail (3 reefing points) with Antel system  
StackPak lazy cradle with EasyZipper system  
Quantum 130% genoa with Profurl C420 Titanium roller furling  
Code Zero genoa with Facnor FX4500 continuous roller furler  
Custom aluminum folding bowsprit with Dyneema and stainless bobstays  
Two large electric Lewmar 54 CST winches at the helm  
Two Lewmar 46 CST halyard winches on mast  
Custom SailCatchers on boom to aid raising the mainsail  
(3) Winch handles

#### ANCHORING/DOCKING:

Rocna 88# primary anchor rigged on a bridle with stainless steel swivels and 250' of 3/8" G4 chain  
Fortress FX55 secondary anchor with 40' of chain and 100' of rope rode  
Quick Hector 1,000 watt electric anchor windlass w/wireless remote  
(6) 30' 3/4" docklines  
(4) fenders  
(2) extendable boat hooks

#### NAVIGATION:

Raymarine E127 color chart plotter with built-in depth sounder (2013)  
Raymarine EV400 autopilot with P70 control head and SmartController wireless remote (2013)  
Raymarine RD424 radar (45 mile range) (2013)  
Raymarine Tridata DT800 wind, depth (P79 transducer) and speed instruments (2013)  
(2) hull mounted Airmar depth transducers  
Acer Revo MaxSea chartplotter (24v) with touchscreen monitor  
Raymarine 350 AIS transponder (send & receive) (2013)  
Raymarine ITCS wind transducer (speed & direction) (2013)  
Ritchie compass (2017)  
IPad mount with USB power outlet at helm

#### SAFETY:

Plastimo Transocean 10-man emergency off-shore liferaft (serviced 2015)  
GlobalFIX iPRO EPIRB emergency transponder  
(12) type 1, 2 and 3 lifejackets  
(8) fire extinguishers  
Orion parachute flare kit and flare gun  
LifeSling safety throw ring and retrieval system  
Mounted stern throw ring  
(2) Fireboy automatic Halon fire extinguishers (one in each engine room)  
(4) Raymarine Lifetag beacons (integrated into chartplotter)  
(4) automatic electric bilge pumps (2) manual bilge pumps  
Mast mounted radar deflector

#### COMMUNICATION:

Iridium 9555 satellite phone w/ built-in charging station and remote antenna  
Sirius SP5 receiver  
Icom M802 Marine SSB radio (call sign: WDH2496) with AT-140 tuner and antenna and separate GPS antenna  
Long-distance Wave Wi-Fi internet antenna with wireless network router  
(2) Raymarine 240 VHF 25w radios (helm and nav station)

#### ELECTRIC POWER:

(32) ThunderSky 3.2v LiFePO 200 AH batteries (800AH @ 24 volts) (2011)  
Victron Quatro 24v 5,000 watt inverter for 110v power  
(2) Victron Skylla-TG 24/100 battery chargers (2011)  
(6) 220-watt 24v Sanyo solar panels (1,320 watts total)

Superwind350 wind generator (350 watts) (2011)  
Northern Lights 9kw generator  
12v and USB outlets at nav station and helm  
50' 30-amp shore power cord

#### GALLEY:

Corian counter tops in galley  
Magma stainless steel marine cookpot system  
Three-burner Force10 propane range with oven  
Dual stainless steel sinks with PureOne water filter  
Microwave, toaster, blender, coffee maker, ice-maker  
Dinner service for eight persons  
Magma cockpit BBQ grill with (3) propane tanks  
(3) SeaFrost 24v front opening fridge/freezers  
Custom storage pantry in port hull

#### COMFORT:

(3) CruiseAir 110v air conditioning / heat / dehumidify throughout the boat with separate control units for each hull and saloon  
Separate Kuma 11-gal water heaters in each hull  
Spectra Newport 400 MKII water-maker (16gph)  
(3) full heads with showers and 24v Jabsco electric flush toilets  
Splendide 2000 washer/dryer  
Custom removable Eisenglass dodger for helm  
Custom removable sun shades for side windows  
Custom cordless pleated shades in saloon side windows  
Extended swim ladder  
Daylight balanced LED lighting throughout  
Silent electric fans in saloon and all cabins  
Integrated retractable sunshades and screens on all hatches  
Custom SeaDek padded "teak" flooring on swim steps, cockpit, helm and in all heads

#### TOYS & ENTERTAINMENT:

Vizio flatscreen TV (DC powered) with sony DVD player (salon)  
Initial flatscreen TV w/ Sony DVD player (master cabin)  
Fusion marine stereo with Sirius radio  
iPod dock, inside and outside speakers (2013)  
Bauer JR11 dive compressor with (4) dive tanks (2011)  
11'6" Flexboat LE fiberglass RIB w/console  
Honda 20 HP outboard  
Full navigation lights, anchor, electric bilge pump, Garmin chartplotter/depth sounder  
Magma board rack on stanchions (2016)

#### SPARE PARTS:

Fuel & oil filters (main motors & generator)  
Zincs for props and saildrives  
(2) fixed aluminum spare props (matched)  
impellers and belts (main motors & generator)

(4) 5-gallon diesel fuel tanks  
(2) 5-gallon gasoline tender fuel tanks  
Diesel fuel filter/funnel  
(2) engine room bulkhead mounted tool kits  
Spare strainers for watermaker, generator, air conditioners, shower sumps  
and all throughhulls  
Spare dive compressor filters & belts  
Outboard prop & fuel tank  
Watermaker filters  
Spare 12v Watermaker motor
