AAU Club Membership Information

The Amateur Athletic Union (AAU) is one of the largest, non-profit, volunteer, sports organizations in the United States. A multi-sport organization, the AAU is dedicated exclusively to the promotion and development of amateur sports and physical fitness programs.

AAU Vision Statement

“To offer amateur athletes and volunteers opportunities to develop to their highest level through a national and local network of sporting events. Through participation in AAU, we achieve our dreams as athletes and as valued citizens of our communities.”

The AAU Club Membership is required for organizations wanting to participate and/or host AAU licensed events (National Championships, District Championships, Clinics/Demos, Invitational, and Regionals, etc.).

Based on our vision statement and in an effort to increase participation at local level, the AAU has developed a club membership category designed to extend the benefits of becoming a 501(c)3 subordinate organization of the AAU’s group exemption.

Responsibilities as a Level 3

If the Level 3 club is your choice, please understand that clubs recognized by the IRS as a 501(c)3, must comply with the responsibilities, rules and regulations associated with any non profit organization.

Recordkeeping

Section 501(c)3 organizations are required to keep books and records detailing all activities, both financial and nonfinancial. Financial information, must include sources of support (contributions, grants, sponsorships, and other sources of revenue). The organization should have a bank account registered with the organization's name and EIN #. If the organization receives a donation of \$250 or more, an acknowledgment letter must be written to the donor detailing the club's name, EIN#, the date and amount of the contribution.

Membership

Level 3 clubs must renew their membership every year to maintain their 501(c)3 status. If the club decides not to renew its membership, it must dissolve the organization and complete the dissolution process (Read the Filing Requirements for more details).

Filing Requirements

Organizations recognized as tax exempt under section 501(c)3 are required to file an annual information return with the IRS at the end of the fiscal year: Form 990-N (e-postcard), 990 EZ, or form 990 before January 15th. The club must have the same fiscal year as the AAU, which is September 1st to August 31st. **It is the club's responsibility to research within your state if there are any filing and/or registration requirements as a tax-exempt nonprofit organization collecting charitable donations.**

The AAU advises you to call the Secretary of State and the Division of Consumer Services or visit their websites. Organizations may be required to register to do business to open a bank account.

If the club decides to dissolve, please complete and return the dissolution form, which you will receive in your information packet upon approval. **Note:** in accordance with IRS regulations, when 501(c)3 organizations dissolve, all of their assets must be donated to another 501(c)3 organization of their choice, and a final form 990 must be filed.
