Built in 2017, Lesante Blu is perched along the eastern coast of the stunningly verdant green island of Zakynthos and located near the picturesque village of Tragaki. Its well-appointed setting offers expansive views of the turquoise blue Ionian Sea, with Kefalonia and the Peloponnese in the distance. Guests have direct access to a private sandy pebbled beach.

A member of The Leading Hotels of the World, this all-suite hotel exudes world-class luxury and warm hospitality with its 'all-about-you' ethos. Its exclusive facilities include three restaurants and three bars with stunning sea views and private dining options - perfect for an intimate dinner to a celebratory meal or business lunch. Guests can savour traditional Greek and Mediterranean cuisine created with seasonal locally-

sourced produce. Fine dining Melia restaurant, spearheaded by Executive Chef Nikos Ispiroudis and Chef Dionisis Zavvas, was awarded 'Best Fine Dining Cuisine in Southern Europe 2019' by the World Luxury Restaurant Awards.

A variety of tailored treatments by Germaine de Capuccini are available at the Spa, including facials, body scrubs and wraps, massages and signature treatments, such as the Golden Lesante involving gentle exfoliation of the skin followed by a golden nectar and yellow seaweed wrap.

Lesante Blu offers a wide variety of activities including tennis, yoga, hiking, biking, horse-riding, diving, sailing and water sports, as well as tailored yacht excursions to the famous Navagio Beach (the site of a famed 1980 shipwreck), secluded bays, Marathonisi, the Blue and Keri Caves, and the other nearby Ionian islands of Kefalonia and Lefkada. The concierge team can arrange visits to the villages of Tragaki and Zante to experience the olive oil museum, historic local churches and monasteries, and the National Marine home to the Caretta Caretta turtles.
